Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose

Background and New Requirements

1. Section 201.07(a) of Article 201 (Confidential medical report of birth; not subject to compelled disclosure or inspection), Section 203.07(a) of Article 203 (Confidential medical report of spontaneous termination of pregnancy and certificate of induced termination of pregnancy; not subject to compelled disclosure or inspection), Sections 205.07(a) and 205.07(c) of Article 205 (Confidential medical report of death; not subject to compelled disclosure or inspection)

The Department proposes to amend Section 201.07(a) of Article 201, Section 203.07(a) of Article 203, and Sections 205.07(a) and 205.07(c) of Article 205 of the Health Code, to authorize, in addition to the Commissioner, the Commissioner's designee to approve inspection of confidential medical reports of birth, spontaneous terminations of pregnancy (miscarriages), and death. This will ensure greater consistency among Health Code provisions requiring the approval of the Commissioner or the Commissioner's designee to grant requests to inspect these documents and make it easier to process requests requiring the Commissioner's approval.

2. Section 207.01(a) and 207.01(c) (Correction of records; application and approval; accompanying documents)

The Department proposes to amend Section 207.01(a) of Article 207 of the Health Code to allow the Department, consistent with its current ability to correct confidential medical reports of death, to correct confidential medical reports of birth and confidential medical reports of spontaneous terminations of pregnancy (miscarriages) based on new or corrected information it receives from medical facilities. Furthermore, the Department proposes to remove the reference to deaths occurring on or after January 1, 2010, to be consistent with Section 205.07(a).

The Department also proposes to amend Section 207.01(c) of Article 207 of the Health Code to allow funeral directors and undertakers to make certain corrections to death certificates using the Electronic Death Registration System (EDRS) without first obtaining the Department's approval. This will expedite the processing of death records and burial permits. Funeral directors and undertakers will be able to correct only the name of the funeral establishment or the method, place (e.g., cemetery or crematory), location (e.g., city, state, or foreign country), or date of disposition (e.g., burial, cremation or transport out of the city). To maintain record integrity, the EDRS will not allow funeral directors and undertakers to change fields like date of birth, usual residence (e.g., state, county, city, town, or street number of residence) and Social Security number.

3. Section 207.13 (Fees for vital statistics services)

The Department proposes to amend Section 207.13 of Article 207 of the Health Code to provide specific processes for verifying information contained in birth certificates, death certificates, and certificates of spontaneous termination of pregnancy (miscarriages). The Department is proposing that, in addition to agencies of the City or State of New York, other government bodies, annuity companies, medical providers and attorneys representing estates be able to verify facts contained in the Department's records. Verifications would be provided through the National Association for Public Health Statistics and Information System (NAPHSIS) Electronic Verification of Vital Events (EVVE), and entities seeking verification must be authorized users of the system.

Statutory Authority

These amendments to the New York City Health Code ("the Health Code") are promulgated pursuant to Sections 558 and 1043 of the New York City Charter ("the Charter"). Section 558 of the Charter empowers the Board of Health ("the Board") to amend the Health Code and to include in the Health Code all matters to which the authority of the New York City Department of Health and Mental Hygiene ("the Department") extends. Section 1043 grants the Department rulemaking authority.

The proposal is as follows:

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

New material is underlined.

The Commissioner or the Commissioner's designee may, however, approve the inspection of such confidential medical reports for scientific purposes and by the spouse, domestic partner, parent, child, sibling, grandparent or grandchild of the deceased or by the individual identified on the death certificate filed with the Department as the person in control of disposition.

* * * * *

- (c) Notwithstanding subsection (a), upon application of an individual licensed to practice medicine, the Commissioner or the Commissioner's designee may release a certified copy of the confidential medical report of death, or, in his or her sole discretion, provide abstracts of such information, when, and to the extent that:

- (1) a need for the family medical history has been demonstrated, to the satisfaction of the Commissioner or the Commissioner's designee, in order to counsel or to diagnose and/or treat an illness or condition in an individual; and

However, a funeral director or undertaker who has taken control of human remains may, without approval by the Commissioner or the Commissioner's designee, use the Electronic Death Registration System to amend a certificate or confidential medical report of death if the funeral director or undertaker is amending the name of the funeral establishment or the method, place, location, or date of disposition.

MAYOR'S FUND TO ADVANCE NEW YORK CITY

■ NOTICE

The Mayor's Fund is seeking appropriately qualified Community Based Organizations (CBOs) to establish and operate the Connections to Care (C2C) program. The C2C program is funded primarily through a Healthy Futures grant from the Social Innovation Fund of the Corporation for National and Community Service. In C2C, CBOs partner with clinical mental health providers (MHPs) to integrate evidence-based mental health services (treatment, promotion, and/or prevention) into existing programs that serve at-risk populations. The program's goal is to improve mental health and program-related outcomes for low-income (1) expectant mothers and parents of children 0-4; (2) out of school, out of work young adults ages 16-24; and/or (3) unemployed or underemployed low-income working-age adults ages 18 and over receiving workforce development services. In addition, C2C aims to increase access to and utilization of quality mental health care services in order to improve mental health outcomes and CBO programmatic outcomes. Expecting C2C to be a five-year program, the Mayor's Fund anticipates awarding grants to approximately twelve CBOs in New York City. Grant sizes are expected to range between \$100,000 and \$250,000 per year, which are required to be matched 1:1 by non-federal funds (for total annual subgrantee budgets of \$200,000 to \$500,000). For more information, please check this link: on.nyc.gov/cborfp

The Mayor's Fund to Advance New York City (Mayor's Fund) received funding to support a diversity initiative targeting the not for profit cultural community in New York City. The New York City Department of Cultural Affairs (DCLA) launched the Diversity Initiative in January 2015. The purpose of this major initiative is to promote diversity among the leadership, staffs, and audiences of cultural organizations in New York City. This includes a demographic survey of DCLA's nearly 1,000 grantee organizations that will examine race, ethnicity, gender, disability, age, and other factors.

The Mayor's Fund seeks a consultant to develop strategy and execution programming related to DCLA's Diversity Initiative, as further described in the RFP at on.nyc.gov/DiversityInitiativeRFP. The anticipated term of engagement is October 24, 2015 - December 31, 2016.

The budget for this initiative is \$93,000.

LATE NOTICE

FRANCHISE AND CONCESSION REVIEW COMMITTEE

MEETING

NOTICE OF SPECIAL PUBLIC MEETING

PUBLIC NOTICE IS HEREBY GIVEN THAT the Franchise and Concession Review Committee (FCRC) will hold a Special Public Meeting on Wednesday, September 30, 2015 at 2:00 P.M. at 22 Reade Street, Barrish Conference Room, Borough of Manhattan relating to: 1) a proposed change in control of Cemusa NY, LLC ("Franchisee"), which, pursuant to an assignment from Cemusa Inc. (immediate parent of Franchisee), holds a non-exclusive franchise giving it the right to (a) install, operate and maintain bus shelters, automatic public toilets, and public service structures and install and maintain newsstands on the alienable property of the City and (b) sell and place advertising as set forth in the franchise agreement and to derive revenue therefrom. In this transaction, all of the shares of Corporación Europea de Mobiliario Urbano, S.A. (immediate parent of Cemusa Inc.) in Cemusa Inc. would be transferred to JC Decaux North America, Inc., thereby resulting in a change in control of Franchisee (hereinafter referred to as the "2015 Change in Control"); and 2) proposed amendments to the franchise agreement, in the form of an amended and restated franchise agreement ("franchise agreement"), that will modify various sections including but not limited to: (a) an increase in overseas markets for NYC & COMPANY advertising; (b) the elimination of the City's option to return any or all of its share of advertising panels on the Coordinated Franchise Structures (as defined in the franchise agreement) for cash to be paid by the Franchisee to the City; (c) changes to the total number of bus shelters obligated to be installed by the Franchisee, including but not limited to specific bus shelters on 5th Avenue between 34th Street and 59th Street and the right of the City in certain circumstances to reciprocal shelters; (d) the obligation of the City to compensate Franchisee for depreciation of certain bus shelters in the event that an advertising Public Communications Structure or Public Pay Telephone is installed on 5th Avenue between 34th Street and 59th Street; and (e) clarification of the alternative compensation language that confirms the obligation of the Franchisee to exclude the value added tax ("VAT") from computation of the value owed to the City in alternative compensation.

NOTE: Individuals requesting sign language interpreters or any other accommodation of disability at the special public meeting should contact the Mayor's Office of Contract Services, Public Hearing Unit, 253 Broadway, 9th Floor, New York, NY 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE SPECIAL PUBLIC MEETING.
