**PUBLIC NOTICE
URBAN DEVELOPMENT ACTION AREA PROJECT**

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Brooklyn:

Address	Block/Lot(s)
331 Ralph Avenue	1556/7
329 Ralph Avenue	1556/8

Under the New Infill Homeownership Opportunities Program (NIHOP), HPD promotes the new construction of one- to three-family homes, and small buildings with condominium and cooperative units, to foster mixed-income communities by providing affordable homeownership opportunities targeted to New York City's workforce community.

Under NIHOP, housing development fund company sponsors purchase City-Owned land for one dollar per tax lot and construct one- to three-family homes, or buildings containing condominium or cooperative units. The sponsor also delivers a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides tax exemption for the homes.

Upon completion of a cooperative project, the sponsor sells the units to eligible purchasers who have agreed to owner-occupy for a minimum of 20 years. The Land Debt and City Subsidy will be allocated to cooperative units, will evaporate with respect to each unit over 20 years of owner-occupancy in accordance with a formula determined by HPD, and will be repayable out of resale or refinancing profits.

HPD has designated Ralph Avenue I Housing Development Fund Corporation ("Sponsor") as qualified and eligible to purchase and redevelop the Disposition Area under the New Infill Homeownership Opportunities Program. HPD proposes to sell the Disposition Area to the Sponsor at the nominal price of one dollar per tax lot. Upon conveyance, the Sponsor will also deliver a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). The Sponsor will then construct two four-unit buildings containing a total of 8 new cooperative units for sale to low income purchasers.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on June 8, 2016, at 1 Centre Street, Manhattan, Mezzanine at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. **PUBLIC NOTICE
URBAN DEVELOPMENT ACTION AREA PROJECT**

Pursuant to Section 695(2)(b) of the General Municipal Law and Section

1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Brooklyn:

Address	Block/Lot(s)
716 Lafayette Avenue	1791/17
718 Lafayette Avenue	1791/18
720 Lafayette Avenue	1791/19
494 Gates Avenue	1814/15
461 Tompkins Avenue	1852/9
463 Tompkins Avenue	1852/8
633 Madison Street	1641/68

Under the New Infill Homeownership Opportunities Program (NIHOP), HPD promotes the new construction of one- to three-family homes and small buildings with condominium and cooperative units to foster mixed-income communities by providing affordable homeownership opportunities targeted to New York City's workforce community.

Under NIHOP, housing development fund company sponsors purchase City-Owned land for one dollar per tax lot and construct one- to three-family homes or buildings containing condominium or cooperative units. The sponsor also delivers a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides tax exemption for the homes.

Upon completion, the sponsor sells the homes to eligible purchasers who have agreed to owner-occupy for a minimum of twenty years. The Land Debt and City Subsidy, if any, are apportioned pro rata to each home and may be unsecured at the time of sale based on the home's post-construction appraised value. Purchasers repay the Land Debt and City Subsidy, if any, attributable to their homes by delivering a note and a mortgage and/or conditional grant agreement to the City. The sum evidenced by the note and secured by the security instruments will be reduced to zero after twenty years of owner occupancy. Initial purchasers and subsequent owners are required to make payments to the City out of resale or refinancing profits.

This submission is a proposed amendment ("Amended Project") to a project previously approved by the Mayor on July 16, 2008 (Cal. No. 1) ("Original Project"). The Amended Project changes the name of the Sponsor from NYC Partnership Housing Development Fund Company, Inc. to Restored Homes Housing Development Fund Corporation, changes the program from the New Foundations Program to the New Infill Homeownership Opportunities Program and substitutes three vacant lots in the Disposition Area that are currently Green Thumb gardens (Block 1791/Lots 62, 63, 64) with three alternate lots (Block 1852/Lots 9 and 8 and Block 1641/Lot 68), but is otherwise the same as the Original Project.

Under the Amended Project, which consists of the Disposition Area and the privately-owned lots located at Block 1795/Lot 15, Block 1801/Lot 8 and Block 1789/Lot 80 (collectively, "Project Area"), Restored Homes Housing Development Fund Corporation ("Sponsor") will purchase the Disposition Area under the New Infill Homeownership Opportunities Program. HPD proposes to sell the Disposition Area to the Sponsor at the nominal price of one dollar per tax lot. Upon conveyance, the Sponsor will also deliver a note and mortgage for the difference between the appraised value of the land and the purchase price.

("Land Debt"). The Sponsor will then construct up to 10 new 2-family homes on the Project Area, containing a total of up to 20 dwelling units for sale to low income purchasers.

The Land Debt and City Subsidy, if any, will be apportioned pro rata to each home and may be unsecured at the time of sale based on the home's post-construction appraised value. Purchasers will repay the Land Debt and City Subsidy, if any, attributable to their homes by delivering a note and mortgage and/or conditional grant agreement to the City. The sum evidenced by the note and secured by the security instruments will be reduced to zero after twenty years of owner occupancy. Initial purchasers and subsequent owners will be required to make payments to the City out of resale or refinancing profits.

Under the New Infill Homeownership Opportunities Program (NIHOP), HPD promotes the new construction of one- to three-family homes and small buildings with condominium and cooperative units to foster mixed-income communities by providing affordable homeownership opportunities targeted to New York City's workforce community.

Under NIHOP, housing development fund company sponsors purchase City-owned land for one dollar per tax lot and construct one- to three-family homes or buildings containing condominium or cooperative units. The sponsor also delivers a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides tax exemption for the homes.

Upon completion, the sponsor sells the homes to eligible purchasers who have agreed to owner-occupy for a minimum of twenty years. The Land Debt and City Subsidy, if any, are apportioned pro rata to each home and may be unsecured at the time of sale based on the home's post-construction appraised value. Purchasers repay the Land Debt and City Subsidy, if any, attributable to their homes by delivering a note and a mortgage and/or conditional grant agreement to the City. The sum evidenced by the note and secured by the security instruments will be reduced to zero after twenty years of owner occupancy. Initial purchasers and subsequent owners are required to make payments to the City out of resale or refinancing profits.

HPD has designated NYC Partnership Housing Development Fund Company, Inc. ("Sponsor") as qualified and eligible to purchase and redevelop the Disposition Area under the New Infill Homeownership Opportunities Program. HPD proposes to sell the Disposition Area to the Sponsor at the nominal price of one dollar per tax lot. Upon conveyance, the Sponsor will also deliver a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). The Sponsor will then construct up to nine new 2-family and four new 3-family homes containing a total of up to 30 dwelling units for sale to low income purchasers.

The Land Debt and City Subsidy, if any, will be apportioned pro rata to each home and may be unsecured at the time of sale based on the home's post-construction appraised value. Purchasers will repay the Land Debt and City Subsidy, if any, attributable to their homes by delivering a note and mortgage and/or conditional grant agreement to the City. The sum evidenced by the note and secured by the security instruments will be reduced to zero after twenty years of owner occupancy. Initial purchasers and subsequent owners will be required to make payments to the City out of resale or refinancing profits.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on June 8, 2016, at 1 Centre Street, Manhattan, Mezzanine at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253

Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. TDD users should call Verizon relay services.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board

Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

NYC HEALTH AND HOSPITALS FEMA PRIORITY MITIGATION PROJECTS FOR THE PROVISION OF CONSTRUCTION CONTRACTOR SERVICES - Request for Qualifications - PIN#6251-0000 - Due 6-29-18 at 4:00 P.M.

New York City Economic Development Corporation (NYCEDC) is seeking qualified firms to construct infrastructure and resiliency improvements at four NYC Health and Hospitals (H plus H) facilities: Bellevue Hospital (Manhattan), Coler Rehabilitation and Nursing Care Center (Roosevelt Island), Coney Island Hospital (Brooklyn) and Metropolitan Hospital (Manhattan). In October 2012, each facility suffered extensive flood damage as a result of Hurricane Sandy. Since then, each hospital has temporarily restored the damaged areas and, working with the Federal Emergency Management Agency ("FEMA"), have developed plans to mitigate damage from future storms and flooding.

NYCEDC, as the lead of an interagency team, is now focused on completing priority mitigation projects at these four facilities. This initial work will make existing facilities more resilient and protect against future disasters. Once complete, these initial projects will further the City's resiliency goals and ensuring that these public hospitals have the necessary safeguards in place to operate during a storm and mitigate damage and power loss.

NYCEDC is seeking qualifications for the following types of construction contractors:

- Concrete Contractors •Abatement Contractors •Demolition Contractors •Electricians •Plumbers •Elevator Contractor
- Scaffolding/Sidewalk bridge •Mechanical – HVAC • Fire Protection
- Masonry •Site/Civil Work •Low voltage electrician •Site Fencing
- Painting •Carpentry •MEP Insulation •Steel Work •Roofing and Waterproofing •Spray on Fire Proofing •Tile Work •Flooring
- Windows •General Contractors

NYCEDC plans to prequalify firms on the basis of factors stated in the RFQ which include, but are not limited to: the firm's demonstrated experience and expertise in the particular trade for which the firm is submitting its qualifications; the firm's record regarding accidents and lost work days on construction projects; and the firm's resources available for the Project.

NYCEDC and H plus H will be contracting with multiple design and engineering firms for all contract documents associated with the Services. The Construction Management firm (CM) will provide construction management services for the Project, including holding all construction subcontracts for the Project.

NYCEDC anticipates that initial projects will be procured in Q3 2016. Design packages will continue to be completed and released periodically with final projects' anticipated completion early 2020. NYCEDC will issue advertisements in The City Record and provide a notice on EDC's procurement website (www.nycedc.com/RFP) of forthcoming design packages to be issued by the CM. Once NYCEDC posts an advertisement for a forthcoming design package, firms will have 30 days to provide their qualifications in order to be considered for the prequalified list of firms who will receive the bid package from the CM. Note that if a firm has already submitted qualifications they should not resubmit their qualifications.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (M/WBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives.

The H plus H FEMA Priority Mitigation Projects have a Minority and Women Owned Business Enterprises ("M/WBE") participation goal of 35 percent. Companies who have been certified with the Empire State Development's Division of Minority and Women's Owned Business Development as M/WBE are strongly encouraged to apply to this RFQ. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit <http://www.nycedc.com/opportunitymwdbe>.

An optional information session will be held on Thursday, May 12, 2016 at 11:00 A.M. at NYCEDC. Those who wish to attend should RSVP by email to HHCPMPRFQ@edc.nyc on or before May 11, 2016.

Respondents may submit questions and/or request clarifications from NYCEDC on an ongoing basis. Questions regarding the subject matter of this RFQ should be directed to HHCPMPRFQ@edc.nyc. Answers to all questions will be posted no later than 2 weeks from receipt of the question, to www.nycedc.com/RFP.

When submitting responses, please provide four (4) hard copies and four (4) electronic USB flash drives of your statement of qualifications.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
