"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full

advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

ACS FACILITIES ENHANCEMENT - Demonstration Project - Testing or experimentation is required - PIN#06816D0002 - Due 2-26-16 at 3:00 P.M.

The Administration for Children's Services ("ACS") seeks to test a unique and innovative approach at select service centers where design is used to enhance the environment and improve the client-staff experience. Through a Demonstration Project, ACS will evaluate the impact that design has on the client-staff experience and effectiveness of ACS's services. If successful, the Demonstration Project will allow ACS the opportunity to develop requirements and criteria for extending the nature of this work, thus creating a platform for ACS to utilize the results in obtaining additional funding inside and outside the City. The project outcomes anticipated are: A more welcoming, calming, and uplifting environment in our service centers that reduces stress and encourages clients to move forward; a more productive work environment that takes into account our staff's needs; replicable and transferable elements; better and consistent messaging and branding that extend beyond the service centers; deeper connections and collaborations with our city partners, service providers, and community leaders; and design interventions that extend into the neighborhoods, facilities, homes where children spend a majority of their time (school, afterschool, home, day care centers).

ACS will engage Biber Architects to perform this work pursuant to Section 3-11 of the Procurement Policy Board Rules as the firm has knowledge, experience, and the capacity to work across boundaries. It is adept at formal and informal conversations from high level and frontline staff to clients and community leaders. Biber Architects plan of action will entail working with ACS leadership teams chosen for the pilot to identify key neighborhoods, ACS sites, and service providers ripe for partnering and open to new types of interventions; honing in via site visits and interviews with staff, clients, service providers, and community leaders to understand the key challenges and conditions that confront "sites" selected for the initiative; developing a menu of options that will assist ACS in understanding potential interventions; and presenting results and making project recommendations to ACS senior staff and leadership, and testing key interventions at select sites.

Suppliers may submit Expression of Interest to provide the services outlined in this Notice of Intent to pursue a Demonstration Project by completing the Expression of Interest Application found by following the link: <http://www1.nyc.gov/site/acs/about/doing-business-acs.page> and then viewing "Current ACS business opportunities."

Completed Expression of Interest Applications should then be emailed to AdminContractsRFI@acs.nyc.gov no later than 3:00 P.M. on Friday, February 26, 2016. Alternatively, applications to Express Interest can be obtained by contacting Olugbenga Ajala (AJ) at olugbenga.ajala@acs.nyc.gov or Doron Pinchas at doron.pinchas@acs.nyc.gov.

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E70, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.
