“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

PUBLIC HEALTH DIVERSION CENTERS - Demonstration Project - Other - PIN# 81616D0003 - Due 1-14-16 at 2:00 P.M.

DOHMH intends to award up to two (2) contracts to not-for-profit organizations to provide new Public Health Diversion Centers. The Public Health Diversion Centers will provide culturally and linguistically appropriate clinical, shelter, care linkage, and neighborhood response services to individuals referred by the police, or other entities if referral sources are expanded in the future. The proposed approach seeks to break the cycle of multiple arrests and short jail stays by intervening pre-arrest and diverting individuals with mental health or behavioral health issues facing arrest on a violation infraction (or "at risk") to a Center focused on providing stabilization services/treatment and other needed services. DOHMH has preliminarily identified two qualified organizations to pilot these Public Health Diversion Centers:

1. The Bowery Resident's Committee, Inc. (BRC)
2. Project Renewal, Inc.

Vendors who believe they can provide these services are welcome to submit an expression of interest via email to jsalome@health.nyc.gov no later than 1/14/2016 by 2:00 P.M.

These services cannot be reasonably acquired for evaluation through a competitive solicitation and there are other potential advantages to the City experimenting with this approach
