■ PUBLIC HEARINGS

NOTICE OF PUBLIC HEARING

NOTICE OF A FRANCHISE AND CONCESSION REVIEW COMMITTEE ("FCRC") PUBLIC HEARING to be held on Tuesday, September 8, 2015, commencing at 2:30 P.M. at 22 Reade Street, Borough of Manhattan, relating to: 1) proposed changes in the beneficial ownership of a public communications structure franchise currently held by CityBridge, LLC ("CityBridge"), whereby Intersection Holdings, LLC ("Intersection"), will become the parent company of CityBridge member parent companies Titan Outdoor Holdings Inc., and Control Group Ventures, LLC. By that transaction, Intersection will obtain voting control of those parent companies, and indirect control of CityBridge members Titan Outdoor LLC and CG Partners LLC; and 2) a proposed amendment to the franchise agreement that will modify various sections including the maintenance and monitoring system, state of the art, ancillary services/data rights, and general description of services sections. The amendment will include a requirement for services to certain City designated facilities.

A copy of the proposed amendment and an ownership organization chart reflecting the proposed changes in beneficial ownership ("proposed organizational chart") may be viewed at DoITT, 2 Metrotech Center, 4th Floor, Brooklyn, NY, 11201, commencing August 24, 2015, through September 8, 2015, between the hours of 9:30 A.M. and 3:30 P.M., excluding Saturdays, Sundays and holidays. Paper copies of the proposed amendment and the proposed organization chart may be obtained, by appointment, at a cost of \$.25 per page. All payments shall be made at the time of pickup by check or money order made payable to the New York City Department of Finance. The proposed amendment and proposed organization chart may also be obtained in PDF form at no cost, by email request. Interested parties should contact Brett Sikoff by email at FranchiseOpportunities@doitt.nyc.gov.

NOTE: Individuals requesting sign language interpreters or any other accommodation of disability at the public hearing should contact the Mayor's Office of Contract Services, Public Hearing Unit, 253 Broadway, 9th Floor, New York, NY 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

The Hearing may be cablecast on NYCMedia channels.

TRANSPORTATION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN, pursuant to law, that the following proposed revocable consents, have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 55 Water Street, 9th Floor, Room 945 commencing at 2:00 P.M. on Wednesday, September 16, 2015. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 55 Water Street, 9th Floor South West, New York, NY 10041, or by calling (212) 839-6550.

#1 IN THE MATTER OF a proposed revocable consent authorizing 18 Gramercy Park Condominium to install, maintain and use four (4) planters on the south sidewalk of Gramercy Park South, between Irving Place and Park Avenue South and five (5) planters on the west

sidewalk of Irving place, between East 19th Street and Gramercy Park South, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of Approval by the Mayor and provides among other terms and conditions for compensation payable to the City according to the following schedule:

From the Approval Date to June 30, 2026 - \$225/per annum.

the maintenance of a security deposit in the sum of \$3,000 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#2 IN THE MATTER OF a proposed revocable consent authorizing 300 West 23rd Street Owners Corp. to continue to maintain and use planters along the south sidewalk of West 23rd Street, between Eighth and Ninth Avenues, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2015 to June 30, 2025 and provides among other terms and conditions for compensation payable to the City according to the following schedule:

For the period July 1, 2015 to June 30, 2025 - \$64/per annum

the maintenance of a security deposit in the sum of \$1,000 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate

#3 IN THE MATTER OF a proposed revocable consent authorizing DOLP 1155 Properties ll LLC to continue to maintain and use twelve (12) planters on the south sidewalk of West 45th Street, west of Avenue of the Americas and on the west sidewalk of Avenue of the Americas between West 44th and West 45th Streets, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2014 to June 30, 2024 and provides among other terms and conditions for compensation payable to the City according to the following schedule:

For the period July 1, 2014 to June 30, 2024 - \$300/annum

the maintenance of a security deposit in the sum of \$1,200 and the insurance shall be the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#4 IN THE MATTER OF a proposed revocable consent authorizing Ellivkroy Realty Corporation to continue to maintain and use planters on the south sidewalk of East 86th Street, west of York Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2014 to June 30, 2024 and provides among other terms and conditions for compensation payable to the City according to the following schedule:

For the period July 1, 2014 to June 30, 2024 - \$50/annum

the maintenance of a security deposit in the sum of \$500 and the insurance shall be the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#5 IN THE MATTER OF a proposed revocable consent authorizing Juice Press 10 LLC to install, maintain and use two benches on the north sidewalk of Madison Avenue, between East 92nd and East 93rd Street and one bench on the east sidewalk of East 92nd Street, between Madison Avenue and Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of Approval by the Mayor and provides among other terms and conditions for compensation payable to the City according to the following schedule:

From the Approval Date to the Expiration Date - \$450/per annum

the maintenance of a security deposit in the sum of \$1,000 and the insurance shall be the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#6 IN THE MATTER OF a proposed revocable consent authorizing Lyceum Theatre Corporation to continue to maintain and use bollards on the north sidewalk of West 45th Street, east of Seventh Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2015 to June 30, 2025 and provides among other terms and conditions for compensation payable to the City according to the following schedule:

For the period July 1, 2015 to June 30, 2025 - \$150/annum

the maintenance of a security deposit in the sum of \$1,500 and the insurance shall be the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

PARKS AND RECREATION

■ VENDOR LIST

Construction / Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has began the Certification process.

Application documents may also be obtained on-line at: <http://a856-internet.nyc.gov/nycvendonline/home.asap> or <http://www.nycgovparks.org/opportunities/business>

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

◀ a27

AGENCY RULES

ENVIRONMENTAL PROTECTION

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULE

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF THE DEPARTMENT OF ENVIRONMENTAL PROTECTION by Section 1403 (c) of the New York City Charter and Sections 24-105 and 24-146.1 of the New York City Administrative Code, that the Department of Environmental Protection has amended its rules concerning Asbestos Handler Supervisors and Asbestos Investigator Certificates. These amendments were proposed and published in the *City Record* on June 11, 2015 and no written comments were received thereafter. A public hearing was held on July 20, 2015. No testimony was given at the hearing.

Statement of Basis and Purpose of Proposed Rule

Section 1403(c) of the New York City Charter and Section 24-105 of the New York City Administrative Code authorize the Commissioner of Environmental Protection to regulate and control the emission of harmful air pollutants into the open air.

Section 24-146.1(d)(1) of the Administrative Code authorizes the Commissioner to make rules establishing criteria for certifying individuals to receive an asbestos handling certificate and for certifying programs as approved safety and health programs. The Commissioner may restrict the asbestos handling certificate as to certain functions and responsibilities. Section 24-163.1(d)(2) authorizes the Commissioner to make rules establishing criteria for certifying individuals as asbestos investigators.

The amendments codify the existing practices of the Asbestos Control Program. The New York State-approved training courses for asbestos handler supervisors and asbestos investigators are administered only in English, so the DEP examination for these certificates is also given only in English. Asbestos handler supervisors need to speak and understand English to ensure that there is someone at the work site who can communicate with a DEP inspector. Asbestos investigators must speak English to perform their responsibilities, which includes communicating with DEP inspectors at office and field audits.

The amendments to the Adjudications chapter provide that translation services will be made available for all hearings held under that chapter except for those related to the possible suspension or revocation of asbestos handler supervisor and asbestos investigator certificates. As holders of those certificates must pass a training course and a certification exam in English, it will not be necessary to provide translation services for those hearings. Subdivision (e) of Section 32-01 of Chapter 32 of Title 15 of the Rules of the City of New York has been repealed because Local Law 38 of 2015 includes the repeal of Administrative Code § 24-133 (from the Air Pollution Control Code).

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

New text is underlined; deleted material is in [brackets].

The text of the promulgated rule follows.

Section 1. Subdivision (b) of Section 1-14 of Part 1 of Subchapter B of Chapter 1 of Title 15 of the Rules of the City of New York is amended to read as follows:

(b) The department shall issue an asbestos handler supervisor certificate[,] in the form of a photo identification card, which shall be valid for two years from the date of issuance, to applicants who meet the following conditions:

* * *

(5) Applicant shall achieve a passing grade on a departmental examination, which shall be given in English.

§ 2. Subdivision (d) of Section 1-16 of Part 1 of Subchapter B of Chapter 1 of Title 15 of the Rules of the City of New York is amended to read as follows:

(d) Applicant shall achieve a passing grade on a departmental examination, which shall be given in English.

§ 3. Subdivision (e) of Section 32-01 of Chapter 32 of Title 15 of the Rules of the City of New York is REPEALED.

§ 4. Subdivision (b) of Section 32-02 of Chapter 32 of Title 15 of the Rules of the City of New York is amended by adding a new paragraph (5) to read as follows:

(b) Hearing procedures.

* * *

(5) Translation services shall be made available for all hearings held under this chapter except for hearings regarding the possible suspension or revocation of an asbestos handler supervisor certificate or an asbestos investigator certificate, which shall be held in English only.

§ 5. This rule shall take effect immediately except that Section 3 shall take effect on May 6, 2016.

◀ a27

SANITATION

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing?

DSNY is proposing to amend its rules governing source separation and handling requirements for organic waste generated by certain commercial establishments that have their refuse and recycling collected by private carters, based on Local Law 146 of 2013, codified in § 16-306.1 of the New York City Administrative Code.

When and where is the Hearing? DSNY will hold a public hearing on the proposed rule. The public hearing will take place from 10:00 A.M. to 12:00 P.M. on October 5, 2015. The hearing will be in the 2nd Floor Auditorium at 125 Worth Street, New York, NY 10013.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to the DSNY through the NYC rules Web site at <http://rules.cityofnewyork.us>.
- **Email.** You can email written comments to nycrules@dsny.nyc.gov.
- **Mail.** You can mail written comments to DSNY, 125 Worth Street, Room 710, New York, NY 10013.
- **Fax.** You can fax written comments to DSNY at 212-788-3876.
- **By Speaking at the Hearing.** Anyone who wants to comment on the proposed rule at the public hearing can sign up in the hearing room before the hearing begins on October 5, 2015.

Is there a deadline to submit written comments? The deadline for submitting written comments shall be October 5, 2015.

Do you need assistance to participate in the Hearing? You must contact the Department of Sanitation's Bureau of Legal Affairs if you need a reasonable accommodation because of a disability at the Hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 646-885-5006. You must tell us by September 28, 2015.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. A few days after the hearing, copies of all comments submitted online, copies of all written comments, and a summary of oral comments concerning the proposed rule will be available to the public at 125 Worth Street, Room 710, New York, NY 10013.

What authorizes DSNY to make this rule? Sections 753 and 1043(a) and of the New York City Charter and Section 16-306.1 of the New York City Administrative Code, authorize DSNY to make this proposed rule. This rule was included in DSNY's agenda for this fiscal year.

Where can I find DSNY's rules? DSNY's rules are in Title 16 of the Rules of the City of New York.

What rules govern the rulemaking process? DSNY must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Organic waste makes up approximately one-third of the waste generated by food-generating businesses in New York City. This material can be converted into soil enhancing compost, or used as an energy source in aerobic and anaerobic digesters, but most of it is currently disposed of in landfills outside the City. Under Local Law 146 of 2013, codified in §16-306.1 of the New York City Administrative Code, the Sanitation Commissioner must evaluate, at least annually beginning July 1, 2015, whether there exists sufficient regional organics waste processing capacity to require that certain food-generating businesses in the City, or a sub-set of them, arrange with their private carters to engage in alternative methods for handling organic waste separated by the businesses. These methods include in-vessel composting, aerobic or anaerobic digestion, or any other method for processing organic waste approved by DSNY rule. The Department of Environmental Protection will separately promulgate additional rules regulating the use of onsite aerobic and anaerobic digestion equipment.

Following site visits and surveys of active private organics waste processing facilities in the region and an evaluation of organic waste quantities generated by various food industry sectors in the city, DSNY identifies that there is organics processing capacity available to a limited extent, and will require a subset of food-generating businesses in the city to separate their organic waste for collection and handling by their private carters. A designated covered establishment may also donate food that would otherwise be thrown away to a third party, such as a charity, sell or donate the food to a farmer for feedstock, or sell or donate meat by-products to a rendering company. Food disposed of through such donations or sales is not within the meaning of "organic waste" under these proposed rules.

The proposed rules:

- Amend §1-01 by adding new definitions to effectuate the purpose of the rule;
- Provides that the following types of establishments will be "designated covered establishments" and must comply with the requirements set forth in the rule:
 - Any arena or stadium that has a seating capacity of at least 15,000
 - Any food service establishment that is located in a hotel with at least 150 sleeping rooms, is under common control with such hotel, and receives waste collection from the same private carter as such hotel
 - Any food manufacturer that has a floor area of at least 25,000 square feet
 - Any food wholesaler that has a floor area of at least 20,000 square feet
- Requires designated covered establishments to source separate their organic waste and arrange for proper processing of this material through collection by a private carter licensed by the New York City Business Integrity Commission (BIC), or alternatively, by registering with BIC and transporting their own organic waste for proper processing;
- Allows covered establishments to separately donate their organic waste to a third party, donate or sell organic waste to a farmer for feedstock, and donate or sell meat by-products to a rendering company;
- Prohibits the commingling of organic waste with designated recyclable material or solid waste;
- Requires the storage and set-out at the curb of organic waste in one or more containers that have a lid and latch, which must be closed and latched when they are set out for collection by a private carter;
- Requires a designated covered establishment to post a sign identifying its private carter that will collect source separate organic waste;
- Sets forth requirements for designated covered establishments that choose to process their organic waste on-site;
- Requires designated covered establishments to post instructions for their employees and customers on how to properly source separate organic waste;
- Sets forth reporting responsibilities of operators of putrescible solid waste transfer stations authorized by the New York State Department of Environmental Conservation to receive source-separated organic waste; and
- Provides for the enforcement of such rules in accordance with the New York City Administrative Code.

DSNY's authority for these rules is found in Sections 753 and 1043(a) of the New York City Charter and Section 16-306.1 of the New York City Administrative Code.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. New definitions are added in section 1-01 of Title 16 of the Rules of the City of New York, in alphabetical order, to read as follows:

§1-01 Definitions

Beneficial Organic Waste Use. "Beneficial organic waste use" means the processing of organic waste by composting, aerobic digestion, or anaerobic digestion.

Covered Establishment. "Covered establishment" shall have the same meaning as set forth in Section 16-306.1(a) of the administrative code of the city of New York.

Organic Waste Processing Facility. "Organic waste processing facility" means a combination of managed processes, structures, machinery or devices utilized to alter the physical characteristics of organic waste by turning it into a product, at which source-separated organic waste is received and processed through a beneficial organic waste use for the purpose of reuse or sale, that is authorized to operate by the New York state department of environmental conservation if located in the state of New York, or authorized to operate by the applicable state or local authority, if located outside of the state of New York.

§2. Chapter 1 of Title 16 of the Rules of the City of New York is amended by adding a new Section 1-11, relating to the handling of organic waste generated by certain commercial establishments, to read as follows:

§1-11 Organic Waste Generated by Commercial Establishments.

(a) Designated covered establishments. Pursuant to §16-306.1(b) of the New York City Administrative Code, the following commercial establishments are "designated covered establishments" for purposes of this section and shall comply with the requirements set forth in this section:

- (1) an arena or stadium having a seating capacity of at least

fifteen thousand persons;

- (2) a food service establishment that (i) is located within a hotel having at least one hundred fifty sleeping rooms (ii) operates under common ownership or control of such hotel, and (iii) receives waste collection from the same private carter as such hotel;
- (3) a food manufacturer that has a floor area of at least twenty-five thousand square feet; and
- (4) a food wholesaler that has a floor area of at least twenty thousand square feet.

(b) Source separation requirements for designated covered establishments.

- (1) A designated covered establishment shall source separate organic waste generated at its premises and either:
 - (i) arrange with a private carter for the separate collection of such organic waste directly from its premises for the purpose of a beneficial organic waste use;
 - (ii) transport its own organic waste directly to:
 - A) an organic waste processing facility; or
 - B) to a transfer station authorized by the New York state department of environmental conservation to receive source separated organic waste that will be removed to another location for beneficial organic waste use, provided that the designated covered establishment first registers with the business integrity commission pursuant to subdivision b of Section 16-505 of the administrative code of the city of New York; or
 - (iii) provide for a beneficial organic waste use on-site at its premises, provided that any on-site composting must be in-vessel, and that it arranges for the collection or transport of the remainder of such organic waste, if any, in accordance with clause (i) or (ii) of this subparagraph.
- (2) A designated covered establishment that registers with the business integrity commission pursuant to subdivision b of Section 16-505 of the administrative code of the city of New York and transports its own organic waste shall enter into a written agreement with an organic waste processing facility that provides for a beneficial organic waste use. A copy of such written agreement shall be submitted by the covered establishment to the Department upon request within five business days of such request either by postal mail or electronic mail to the Department.
- (3) A designated covered establishment that provides for a beneficial organic waste use on-site at its premises for some or all of the organic waste it generates shall:
 - (i) to the extent practicable, weigh and measure by volume the amount of organic waste disposed of by any such method on-site. A designated covered establishment shall maintain records of such weights and measurements for a period of three years, and the records shall be submitted by the covered establishment to the Department upon request within five business days of such request either by postal mail or electronic mail to the Department;
 - (ii) provide equipment on site that is properly sized to handle and process organic waste generated at the premises in a safe and sanitary manner, together with a contingency plan for handling the organic waste in the event such system becomes inoperable. The designated covered establishment shall ensure that no organic waste or other solid waste storage problem or public nuisance or condition hazardous to public health or safety is created during scheduled or unscheduled equipment maintenance, or equipment breakdown; and
 - (iii) ensure that any such organic waste processing system is installed in accordance with the health code, including but not limited to the provisions of article 143, the building code, including but not limited to subchapters twelve and thirteen of chapter one of title twenty-seven of the administrative code, if applicable, and all applicable laws and rules governing the discharge of waste and waste water, including Section 19-11 of Title 15 of the rules of the city of New York governing the discharge of grease into the city sewer system, and any other applicable regulations enforced by the department of environmental protection or the New York state department of environmental conservation.

(c) Storage and set-out requirements for containers.

- (1) A designated covered establishment shall provide separate

containers for the disposal of organic waste in any area where such organic waste is generated and discarded. Containers for the disposal of organic waste to be used by employees, customers, or others lawfully on the premises shall be labeled to indicate only organic waste may be properly placed therein.

- (2) A designated covered establishment that arranges for the collection of organic waste by a private carter shall ensure that it properly stores and maintains its source separated organic waste separately from all other materials generated at his or her premises, and shall not allow organic waste that is stored and maintained to be commingled with designated or non-designated recyclable material or solid waste. All such organic waste shall be stored in a manner that does not create a public nuisance.
- (3) A designated covered establishment that arranges for the collection of organic waste by a private carter shall separately set out such organic waste in one or more containers that:
 - (i) have a lid and a latch that keeps the lid closed and is resistant to tampering by rodents or other wildlife;
 - (ii) have the capacity that meets the disposal needs of the designated covered establishment and its private carter;
 - (iii) are compatible with the private carter's hauling collection practices; and
 - (iv) are closed and latched at the time any such containers are placed out for collection by the carter.
- (d) **Sign and notice requirements.** (1) (i) A designated covered establishment shall post a sign that states clearly and legibly either:
 - (A) the trade or business name, address, telephone number of, and the day and time of pickup by the private carter that collects the designated covered establishment's organic waste;
 - (B) the designated covered establishment transports its organic waste to an entity that provides for beneficial organic waste reuse; or
 - (C) the designated covered establishment provides for on-site processing of organic waste generated at its premises.
- (ii) A designated covered establishment shall prominently display such sign by affixing it to a window near the principal entrance to the designated covered establishment so as to be easily visible from outside the building or, if this is not possible, shall prominently display such sign inside the designated covered establishment near the principal entrance. If posting a sign near the designated covered establishment's entrance is not practicable, the owner of such designated covered establishment shall retain a copy of such sign on its premises and shall furnish a copy to the Department upon request.
- (2) A designated covered establishment shall post instructions on the separation requirements for organic waste in an area where such instructions will be visible to persons who are disposing of organic waste, including employees, customers or others lawfully on the premises. Such instructions shall state that organic waste is required to be source separated and shall explain how to source separate such material.
- (e) **Enforcement and compliance.** (1) The commissioner, together with the commissioner of the department of mental health and hygiene, and the commissioner of the department of consumer affairs, reserves the right to conduct lawful inspections during business hours to ensure compliance with this section. Such inspections may include, but need not be limited to:
 - (i) inspections of organic waste set out by a designated covered establishment for collection by his or her private carter to determine whether such material has been set out in accordance with paragraph 2 of subdivision c of this section; and
 - (ii) inspections of putrescible solid waste transfer stations that are authorized to accept source separated organics by the New York state department of environmental conservation.
- (2) Any person that violates any provision of this section shall be liable for civil penalties as provided for under paragraphs one, two and three of subdivision e of Section 16-324 of the New York City Administrative Code.

§3. Subdivision f of Section 4-17(f) of Subchapter B of Chapter 4 of Title 16 of the Rules of the City of New York, relating to the handling of

organic waste received by putrescible waste transfer stations, is amended to read as follows:

§4-17 Operation and Maintenance of Putrescible Solid Waste Transfer Stations.

(f) (1) The Permittee shall maintain operational records including, but not limited to, all asset liability and capital and proprietary accounts, operating expenses, administrative expenses, tax returns and equipment expenses. Such records shall also include a clear and legible daily log of the quantity of solid waste received and removed, specifying the point of origin and destination of the solid waste transported daily, as well as the quantity and type of material which has been brought to the putrescible solid waste transfer station for separation and/or processing. The daily log shall also include the names and addresses of the owner and/or operator of transport vehicles entering or exiting the transfer station. Such records shall be maintained on the premises and be readily available for inspection by representatives of the Department. An annual report shall be provided to the Department with any application for renewal of any permit required under these Rules. This report shall contain the daily weight and volume of solid waste received, according to type, daily point of origin of the solid waste, daily destination of the solid waste, daily weight and volume and type of material recovered, any changes in operation that have occurred during the previous year, and all other information specified to be included by this subchapter, including that required by subsections (c) and (e) of this section, and paragraph ii of this subsection. The Permittee shall submit to the Department a copy of any annual or quarterly report required to be filed with the New York State Department of Environmental Conservation pursuant to 6 NYCRR Part 360.

(2) A permittee that is authorized by the New York state department of environmental conservation to receive source separated organic waste and that receives such waste in accordance with subdivision d of section 16-306.1 of the administrative code and rules promulgated pursuant thereto, and that is not authorized to process organic waste at its own facility, shall deliver such organic waste or have such organic waste delivered directly to an organic waste processing facility, excluding waste that cannot be processed at an organic waste processing facility. Unless the permittee is authorized to process organic waste at its own facility, the permittee shall enter into a written agreement with an organics processing facility, or other transfer facility, at which organic waste will be received. A copy of such written agreement shall be available to the Department for inspection upon request. Operators of putrescible solid waste transfer stations that receive organic waste shall maintain the separation of organic waste before its transfer to another location. A permittee that receives source separated organic waste shall include in the quarterly reports submitted to the Department pursuant to paragraph (i) of this subsection the following information, calculated on a monthly basis by weight or volume: the total amount of organic waste received; the origin of such organic waste; and the destination facility of the organic waste removed, together with the name of the owner of such facility and his or her business contact information. Such quarterly reports shall be submitted on forms prescribed by or acceptable to the Department. The report for the quarter ending on March 31 shall be due on April 30; the report for the quarter ending on June 30 shall be due on July 30; the report for the quarter ending September 30 shall be due on October 30; and the report for the quarter ending December 31 shall be due on January 30.

§4. This rule shall take effect thirty days after the final rule is published in the City Record. All designated covered establishments must comply with the requirements of the final rule beginning no later than six months after the effective date of the rule.

SPECIAL MATERIALS

HEALTH AND MENTAL HYGIENE

■ NOTICE

The Department of Health and Mental Hygiene (DOHMH), through its Master Administrator Public Health Solutions (PHS), intends to issue an RFP for appropriately qualified vendors to open and operate four Forensic Assertive Community Treatment (FACT) teams with the goal of delivering this evidence-based treatment to people who both meet the Assertive Community Treatment (ACT) eligibility criteria in NYC, and have a current or recent involvement with the criminal justice system. In advance of the release of the RFP, the agency has developed a Concept Paper that outlines the agency's goals and approach to providing these services.

The Concept Paper will be posted on PHS's website:
www.healthsolutions.org/rfp.

a21-27

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

In advance of the release of the RFP, HRA is issuing a Concept Paper for the forthcoming Case Management Support (CMS) Program

RFP. With the CMS Program, CAS seeks to expand the populations reached by HRA's current Comprehensive Services Management contract, and enhance and increase the scope of services that are available. New York City is re-orienting its services citywide and the CMS Program will provide supportive case management services to those that require the greatest assistance to connect to, and maintain compliance with, HRA services due to multiple factors including substance use disorders, recurring homelessness, severe mental illness or other complicating behavioral health issues.

a26-s1

In advance of the release of the RFP, HRA is issuing a Concept Paper for the forthcoming RFP to be released by HRA for a Vocational and Educational Opportunities Program. This program is being developed to assist clients of the HIV/AIDS Services Administration (HASA) who have an interest in entering the workforce for the first time or who desire to re-enter the workforce after a period of absence. Participation will be voluntary. HASA seeks to provide comprehensive vocational assessment, education, training, job placement assistance and retention services to ensure that motivated, work-ready HASA clients are able to successfully transition to work. Clients will receive a continuum of services, including assessments to help each participant identify their vocational and educational goals, particular abilities and transferable skills that may help them succeed in employment, as well as identify any barriers and potential work place accommodation needs. Participants will also receive assistance in addressing each identified barrier and obtaining necessary work place accommodations. When appropriate, the vendor will help participants apply for and obtain employment as well as follow-up with those who successfully transition to employment.

MAYOR'S FUND TO ADVANCE NEW YORK CITY

NOTICE

The Mayor's Fund to Advance New York City (Mayor's Fund) received funding to support a diversity initiative targeting the not for profit cultural community in New York City. The New York City Department of Cultural Affairs (DCLA) launched the Diversity Initiative in January 2015. The purpose of this major initiative is to promote diversity among the leadership, staffs, and audiences of cultural organizations in New York City. This includes a demographic survey of DCLA's nearly 1,000 grantee organizations that will examine race, ethnicity, gender, disability, age, and other factors.

The Mayor's Fund seeks a consultant to develop strategy and execution programming related to DCLA's Diversity Initiative, as further described in the RFP at on.nyc.gov/DiversityInitiativeRFP. The anticipated term of engagement is October 24, 2015 - December 31, 2016.

The budget for this initiative is \$93,000.

POLICE

NOTICE

Notice of Concept Paper

The New York City Police Department (NYPD) intends to issue a Request for Proposals (RFP) for the Crime Victim Advocate Program (CVAP). In advance of the release of the RFP, NYPD has developed a concept paper to outline the program's goals and approach of enhancing the NYPD's current response to victims of crime by providing additional direct services, expanding the number of individuals served and coordinating with other community-based providers to establish a continuum of care for crime victims. The NYPD is seeking a qualified service provider to implement the CVAP.

The concept paper will be posted on HHS Accelerator's website at: http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml
