"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

AND DATA STORAGE SOLUTION - Negotiated Acquisition - Other - PIN# 05615N0001 - Due 8-7-15 at 3:00 P.M.

The New York City Police Department ("NYPD") is conducting a solicitation which seeks a comprehensive end to end solution for

capturing, transmitting, and storing video and audio using body-worn cameras carried by patrol officers. The NYPD is soliciting applications from firms with demonstrated experience in designing and maintaining such a solution. The body-worn cameras must be lightweight and functional in all weather conditions. Firms must also provide a data storage solution (either cloud-based or employing on-site data storage) as well as all equipment necessary to operate the cameras (e.g. charging stations, data cables) and to upload captured video and audio data from the cameras for long-term storage (e.g. docking stations). If a vendor employs a cloud storage solution, it must meet the NYPD's security requirements, as outlined in the Solicitation. The contract established as a result of this solicitation will serve as a Requirements Contract for the purchase of hardware, storage, licenses, and maintenance services on an as-needed basis. The anticipated term of the contract would be for five years from January 1, 2016 through December 31, 2020. There would also be three 3-year renewal options.

A Pre-Application Conference for this solicitation is set for Wednesday, July 8th, 2015 at 11:00 A.M. at the Jack Maple Compstat Center, Room 802 - 8th Floor, 1 Police Plaza (NYPD Police Department Headquarters), New York, NY 10038.

Vendors who are interested may obtain a free copy of the application package in 3 ways: (1) Online at www.nyc.gov/cityrecord (on or after 06-16-15), click the "City Record On-Line (CROL) Searchable Database of All Procurement Notices" link, then "Log in" or "Sign up" to download solicitations and/or awards. Once logged in, Click "Search the City Record Bid Opportunities". For "Type of Notice" (#1), select "Solicitation." For "PIN Number" (#7), enter EPIN # 05615N0001. Click Submit. (2) In person, Monday - Friday, 9:00 A.M. - 5:00 P.M. at Contract Administration Unit, 90 Church Street, Suite 1206, New York, NY 10007. (3) Contact Jordan Glickstein at (646) 610-5222 or jordan.glickstein@nypd.org.

A contract award will be made by the Negotiated Acquisition source selection method, pursuant to City of New York Procurement Policy Board Rules (PPB Rules) § 3-04(b)(2) because the NYPD has determined that it is neither practical nor advantageous to award the proposed contract by competitive sealed bids or competitive sealed proposals, and that this source selection method is in the City's best interest. First, there exists a compelling need for the goods and services that cannot be timely met through competitive sealed bidding or competitive sealed proposals. Second, there are a limited number of vendors able to provide the required body cameras and the related equipment and services of the nature and specificity required by the NYPD. Thus, pursuant to Sections 3-04(b)(2)(i)(D) and 3 04(b)(2)(ii) of the PPB Rules, a special case determination has been made that this solicitation should be done using the Negotiated Acquisition method of Source Selection. Any Vendors that wish to express an interest to be considered for this solicitation may download or request the complete solicitation document and submit completed application(s) if they feel that they can supply the required body cameras and related goods and services.

This Procurement is subject to Local Law 1, the City of New York's M/WBE Program.

§ 6. Paragraph (9) of subdivision (b) of section 39-09 of Title 19 of the Rules of the City of New York is amended to read as follows:

Any employee who willfully or repeatedly violates these rules may be barred from representing his or her employer at PVB in any capacity [for such time and subject to such conditions as may be determined by the Director of Adjudications] The Commissioner may, after providing notice to the employee and an opportunity to be heard, suspend the employee for up to five years from appearing before the Department in any capacity, except that the employee may appear on parking violations issued in the employee's name. Such notice will inform the employee of the reasons for the proposed suspension and that the employee has the right to present information as to why the employee should not be suspended to the Commissioner, or his or her designee, within 10 business days of delivery notice by hand or 15 business days of the posting of notice by mail. Any suspension will apply solely to the employee unless the Department has evidence that the standard practice of the employee's company was to commit infractions in its interactions with the Department regardless of the employee involved.

Name, Description and Location of Proposal:

510-512 West 23rd Street Text Amendment

The applicant, 22-23 Corp. c/o Park-It Management, requests a zoning text amendment pursuant to (ZR) Section 98-33(b) "Transfer of Development Rights from the High Line Transfer Corridor (HLTC)." The proposed action would allow sites that (a) are located within the Special West Chelsea (WCh) District HLTC, and are situated outside of a WCh Subarea, (b) are zoned C6-2A or C6-3A, and (c) have transferable floor area ("granting sites") as of June 23, 2005 to transfer their maximum allowable unused residential or commercial floor area, whichever is greater, to "receiving sites." Eligible receiving sites are sites located in C6-2, C6-3, or C6-4 zoning districts in WCh Subareas "A" through "E," "G" and "I." The proposed text amendment would permit the granting sites' full allowable unused residential floor area to be transferred to receiving sites within the Special West Chelsea District; per the current regulations, only allowable commercial floor area may be transferred from granting sites within the Special West Chelsea HLTC. The affected area is generally bounded by West 24th Street to the north, West 22nd Street to the south, 11th Avenue to the west and 10th Avenue to the east, in the Special West Chelsea District of Manhattan, Community District 4.

In order to assess the impacts associated with the proposed action, a Reasonable Worst Case Development Scenario (RWCDS) was established. A "granting site" (Block 694, p/o Lot 40), and a "receiving site" (Block 696, Lot 35) were identified. The granting site is currently occupied with New York City Fire Department Ambulance EMS parking station and vehicular storage. The receiving site is currently occupied with a 23,760 gross square feet (gsf) 5-story public parking garage.

As a result of the proposed action, it was anticipated that the granting site would transfer a maximum of 8,668 gsf of unused floor area to the receiving site. It was assumed that new development on the proposed receiving site would consist of a 37,125 gsf mixed-use building containing 38 dwelling units (32,175 gsf of residential uses) and 4,950 sf of ground floor retail. The analysis year for the proposed action is 2017.

Absent the proposed action, it is anticipated that the uses on the granting site would remain as existing conditions. It is also anticipated that, absent the proposed action, the property at receiving site would be converted to a mixed-use building containing 22 residential units (18,810 gsf of residential uses) and 4,950 gsf of ground floor retail uses.

Statement of No Significant Effect

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Revised Environmental Assessment Statement, dated March 17, 2015 prepared in connection with the ULURP Application (No. N090311ZRM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement

The above determination is based on an environmental assessment which finds that:

1. In 2005, the CPC adopted the Special West Chelsea District Rezoning (ULURP Nos. N050161(A) ZRM, and C050162ZMM). In connection with Special West Chelsea

1 This Revised Negative Declaration addresses a modification by the City Council to the proposed text amendment, as noted in the supporting statement of this document.

District Rezoning, an Environmental Impact Statement (CEQR 03DCP069M) was issued on May 13, 2005 and Technical Memorandum was issued on June 22, 2005. An E-Designation (E-142) related to hazardous materials and noise was assigned to receiving site 1 (Block 696, Lot 35). The E-designation (E-142) for hazardous materials and noise would ensure that the proposed action will not result in significant adverse impacts related to hazardous materials, air quality and noise.

2. A Revised Environmental Assessment Statement (EAS) issued on March 17, 2015 reflects a correction in the description of the sites expected to be affected by the proposed action. Block 695, Lot 28 and Block 691, Lot 50 had previously been included in the list of lots affected by the proposed action. At the time of certification, it was found that these two sites would not be expected to be affected by the proposed action. As detailed in the Revised EAS, it was determined that the corrections to the affected area would not have the potential for significant adverse impacts on the

environment and would not alter the conclusions of the previous environmental review.

3. Since the issuance of the Revised Environmental Assessment Statement on March 17, 2015 and Revised Negative Declaration on May 4, 2015, the City Council Land Use Committee voted to recommend modification to the application on May 21, 2015. The Council recommends stipulating that the maximum amount of floor area that can be transferred is that permitted as of the date of the adoption of the Special West Chelsea District, or June 23, 2005. This modification would not alter the conclusions of the Revised Environmental Assessment Statement.
4. No other significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Revised Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
