PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and

NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
● Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
● Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
● Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

ACCESSIBLE TRANSPORTATION AND EVACUATION PLANNING FOR PERSONS WITH DISABILITIES - Negotiated Acquisition - Other - PIN# 01715N0001 - Due 7-29-15 at 5:00 P.M.

The New York City Emergency Management Department (NYCEMD) is seeking an appropriately qualified vendor to conduct a needs analysis to determine a statistically significant measure of demand for government-administered transportation services for people with disabilities and access and functional needs (DAFN). This will subsequently inform the need for potential revisions to the City's evacuation plans - specifically the Homebound Evacuation Operations (HEO) plan - for people with disabilities and others with access and functional needs.

This Negotiated Acquisition is a response to a court stipulation (Brooklyn Center for Independence of the Disabled v. City of New York) as part of a remedial plan to provide accessible transportation during evacuations. The City agrees to consult with Plaintiffs regarding the process and form of the needs analysis and meaningfully consider the Plaintiff's comments, incorporate those suggestions where practical and consistent with the goals of the Accessible Transportation Memorandum of Understanding.

Statement of Basis and Purpose of Proposed Rule

New York Real Property Tax Law (RPTL) § 420-c was originally enacted to provide tax exemption for non-profit sponsors which develop affordable housing with federal low income housing tax credits. In 2004, RPTL § 420-c was amended by Chapter 522 of the Laws of 2004 to require that at least 50% of the controlling interest in an entity owning the property be held by a charitable or social welfare organization formed under 501(c)(3) or 501(c)(4) of the federal Internal Revenue Code. The 2004 amendments eliminated the prior

governmental loan requirement for RPTL § 420-c benefits and provided that the municipality must sign or approve a regulatory agreement requiring that the real property be used to provide low income housing for the entire term of the RPTL § 420-c tax exemption. The 2004 amendments also authorized existing eligible projects to start receiving RPTL § 420-c tax benefits if they terminated any current tax benefits and executed new regulatory agreements.

The proposed rule amendments add the 2004 statutory amendments to the current rules since the amendments apply to all RPTL § 420-c applications approved by HPD on or after September 28, 2004, the effective date of the amendments. They also make some technical changes to the existing § 420-c regulatory provisions.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material in the following rule is underlined, deleted material is in [brackets].

DSNY M6/6A/8 Garage Complex & Adjacent Development Parcels

CEQR# 13-DOS-007M

The City of New York proposes to redevelop the block generally bounded by First Avenue, East 25th Street, the FDR Drive, and a private drive (formerly East 26th Street) in Manhattan. The property, which is becoming vacant, is currently the Brookdale Campus of the City University of New York. The Department of Sanitation (DSNY) proposes to use a portion of the site to construct a garage complex to store the equipment and provide personnel support services for Manhattan Districts 6 and 8, support street cleaning for Districts 3, 6 and 8, and house the Manhattan Borough Command offices. The remainder of the site would be developed for residential and/or commercial uses pursuant to a request for proposals managed by the New York City Economic Development Corporation. The action is a Type I action. DSNY has determined that a Draft Environmental Impact Statement (DEIS) will be prepared for the project pursuant to the State Environmental Quality Review Act and City Environmental Review Procedure. DSNY has determined that the project's potential significant adverse environmental impacts requiring further study include impacts to traffic, air quality, ambient noise, and land use, zoning and public policy. A draft Scope of Work for the DEIS is available on DSNY's website (www.nyc.gov/sanitation), and at the repositories indicated below. Comments on the draft Scope of Work are requested.
