Under HPD's Brooklyn Nehemiah Program, a housing development fund company formed by East Brooklyn Congregations Sponsoring Committee, Inc. purchases City-Owned vacant land and constructs one-family homes, two-family homes, and condominiums/cooperatives in order to provide affordable homeownership opportunities. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD. The newly constructed buildings provide homeownership housing to low-income families. The City provides tax exemption for the homes pursuant to Section 696 of the General Municipal Law.

Under the proposed project, the City will sell the Disposition Area to Nehemiah Spring Creek Affordable Homeownership Housing Development Fund Company, Inc. ("Sponsor") for the nominal price of one dollar per home. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). A portion of the Land Debt for the homes may be forgiven or unsecured based on the homes' post-construction appraised value. The Sponsor will then construct up to 56 one-family and 27 two-family homes, containing a total of up to 110 dwelling units, for sale to eligible purchasers.

The appraisal and the proposed Land Disposition Agreement are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on June 22, 2016 at 1 Centre Street, Manhattan, Mezzanine at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all

Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

PUBLIC HEALTH DIVERSION CENTERS - Negotiated Acquisition - Other - PIN# 17AZ007400R0X00 - Due 5-27-16 at 2:00 P.M.

The Department is soliciting Expressions of Interest for the operation of Public Health Diversion Centers (PHDCs). The goal of the PHDC initiative is to re-direct people with behavioral health issues interacting with Police, but posing no current community risk, to community-based services in lieu of arrest and prosecution. The Center will support NYC's multi-pronged approach aimed at moving New Yorkers with mental health and/or behavioral health issues out of the criminal justice system.

DOHMH anticipates awarding up to two contracts for these services and will give preference to one contract for a Center in Manhattan, and one contract for a Center in the Bronx. However, DOHMH will consider applications to serve other areas. DOHMH anticipates that contracts will begin no earlier than Fall 2016. It is anticipated that each contract will be five years in duration, with a five year option to renew, subject to availability of funding.

The PHDCs will accept referrals from defined NYPD precincts providing a 24-hour-a-day, 7-day-a-week, pre-arrest diversion option to individuals 18 years or older, regardless of gender and citizenship status. Referrals will be made via NYPD drop-off at the Center, but the person may decline the referral, in which case the police may choose to proceed with alternative responses. If an individual agrees to referral and is engaged by the Center, there will be no further law enforcement involvement, even if the individual leaves the Center prior to having all identified needs met (i.e. full engagement in services).

Each PHDC will serve approximately 1,200 (note: subject to change based on NYPD drop off patterns and the City reserves the right to expand referrals to non-NYPD sources) during the first contract year, with incremental increases over subsequent contract years through culturally competent services, in a safe environment, that should include the following:

- Health/behavioral health screening and assessment, medically supervised substance use withdrawal services, counseling service, short term case management and linkage to on-going care, health insurance and income support assistance, peer services, overnight shelter, food, showers, laundry, community outreach component, desk appearance ticket assistance, well-trained on-site security.

Vendors interested in providing these services should submit a letter containing an expression of interest and statement of relevant experience. The letter should be no more than 2 pages long, and it should be addressed to the contact person named below. The Negotiated Acquisition solicitation document will be available to access online at <http://www1.nyc.gov/site/doh/business/opportunities/contracting-opportunities.page> or for pick up at the address listed, between the hours of 10:00 A.M. and 4:00 P.M. on weekdays only. DOHMH intends to enter into a Sole Source contract with Alere North America Inc. for the purchase of Alere Determine HIV-1/2 Ag/Ab Combo Tests and Alere Determine HIV-1/2 Combo Controls Kits. These combo test kits will be utilized in DOHMH's Sexually Transmitted Disease Clinics in New York City for rapid results of detecting both HIV antigen and antibody, acute and early HIV infections, as well as established HIV infections. Early detection of HIV-1 infection will support DOHMH's mission to intervene and reduce onward transmission of HIV. This Determine Combo can detect HIV infections in plasma specimens one to two weeks earlier than other HIV rapid tests. DOHMH has determined that Alere North America, Inc. is the sole supplier of the Determine HIV-1/2 Ag/Ab Combo test kits, and they exclusively sell and distribute these products to Public Health Markets, Health Departments, and STD Clinics. The Alere Determine Combo is the only FDA-approved CLIA-waived rapid combo HIV antigen/antibody test. The duration of this contract will be for 5 years, with two 2-year options to renew.
