“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services

Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

HOST HOMES AND WRAPAROUND SERVICES - Demonstration Project - Testing or experimentation is required - PIN#06816D0001 - Due 12-7-15 at 2:00 P.M.

The Administration for Children's services (ACS) intends to do a demonstration project, pursuant to Section 3-01(c) of the Procurement Policy Board Rules, to create a foster home alternative to the Children's Center for older youth. This alternative to placing older youth at the Children's Center involves establishing a collection of "Host Homes" in each borough of the City. Host Homes are safe and well-supported foster homes where older youth can be taken on a 24/7 basis and cared for a period of up to 30 days during which time intensive, individualized planning can occur with the youth and family to determine the next best steps to safety, permanence and stability. ACS seeks to contract with New York Foundling Hospital (NYFH) and Leake and Watts to provide Host Homes.

As a critical element to enhancing stability in the Host Home and providing planning support to the youth, family and Host Home parent, ACS seeks to contract with Youth Advocate Programs, Inc. (YAP) to provide wraparound support to youth and families during periods of acute trauma and stress. YAP is experienced in developing and implementing individualized wraparound support plans, and capable of collaboratively developing such plans in conjunction with ACS and other team members within 48 hours of a youth's placement in a Host Home. Specially trained YAP staff will offer an average of 15 hours a week of direct, in-home support during and after the planning period, potentially extending that support to the youth's home in the event of reunification, or to a foster home setting for up to six months to enhance stability and success.

Any vendor which believes that they can provide either of the required services is invited to express their interest by reviewing the scope of services that can be downloaded from the ACS Web-site, www.nyc.gov/acs and submitting an application via e-mail.
