BOROUGH PRESIDENT - BROOKLYN

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Sections 197-c of the New York City Charter, Brooklyn Borough President, Eric L. Adams will hold a public hearing on the following matters in the courtroom of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M. on Thursday, July 28, 2016.

Calendar Item 1 — 160377 ZRK

An application has been submitted by Brooklyn Community Board 10, pursuant to Section 201 of the New York City Charter, for an amendment of the New York City Zoning Resolution, concerning Section 73-622 (Enlargements of single- and two-family detached and semi-detached residences), in Brooklyn Community District 10 (CD 10). The text amendment proposes to remove CD 10 from the aforementioned Board of Standards and Appeals (BSA) special permit. The special permit currently applies to three full community districts in Brooklyn: CD 10, CD 11, and CD 15; and a specific R2 district in CD 14. Approval of such actions would not facilitate a specific project, or include any new development. Approval of such action would no longer permit the filling for or approval of applications for the special permit for enlargements of single- and two-family homes within CD 10, instead requiring enlargements to adhere to the as-of-right residential zoning regulations, or rely on pre-established remedies (such as ZR 72-21 BSA variance or an alternative BSA special permit pursuant to ZR 73-621, enlargement, extension, or conversion of building containing residential uses, limited to 10 percent increase of permitted floor area and lot coverage and/or 10 percent decrease of open space ratio.)

Calendar Item 2 — 150360 ZMK and 160379 ZRK

Applications have been submitted by 14-18 Carroll LLC, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 16a, changing from an M1-1 district to an R6B district, the property at 14 – 18 Carroll Street, in Columbia Street Waterfront District neighborhood in Brooklyn Community District 6 (CD 6). Such actions would extend an existing

neighboring R6B district for an envisioned new 10-unit, four-story residential development, of a currently vacant site, and establish a Mandatory Inclusionary Housing (MIH) area coterminous with the rezoning area, with payment into the City's affordable housing fund for intended use in CD 6.

Note: To request a sign language interpreter, or to request Telecommunication Device for the Deaf (TDD) services, contact Land Use Coordinator Olga Chernomorets at (718) 802-3751 or ochernomorets@brooklynbp.nyc.gov prior to the hearing.

Enclosed parking spaces, or parking spaces covered by a #building#, including such spaces #accessory# to #residences#, shall be permitted to occupy the ground floor, provided they are located beyond 30 feet of the #street wall#.

For any #development# or #enlargement# that includes a ground floor #street wall#, each ground floor #street wall# occupied by #uses# listed in Use Groups 1 through 15, not including #dwelling units#, shall be glazed with transparent materials which may include #show windows#, transom windows or glazed portions of doors. Such transparency shall occupy at least 50 percent of the surface area of that portion of the ground floor #street wall# located between a height of two feet and twelve feet, or the height of the ground floor ceiling, whichever is higher, above the level of the adjoining sidewalk. The lowest point of any such required transparency shall not be higher than four feet above the level of the adjoining sidewalk, with the exception of transom windows, and the minimum width of any such required transparency shall be two feet. In addition, the maximum width of a portion of the ground floor #street wall# without transparency shall not exceed ten feet. However, the transparency requirements of this Section shall not apply to that portion of the ground floor level #street wall# occupied by an entrance to a parking facility.

42-486
Authorization for modification of streetscape provisions

For #zoning lots# that have a #street# frontage of less than 75 feet, where entrances or exits to off-street parking or loading facilities are located along such #street# frontage, the City Planning Commission may modify the dimensions of the frontage and depth requirements for ground floor #commercial uses# set forth in Section 42-485 (Streetscape provisions), provided that the Commission finds that such modifications:

- (a) are necessary to provide sufficient space for access to off-street parking or loading facilities; and
(b) will not adversely affect the streetscape experience or impact the viability of such #uses#, and the resulting ground floor frontages will effectively contribute to a vibrant mixed-use district.

In addition, written statements may be submitted to the Department of City Planning at the address stated below, provided the comments are received by 5:00 P.M. on July 27, 2016:

New York City Department of City Planning
Office of the Counsel
120 Broadway, 31st Floor
New York, NY 10271
Attention: Calvin Rodman

Written comments received and a tape recording of oral comments received at the hearing will be available for public inspection within a reasonable time after receipt between the hours of 9:00 A.M. and 5:00 P.M. at the Freedom of Information Law Desk, 120 Broadway, 31st Floor, telephone number (212) 720-3208.

The purpose of the hearing is to provide the public with an opportunity to comment on the proposed rule set forth herein.

Section 1. Chapter 4 of Title 62 of the Rules of the City of New York is proposed to be REPEALED and a new Chapter 4 is proposed to be added, to read as follows:

Title 62: Department of City Planning
Chapter 4: Procedures for New York City Waterfront Revitalization Program (WRP) Consistency Review by the City Coastal Commission and the Department of City Planning

§4-01 Applicability.

This chapter sets forth the procedures applicable to the review of actions located in the New York City Coastal Zone by the City Planning Commission (the Commission), in its capacity as the City Coastal Commission (CCC), and by the Department of City Planning (the Department) as provided in the WRP. Three separate categories of actions are subject to such review process:

- (a) Local discretionary actions that are classified as Type 1 or Unlisted pursuant to the

- (b) State Environmental Quality Review Act (SEQRA) or City Environmental Quality Review (CEQR);
(c) State actions that are subject to WRP consistency review by the relevant state agency pursuant to the applicable laws and regulations referenced in subdivision b of Section 4-03 of this chapter;
(d) Federal direct actions, permit and license actions, and financial assistance actions that are subject to WRP consistency review by the New York State Department of State (DOS) for the relevant Federal agency pursuant to the applicable laws and regulations referenced in Subdivision b of Section 4-03 of this chapter.

The Department's or the CCC's review of State and Federal actions, as referenced herein, is advisory and for the purpose of consultation in accordance with State and Federal laws and regulations.

§4-02 CCC and Department Review.

As the administrator of the WRP with the CCC, the Department will be responsible for coordinating all WRP consistency reviews. The Department will evaluate all actions covered by Section 4-01 of this chapter to determine which warrant CCC review, in accordance with the criteria set forth in this section. The Department will review all actions covered by this chapter that do not warrant CCC review. The CCC will review:

- (a) Local actions that are subject to Commission approval pursuant to the Uniform Land Use Review Procedure (ULURP) or other provision of the City Charter, including those for which the Commission is the designated CEQR lead agency; and
(b) Local, State or Federal actions which, in the Department's view, would substantially hinder the achievement of one or more policies or purposes of the WRP.

§4-03 Reviews for Consistency with the WRP.

- (a) Local actions. Except as provided in section 4-04(a) of this chapter, no CEQR lead agency may make a final decision to approve an action unless and until such agency, or the CCC when the lead agency is the Commission, finds that such action will not substantially hinder the achievement of any WRP policy and determines that the action is consistent with the WRP, in accordance with the standards set forth in the WRP and with CEQR Technical Manual guidelines for conducting a WRP consistency assessment. When the lead agency is other than the Commission, the Department must concur with such finding.
(1) Local actions subject to Commission approval. The CCC's review of actions for consistency with the WRP is incorporated into the Commission's existing review procedures pursuant to ULURP or other provision of the Charter, or pursuant to CEQR.
(2) Local actions not subject to Commission approval.
(i) The CEQR lead agency shall provide the Department with its draft Environmental Impact Statement (EIS) or draft Environmental Assessment Statement (EAS), whichever is applicable, containing the agency's draft WRP consistency assessment, at the earliest possible date, and in no event less than thirty (30) days before issuance of a Negative Declaration, a Conditional Negative Declaration or, if the agency has prepared a draft EIS, a Notice of Completion. The Department may request additional information to assist in the evaluation of the proposed action, which the agency shall promptly provide.
(ii) Within thirty (30) days of receipt of the lead agency's draft WRP consistency assessment, the Department will notify the lead agency as to whether the Department concurs or does not concur with the proposed consistency determination and will provide written comments on the assessment, if any.
(iii) When the lead agency has prepared an EAS, if the Department is properly notified of such agency's consistency assessment and determination and does not respond to such agency in writing within thirty (30) days of receipt, the lead agency may deem its consistency determination to have been accepted by the Department.
(b) State and Federal actions. The coordination of the Department's or the CCC's review of State and Federal actions with the relevant state agency and DOS, respectively, including review periods and the procedures for transmission

of comments and findings, shall be in accordance with the relevant State and Federal laws and regulations, including Article 42 of the New York State Executive Law (§§910 through 922) and 16 U.S.C. §§ 1451 et seq, respectively, and shall follow the guidelines for notification and review of Federal and State actions, which are appended to the WRP.

- c) For all actions, where an inconsistency with one or more policies or purposes of the WRP has been identified, the Department or the CCC, as applicable, may recommend alternatives or modifications to the action or mitigation measures in order to avoid or minimize the inconsistency. If, in the Department's or the CCC's view, an inconsistency presents a substantial hindrance to the achievement of one or more policies or purposes of the WRP, the provisions of Section 4-04 shall apply.
- d) Public Notice. All actions will be subject to any applicable procedures for public notice for the action under review. There are no additional public notice or participation requirements pursuant to this chapter.

§4-04 Substantial Hindrance to the WRP.

- a) Local actions.
 - (1) Local actions subject to Commission approval. The Commission may not approve an action that will substantially hinder the achievement of one or more policies or purposes of the WRP, unless, in its capacity as the CCC, it makes the following four findings:
 - i. No reasonable alternatives exist which would permit the action to be taken in a manner which would not substantially hinder the achievement of such policy;
 - ii. The action taken will minimize all adverse effects on such policies to the maximum extent practicable;
 - iii. The action will advance one or more of the other coastal policies; and
 - iv. The action will result in an overriding local or regional public benefit.
 - (2) Local actions not subject to Commission approval. A CEQR lead agency may not approve an action that will substantially hinder the achievement of one or more policies or purposes of the WRP unless it makes the four findings in paragraph 1 of this subdivision with the concurrence of the CCC.

Where the findings set forth in Paragraph 1 of Subdivision b are met, the action shall be deemed consistent with the WRP.
- b) State and Federal actions. The CCC shall provide an advisory determination as to whether, the four findings set forth in Paragraph 1 of Subdivision b are met. The Department shall transmit the CCC's findings to the relevant state agency or DOS for the purpose of consultation in accordance with the WRP and applicable State and Federal laws, regulations and published guidelines, as referenced in Subdivision b of Section 4-03 of this chapter.

Statement of Basis and Purpose of Proposed Rule

The Federal Coastal Zone Management Act (16 U.S.C., CZMA) was enacted by Congress on October 27, 1972 to encourage coastal states to develop comprehensive programs to manage and balance competing uses of and impacts to coastal resources. New York State developed and received approval of its Statewide Coastal Management Program (CMP) in 1982. Article 42 of the Executive Law, entitled Waterfront Revitalization of Coastal Areas and Inland Waterways is the main statute that implements the State CMP by establishing the:

- Boundaries of the Coastal Area within which the CMP applies;
- Statewide policies that would be enforceable on all State agencies which address significant coastal issues and manage resources along the State's coastline;
- Authorization for localities to prepare and adopt local waterfront revitalization programs which in turn, would provide more detailed implementation of the State's Program.

New York City adopted a local waterfront revitalization program (WRP), to more specifically define the New York City Coastal Zone Boundary and local coastal area management policies pursuant to which applicable Local, State and Federal projects or actions within the Coastal Zone must be reviewed for consistency. Section 192(e) of the City Charter (Charter) provides that the City Planning Commission (the Commission) "shall oversee implementation of laws that require environmental reviews of actions taken by the city" and that the Commission "shall establish by rule procedures for environmental reviews of proposed actions by the city where such reviews are required

by law." Section 191(b)(2) of the City Charter provides that the director of the Department of City Planning (the Department) shall "provide staff assistance to the City Planning Commission in all matters under its jurisdiction." The WRP designates the City Planning Commission as the City Coastal Commission (CCC), which is, with the Department, responsible for administering the WRP for New York City.

The Department, on behalf of the Commission, is proposing to amend Chapter 4 (City Coastal Commission Procedures) of Title 62 of the Rules of the City of New York (Rules) pursuant to its authority under Sections 191(e) and 191(b)(2) of the New York City Charter. The purposes of the proposed amendments may generally be described as follows:

- (1) make the rule consistent with State procedures in terms of the local discretionary actions to which it applies;
- (2) streamline the threshold for when the Department will refer State and Federal actions to the CCC for review, which threshold shall also be applied to local actions that do not otherwise come before the Commission;
- (3) reestablish and clarify the role of the Department and CCC in local actions subject to City Environmental Quality Review (CEQR) but not subject to Commission approval;
- (4) and remove from the existing rule outdated references and other provisions regarding internal or inter-agency procedures.

Specifically, the proposed amendments will ensure that the Department or the CCC reviews all local discretionary actions located within the Coastal Zone as provided in the WRP, for their consistency with the WRP. In addition, because under the current rule there are some local discretionary actions which require Commission approval but which are not subject to CEQR, the proposed rule clarifies that the local discretionary actions subject to WRP review only include those classified as Type I or Unlisted under the State Environmental Quality Review Act (SEQRA) and, thus, subject to CEQR, consistent with the intent of the WRP as well as State practice in terms of how it undertakes WRP consistency reviews of its actions subject to SEQRA. Also, as provided in the WRP and as reflected in the existing rule, the Department or the CCC will continue to provide an advisory analysis of State and Federal actions which are subject to State or Federal consistency review using the coastal policies in the WRP by the relevant state agency or the New York State Department of State (DOS) or the relevant Federal agency, and will convey any related comments and findings to the state agency or DOS for the purpose of consultation, in accordance with relevant State and Federal laws and regulations.

Also, there are currently four thresholds in the existing rule for Federal and State actions which, if met, require review by the Commission, as CCC, and the Department reviews all others. These thresholds are proposed to be streamlined into a single threshold for Federal and State actions, as well as for local actions that do not otherwise come before the Commission for approval. Actions that the Department believes present a substantial hindrance to one or more policies of the WRP must be referred to the Commission, as CCC. When a substantial hindrance has been identified, local actions may not be approved unless or until the CCC finds, or concurs with the CEQR lead agency's finding, that the following four requirements, as set forth in the approved WRP, are met:

- (1) no reasonable alternatives exist that would permit the action to be taken in a manner which would not substantially hinder the achievement of such policy;
- (2) the action taken will minimize all adverse effects on such policies to the maximum extent practicable;
- (3) the action will advance one or more of the other coastal policies; and
- (4) the action will result in an overriding local or regional public benefit.

Such finding shall constitute a determination that the action is consistent with the WRP. With respect to State and Federal actions, the Department will transmit the findings of the CCC to the relevant state agency for state consistency and DOS for Federal consistency for the purpose of consultation.

The proposed rule also adds references to State and Federal regulations to ensure that the inter-agency coordination of WRP consistency review, including the resolution of conflicts, occurs in accordance with those regulations and any applicable guidance, such as the guidelines for notification and review of Federal agency and New York State agency actions appended to the approved WRP. Finally, any provisions regarding intra-agency coordination between the Department and the CCC and other "in-house" standards are proposed to be removed from the rule, and references to the no longer extant Board of Estimate are proposed to be removed.

PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and

women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

■ VENDOR LIST

Construction/Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained on-line at: <http://a856-internet.nyc.gov/nycvendoronline/home.asap.>; or <http://www.nycgovparks.org/opportunities/business>

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage

of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor New York, NY 10007.

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

Notice of a Concept Paper

In 2015, Mayor de Blasio announced the City would create and preserve 10,000 units of senior housing, supported by a \$400M capital investment as well as Section 8 vouchers. New senior housing projects developed under the Department of Housing Preservation and Development's (HPD) new Senior Affordable Rental Apartments (SARA) program began construction in 2015. To help these seniors successfully live independently, HRA will contract for social services to be delivered to the seniors residing in SARA units, with particular emphasis on supporting the seniors living in the homeless set aside units. The contractor will provide staff to deliver onsite services in SARA developments. These services, referred to as the SARA Service Programs, or SARA SPs, will be targeted to low-income residents age 62 and over and are structured to promote housing stability and healthy aging in place for low-income seniors living independently in SARA buildings.

The concept paper has been posted on the Agency's website at www.nyc.gov/hra/contracts.

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

**OFFICE OF MANAGEMENT AND BUDGET (NYCOMB)
New York City Economic Development Corporation (NYCEDC)**

COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER RECOVERY (CDBG-DR)

NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

REQUEST FOR RELEASE OF FUNDS

On or about August 2, 2016, the City of New York (the City) anticipates submitting a request to the U. S. Department of Housing and Urban Development (HUD) for the release of CDBG-DR funds authorized by the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2) to undertake the construction of Resilient Power Hubs in the borough of Brooklyn in New York City as part of the Resiliency Innovations for a Stronger Economy (RISE) program. The New York City Economic Development Corporation (NYCEDC) proposes to construct Resilient Power Hubs, in flood prone areas of Brooklyn. Resilient Power Hubs use a combination of three main power generation devices—a micro-Combined-Heat-and-Power plant, a solar photovoltaic panel array, and an energy storage battery system—to provide back-up power to increase the resiliency of these businesses and reduce grid electricity use. Estimated CDBG-DR funding will total \$2,892,350.

CATEGORICAL EXCLUSION SUBJECT TO SECTION 58.35

In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for HUD funded activities, the construction of Resilient Power Hubs in New York City has been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The project identified above does not involve new construction or the expansion of a building's footprint. The following are specific businesses and their respective locations proposed for Resilient Power Hub installation: Banner Properties, LLC, located at 2715 West 15th Street in Coney Island, NY; and 284 Van Brunt, LLC, located at 284 Van Brunt Street and LTD Machine Shop/Dwight Street Acquisitions, located at 163 Dwight Street in the Red Hook neighborhood. Additional project information is contained in the Environmental Review Record (ERR) and Categorical Exclusion documentation on file with Mr. Calvin Johnson, Assistant Director, CDBG- Disaster Recovery, New York City Office of Management and Budget, 255 Greenwich Street, 7th Floor, New York, NY 10007, (212) 788-6024 and may be examined or copied on weekdays between 10:00 A.M. and 5:00 P.M. The documents may also be found at http://www.nyc.gov/html/cdbg/html/environmental_notices/environmental_notices_business.shtml.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments to NYCOMB at the address listed above. All comments received by close of business on August 1, 2016 will be considered by NYCOMB prior to requesting the release of funds. Those wishing to comment should specify which part of this Notice they are addressing.

RELEASE OF FUNDS

NYCOMB certifies to HUD that Dean Fuleihan in his capacity as Certifying Officer of the CDBG-DR Program consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows NYCOMB to use CDBG-DR funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will consider objections to its release of funds and NYCOMB's certification for a period of fifteen days following its actual receipt of the request only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYCOMB; (b) NYCOMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to: Tennille Parker, Disaster Recovery and Special Issues Division, Office of Block Grant Assistant, HUD, 451 7th Street South West, Room 7272, Washington, DC 20410. Potential objectors should contact HUD to verify the actual last day of the objection period.

City of New York: Bill de Blasio, Mayor
 Dean Fuleihan, Director of Management and Budget, Office of Management and Budget
