SPECIAL REGULATIONS FOR THEATER SUBDISTRICT

* * *

81-744
Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed theater" shall mean a theater designated as listed pursuant to Section 81-742 (Listed theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed theater" and comprised of those block and lot numbers specified for such theater pursuant to the table in Section 81-742, as such block and lots existed on January 12, 1998. However, a "granting site" shall not include any #zoning lot# occupied by a "listed theater" located within the geographical area covered by

the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the "granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed theaters," that portion of the #zoning lot# occupied by the "listed theater" and comprised of the block and lot numbers specified for such theater, pursuant to the table in Section 81-742, shall not be included in the "receiving site."

Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate #bulk# in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

The "floor price" is a value per square foot of transferable development rights in the Theater Subdistrict, which shall provide a basis for establishing a minimum contribution to the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions), as provided in this Section. When establishing or adjusting the "floor price", the City Planning Commission shall consider an appraisal study conducted by qualified professionals utilizing industry best practices. The City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act no more than once every three years and no less than once every five years.

(a) **Transfer of development rights by certification**

The Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site," except that any "granting site," or portion thereof, located outside the Theater Subdistrict, may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, provided that:

- (1) the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Sections 81-211 (Maximum floor area ratio for non-residential or mixed buildings) or 81-213 (Special provisions for transfer of development rights from listed theaters within the Special Clinton District), as applicable, for such "granting site" as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the "granting site" and #floor area# attributed to the "granting site" that has been previously used or transferred;
- (2) each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# or #enlarged# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;
- (3) the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 for such "receiving site" by more than 20 percent;
- (4) the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and
- (5) appropriate legal documents are executed and recorded and that, thereafter, and prior to certification, ensuring that a contribution in an amount equal to ten dollars* per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights. Such contribution shall be equal to the greater of:
 - (i) twenty percent of the sales price of the transferred #floor area#; or
 - (ii) an amount equal to 20 percent of the "floor price" multiplied by the amount of transferred #floor area#.

The City Planning Commission shall review such amount no more than once every three years and no less than once every five years and shall adjust the amount to reflect any change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

(b) **Transfer of development rights by authorization**

The City Planning Commission shall allow, by authorization, an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within the Eighth Avenue Corridor, except that any

“granting site,” or portion thereof, located outside the Theater Subdistrict may not transfer development rights to any portion of a “receiving site” within the Special Clinton District, subject to the following conditions:

- (1) the maximum amount of such additional #floor area# transfer to that portion of a “receiving site” located within such Corridor shall not exceed the maximum total #floor area ratio# with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent; and
- (2) such transfer complies with the conditions and limitations set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#:

- (i) relates harmoniously to all structures and #open space# in its vicinity in terms of scale, location and access to light and air in the area; and
- (ii) serves to enhance or reinforce the general purposes of the Theater Subdistrict.

Any application pursuant to Paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The Chairperson of the City Planning Commission shall not grant any such certification or authorization prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, Paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

(c) Requirements for Application

An application filed with the Chairperson of the City Planning Commission for the transfer of development rights by certification pursuant to Paragraph (a) of this Section, or with the City Planning Commission for the transfer of development rights by authorization pursuant to Paragraph (b) of this Section, shall be made jointly by the owners of the “granting site” and the “receiving site” and shall include:

- (1) a site plan and #floor area# zoning calculations for the “granting site” and the “receiving site”; for certifications, documentation acceptable to the Chairperson indicating the sales price of the transferred floor area; and, for authorizations and/or special permit applications, any such other information as may be required by the City Planning Commission;
- (2) a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer, together with a notice of the restrictions limiting further #development# or #enlargement# of the “granting site” and the “receiving site.” The notice of restrictions shall be filed by the owners of the respective lots in the Borough Office of the Register of the City of New York, indexed against the “granting site” and the “receiving site,” a certified copy of which shall be submitted to the Chairperson of the City Planning Commission. Receipt of the certified copy shall be a pre-condition to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the “receiving site.”

Both the instrument of transfer and the notice of restrictions shall specify the total amount of #floor area# transferred and shall specify, by lot and block numbers, the lots from which and the lots to which such transfer is made.

- (3) demonstrations of compliance with the requirements of Section 81-743 and Paragraph (a)(5) of this Section, including all necessary legal documents. Issuance of any building permit, including any foundation or alteration permit, shall be conditioned upon the filing of such legal documents in the Borough Office of the Register of the City of New York and receipt by the Chairperson of the City Planning Commission of certified copies of same as required pursuant to Section 81-743.

A separate application shall be filed for each transfer of development rights to an independent “receiving site.”

*—The contribution of ten dollars per square foot of transferred #floor area# was adjusted by rule on November 15, 2006, to \$14.91 per square foot and on December 10, 2011, to \$17.60 per square foot

- (2) the remainder of such revenue shall be used for activities chosen by the Theater Subdistrict Council furthering the objectives and purposes of this Section, which activities may include judicial or administrative proceedings instituted by the Theater Subdistrict Council against any property owner or lessee to enforce the obligations of such owner or lessee pursuant to any restrictive declaration entered into in connection with a transfer of development rights pursuant to Section 81-744. However, a "granting site" shall not include any #zoning lot# occupied by a "listed theater" located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the "granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed theaters," that portion of the #zoning lot# occupied by the "listed theater" and comprised of the block and lot numbers specified for such theater, pursuant to the table in Section 81-742, shall not be included in the "receiving site."

Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate #bulk# in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

The "floor price" is a value per square foot of transferable development rights in the Theater Subdistrict, which shall provide a basis for establishing a minimum contribution to the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions), as provided in this Section. As of (date of enactment) the "floor price" is equal to \$347 per square foot. When establishing or adjusting the "floor price", the City Planning Commission shall initiate an appraisal study conducted by qualified professionals utilizing industry best practices. The City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act no more than once every three years and no less than once every five years.

An applicant for transferable development rights, upon written request to the City Planning Commission, may ask for an appraisal study to determine any recent changes in market conditions within the Subdistrict. The appraisal study must be paid for by the applicant and completed within a one-year timeframe. The Department of City Planning shall initiate the appraisal study conducted by qualified professionals utilizing industry best practices and the City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act.

(a) **Transfer of development rights by certification**

The Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site," except that any "granting site," or portion thereof, located outside the Theater Subdistrict, may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, provided that:

- (1) the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Sections 81-211 (Maximum floor area ratio for non-residential or mixed buildings) or 81-213 (Special provisions for transfer of development rights from listed theaters within the Special Clinton District), as applicable, for such "granting site" as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the "granting site" and #floor area# attributed to the "granting site" that has been previously used or transferred;
- (2) each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# or #enlarged# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;
- (3) the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 for such "receiving site" by more than 20 percent;
- (4) the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and
- (5) appropriate legal documents are executed and recorded and that, thereafter, and prior to certification, ensuring that a contribution in an amount equal to ten dollars* per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to paragraph (i) of

Section 81-741 (General provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights. Such contribution shall be equal to the greater of:

- (i) twenty percent of the sales price of the transferred #floor area#; or
- (ii) an amount equal to 20 percent of the "floor price" multiplied by the amount of transferred #floor area#.

The City Planning Commission shall review such amount no more than once every three years and no less than once every five years and shall adjust the amount to reflect any change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

(b) **Transfer of development rights by authorization**

The City Planning Commission shall allow, by authorization, an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within the Eighth Avenue Corridor, except that any "granting site," or portion thereof, located outside the Theater Subdistrict may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, subject to the following conditions:

- (1) the maximum amount of such additional #floor area# transfer to that portion of a "receiving site" located within such Corridor shall not exceed the maximum total #floor area ratio# with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent; and
- (2) such transfer complies with the conditions and limitations set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#:

- (i) relates harmoniously to all structures and #open space# in its vicinity in terms of scale, location and access to light and air in the area; and
- (ii) serves to enhance or reinforce the general purposes of the Theater Subdistrict.

Any application pursuant to Paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The Chairperson of the City Planning Commission shall not grant any such certification or authorization prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, Paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

(c) **Requirements for Application**

An application filed with the Chairperson of the City Planning Commission for the transfer of development rights by certification pursuant to paragraph (a) of this Section, or with the City Planning Commission for the transfer of development rights by authorization pursuant to Paragraph (b) of this Section, shall be made jointly by the owners of the "granting site" and the "receiving site" and shall include:

- (1) a site plan and #floor area# zoning calculations for the "granting site" and the "receiving site"; for certifications, documentation acceptable to the Chairperson indicating the sales price of the transferred floor area; and, for authorizations and/or special permit applications, any such other information as may be required by the City Planning Commission;
- (2) a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer, together with a notice of the restrictions limiting further #development# or #enlargement# of the "granting site" and the "receiving site." The notice of restrictions shall be filed by the owners of the respective lots in the Borough Office of the Register of the City of New York, indexed against the "granting site" and the "receiving site," a certified copy of which shall be submitted to the Chairperson of the City Planning Commission. Receipt of the certified copy shall be a pre-condition to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the "receiving site."

Both the instrument of transfer and the notice of restrictions

shall specify the total amount of #floor area# transferred and shall specify, by lot and block numbers, the lots from which and the lots to which such transfer is made.

- (3) demonstrations of compliance with the requirements of Section 81-743 and Paragraph (a)(5) of this Section, including all necessary legal documents. Issuance of any building permit, including any foundation or alteration permit, shall be conditioned upon the filing of such legal documents in the Borough Office of the Register of the City of New York and receipt by the Chairperson of the City Planning Commission of certified copies of same as required pursuant to Section 81-743.

A separate application shall be filed for each transfer of development rights to an independent "receiving site."

*—The contribution of ten dollars per square foot of transferred #floor area# was adjusted by rule on November 15, 2006, to \$14.91 per square foot and on December 10, 2011, to \$17.60 per square foot

"The City of New York is committed to achieving excellence in

the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

AGENCY RULES

CITY PLANNING COMMISSION

■ NOTICE

NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the City Planning Commission by Sections 192 and 1043 of the New York City Charter, that the City Planning Commission hereby adopts the repeal of and addition of a new rule under Chapter 4 of Title 62 of the Rules of the City of New York, regarding procedures for the New York City Waterfront Revitalization Program consistency review by the City Coastal Commission and the Department of City Planning. This rule was first published for comment in The City Record on June 24, 2016, and a public hearing thereon was held on July 27, 2016. On July 27, 2016, Cal. No. 40, the hearing was closed. This rule shall take effect 30 days from the date hereof.

New material is underlined.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Chapter 4 of Title 62 of the Rules of the City of New York is REPEALED and a new Chapter 4 is added, to read as follows:

**Title 62: Department of City Planning
Chapter 4: Procedures for New York City Waterfront
Revitalization Program (WRP) Consistency Review by the City
Coastal Commission and the Department of City Planning**

§4-01 Applicability.

This chapter sets forth the procedures applicable to the review of actions located in the New York City Coastal Zone by the City Planning Commission (the Commission), in its capacity as the City Coastal Commission (CCC), and by the Department of City Planning (the Department) as provided in the WRP. Three separate categories of actions are subject to such review process:

- (a) Local discretionary actions that are classified as Type 1 or Unlisted pursuant to the State Environmental Quality Review Act (SEQRA) or City Environmental Quality Review (CEQR);
- (b) State actions that are subject to WRP consistency review by the relevant state agency pursuant to the applicable laws and regulations referenced in Subdivision b of Section 4-03 of this chapter;
- (c) Federal direct actions, permit and license actions, and financial assistance actions that are subject to WRP consistency review by the New York State Department of State (DOS) for the relevant federal agency pursuant to the applicable laws and regulations referenced in Subdivision b of Section 4-03 of this chapter.

The Department's or the CCC's review of state and federal actions, as referenced herein, is advisory and for the purpose of consultation in accordance with state and federal laws and regulations.

§4-02 CCC and Department Review.

As the administrator of the WRP with the CCC, the Department is responsible for coordinating all WRP consistency reviews. The Department evaluates all actions covered by Section 4-01 of this chapter to determine which warrant CCC review, in accordance with the criteria set forth in this section. The Department reviews all actions covered by this chapter that do not warrant CCC review. The CCC reviews:

- (a) Local actions that are subject to Commission approval pursuant to the Uniform Land Use Review Procedure (ULURP) or other provision of the City Charter, including those for which the Commission is the designated CEQR lead agency; and
- (b) Local, State or Federal actions that, in the Department's view, would substantially hinder the achievement of one or more policies of the WRP.

§4-03 Reviews for Consistency with the WRP.

- (a) **Local actions.** Except as provided in Section 4-04(a) of this chapter, no CEQR lead or involved agency may make a final decision to undertake, fund, or approve an action unless and until the lead agency, or the CCC when the lead agency is the Commission, finds that such action will not substantially hinder the achievement of any WRP policy and determines

that the action is consistent with the WRP, in accordance with the standards set forth in the WRP. When the lead agency is other than the Commission, the Department must concur with such finding.

- (1) **Local actions subject to Commission approval.** The CCC's review of actions for consistency with the WRP is incorporated into the Commission's existing review procedures pursuant to ULURP or other provision of the Charter, or pursuant to CEQR.
- (2) **Local actions not subject to Commission approval.**
 - (i) The CEQR lead agency shall provide the Department with its draft Environmental Impact Statement (EIS) or draft Environmental Assessment Statement (EAS), whichever is applicable, containing the agency's draft WRP consistency assessment and determination, at the earliest possible date, and in no event less than thirty (30) days before issuance of a Negative Declaration, a Conditional Negative Declaration or if the agency has prepared a draft EIS, a Notice of Completion. The Department may request additional information to assist in the evaluation of the proposed action, which the agency shall promptly provide.
 - (ii) Within thirty (30) days of receipt of the lead agency's draft WRP consistency assessment and determination, the Department will notify the lead agency as to whether the Department concurs or does not concur with the proposed consistency determination and will provide written comments on the assessment, if any.
 - (iii) When the lead agency has prepared an EAS, if the Department is properly notified of such agency's consistency assessment and determination and does not respond to such agency in writing within thirty (30) days of receipt, the lead agency may deem its consistency determination to have been accepted by the Department.
- (b) **State and Federal actions.** The coordination of the Department's or the CCC's review of State and Federal actions with the relevant state agency and DOS, respectively, including review periods and the procedures for transmission of comments and findings, shall be in accordance with the relevant state and federal laws and regulations, including Article 42 of the New York State Executive Law (§§910 through 922) and 16 U.S.C. §§ 1451 et seq, respectively, and shall follow the guidelines for notification and review of federal and state actions, which are appended to the WRP.
- (c) **Inconsistency with the WRP.** For all actions, where an inconsistency with one or more policies of the WRP has been identified, the Department or the CCC, as applicable, may recommend alternatives or modifications to the action or mitigation measures in order to avoid or minimize the inconsistency. If, in the Department's or the CCC's view, an inconsistency presents a substantial hindrance to the achievement of one or more policies of the WRP, the provisions of Section 4-04 shall apply.
- (d) **Public Notice.** All actions will be subject to any applicable procedures for public notice for the action under review. There are no additional public notice or participation requirements pursuant to this chapter.

§4-04 Substantial Hindrance to the WRP.

- (a) **Local actions.**
 - (1) **Local actions subject to Commission approval.** The Commission may not approve an action that will substantially hinder the achievement of one or more policies of the WRP, unless, in its capacity as the CCC, it makes the following four findings:
 - i. No reasonable alternatives exist which would permit the action to be taken in a manner which would not substantially hinder the achievement of such policy;
 - ii. The action taken will minimize all adverse effects on such policies to the maximum extent practicable;
 - iii. The action will advance one or more of the other coastal policies; and
 - iv. The action will result in an overriding local or regional public benefit.
 - (2) **Local actions not subject to Commission approval.** A CEQR lead or involved agency may not undertake, fund, or approve an action that will substantially hinder the achievement of one

or more policies of the WRP unless the CEQR lead agency makes the four findings in paragraph 1 of this subdivision with the concurrence of the CCC. Where the findings set forth in Paragraph 1 of this subdivision are met, the action shall be deemed consistent with the WRP.

- (b) State and Federal actions. The CCC shall provide an advisory determination as to whether the four findings set forth in paragraph 1 of subdivision a are met. The Department shall transmit the CCC's findings to the relevant state agency or DOS for the purpose of consultation in accordance with the WRP and applicable State and Federal laws, regulations and published guidelines, as referenced in Subdivision b of Section 4-03 of this chapter.

Statement of Basis and Purpose of Rule

The Federal Coastal Zone Management Act (16 U.S.C., CZMA) was enacted by Congress on October 27, 1972, to encourage coastal states to develop comprehensive programs to manage and balance competing uses of and impacts to coastal resources. New York State developed and received approval of its Statewide Coastal Management Program (CMP) in 1982. Article 42 of the Executive Law, entitled Waterfront Revitalization of Coastal Areas and Inland Waterways is the main statute that implements the State CMP by establishing the:

- Boundaries of the Coastal Area within which the CMP applies;
- Statewide policies that would be enforceable on all State agencies which address significant coastal issues and manage resources along the State's coastline;
- Authorization for localities to prepare and adopt local waterfront revitalization programs which in turn, would provide more detailed implementation of the State's Program.

New York City adopted a local waterfront revitalization program (WRP), to more specifically define the New York City Coastal Zone Boundary and local coastal area management policies pursuant to which applicable local, state and federal projects or actions within the Coastal Zone must be reviewed for consistency. Section 192(e) of the City Charter (Charter) provides that the City Planning Commission (the Commission) "shall oversee implementation of laws that require environmental reviews of actions taken by the City" and that the Commission "shall establish by rule procedures for environmental reviews of proposed actions by the City where such reviews are required by law." Section 191(b)(2) of the City Charter provides that the director of the Department of City Planning (the Department) shall "provide staff assistance to the City Planning Commission in all matters under its jurisdiction." The WRP designates the City Planning Commission as the City Coastal Commission (CCC), which is, with the Department, responsible for administering the WRP for New York City.

The Department, on behalf of the Commission, is proposing to amend Chapter 4 (City Coastal Commission Procedures) of Title 62 of the Rules of the City of New York (Rules) pursuant to its authority under Sections 191(e) and 191(b)(2) of the New York City Charter. The purposes of the amendments may generally be described as follows:

- (1) make the rule consistent with State procedures in terms of the local discretionary actions to which it applies;
- (2) streamline the threshold for when the Department will refer state and federal actions to the CCC for review, which threshold shall also be applied to local actions that do not otherwise come before the Commission;
- (3) reestablish and clarify the role of the Department and CCC in local actions subject to City Environmental Quality Review (CEQR) but not subject to Commission approval;
- (4) and remove from the existing rule outdated references and other provisions regarding internal or inter-agency procedures.

Specifically, the amendments will ensure that the Department or the CCC reviews all local discretionary actions located within the Coastal Zone as provided in the WRP, for their consistency with the WRP. In addition, because under the current rule there are some local discretionary actions which require Commission approval but which are not subject to CEQR, the rule clarifies that the local discretionary actions subject to WRP review only include those classified as Type I or Unlisted under the State Environmental Quality Review Act (SEQRA) and, thus, subject to CEQR, consistent with the intent of the WRP as well as State practice in terms of how it undertakes WRP consistency reviews of its actions subject to SEQRA. Also, as provided in the WRP and as reflected in the existing rule, the Department or the CCC will continue to provide an advisory analysis of state and federal actions which are subject to state or federal consistency review using the coastal policies in the WRP by the relevant state agency or the New York State Department of State (DOS) or the relevant federal agency, and will convey any related comments and findings to the state agency or DOS for the purpose of consultation, in accordance with relevant state and federal laws and regulations.

Also, there are currently four thresholds in the existing rule for Federal and State actions which, if met, require review by the Commission, as CCC, and the Department reviews all others. These

thresholds are to be streamlined into a single threshold for federal and state actions, as well as for local actions that do not otherwise come before the Commission for approval. Actions that the Department believes present a substantial hindrance to one or more policies of the WRP must be referred to the Commission, as CCC. When a substantial hindrance has been identified, local actions may not be approved unless or until the CCC finds, or concurs with the CEQR lead agency's finding, that the following four requirements, as set forth in the approved WRP, are met:

- (1) no reasonable alternatives exist that would permit the action to be taken in a manner which would not substantially hinder the achievement of such policy;
- (2) the action taken will minimize all adverse effects on such policies to the maximum extent practicable;
- (3) the action will advance one or more of the other coastal policies; and
- (4) the action will result in an overriding local or regional public benefit.

Such finding shall constitute a determination that the action is consistent with the WRP. With respect to state and federal actions, the Department will transmit the findings of the CCC to the relevant State agency for State consistency and DOS for Federal consistency for the purpose of consultation.

The rule also adds references to state and federal regulations to ensure that the inter-agency coordination of WRP consistency review, including the resolution of conflicts, occurs in accordance with those regulations and any applicable guidance, such as the guidelines for notification and review of Federal agency and New York State agency actions appended to the approved WRP. Finally, any provisions regarding intra-agency coordination between the Department and the CCC and other "in-house" standards are to be removed from the rule, and references to the no longer extant Board of Estimate are to be removed.

In accordance with 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York announces the public comment period for the substantial amendment to the City's 2016 Consolidated Plan Housing Opportunities for Persons with AIDS (HOPWA) programmatic activities.

The public comment period will begin on **August 30, 2016**, and extend thirty (30) days to **September 28, 2016**.

The substantial amendment to New York City's Housing Opportunities for Persons with AIDS (HOPWA) is necessary since the City was evaluating how to minimize the impact of the 2016 funding cut across the City's service portfolio at the time of the Proposed 2016 Consolidated Plan was submitted in April 2016. The Amended 2016 Consolidated Plan version will now offer the public a more detailed list of the 2016 project sponsors and respective funding allocations as outlined in previous years' Plans.

Lastly, the amended 2016 Consolidated Plan also incorporates the amended Calendar Year 2016 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

Copies of the amended 2016 Consolidated Plan will be made available on August 30, 2016, and can be obtained at the Department of City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271 (Mondays 10:00 A.M. until 12:00 NOON with walk-ins from 10:00 A.M. until 11:00 A.M., and Wednesdays from 1:00 P.M. until 3:00 P.M. with walk ins from 2:00 P.M. until 3:00 P.M.). **THE CITY OF NEW YORK
THE DEPARTMENT OF CITY PLANNING
PUBLIC COMMENT PERIOD
FOR A SUBSTANTIAL AMENDMENT TO THE
NYC CONSOLIDATED PLAN
CITIZEN PARTICIPATION PLAN**

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

Substantial Amendment to the Citizen Participation Plan
Pursuant to 24 CFR 91.105(a)(3) of the United States Department of Housing and Urban Development's (HUD) Consolidated Plan Regulations regarding citizen participation, the New York City Department of City Planning (DCP) is announcing the **public comment period** for a proposed change to the City's Consolidated Plan Citizen Participation Plan (CPP) that may be incorporated into the consolidated planning process after consideration of the questions and concerns of interested agencies, Community Boards, groups and the general public.

The public comment period will begin on **August 30, 2016**, and extend thirty (30) days ending **September 28, 2016**.

The Consolidated Plan One-Year Action Plan is the City's annual application to the U.S. Department of Housing and Urban Development (HUD) for its four formula entitlement grant programs (Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA), respectively). The Federal funds are used to address New York City's housing, homeless, supportive housing services and community development needs.

Proposed Substantial Amendment

The New York City Department of City Planning proposes to substantially amend the City's Consolidated Plan Citizen Participation Plan (CPP) by removing from the CCP the activity of providing physical copies of the Proposed Consolidated Plan Five-Year Strategic Plan and/or Proposed Consolidated Plan One-Year Action Plans to each Chairperson and District Manager of the City's 59 respective Community Boards (CBs) for their review during the Proposed Plan's public comment period. The City proposes that, as an alternative, the respective Boards access the Proposed report electronically via City Planning's Consolidated Plan-Related Internet webpage when it is released for public comment.

Background

Implemented in the early 1990s, HUD's Citizen Participation regulations require localities to provide a reasonable number of and access to their Proposed Consolidated Plans in order to permit citizens, public agencies, and other interested parties a reasonable opportunity to review and submit comments. At that time, the use of internet websites to provide the public access to large-sized reports and documents was not as developed or as wide-spread as it is today, thereby requiring localities to reproduce and physically distribute a large number of the Proposed Plans in order to satisfy CPP requirements. In the ensuing years the need to do so has decreased as the public's ability to access the documents in alternate, electronic formats (such as Adobe .pdf format) via the internet has increased. Therefore, providing the Community Boards a hard-copy version of the Consolidated Plan is an outmoded method of providing them access to the document. By having the Community Boards access the respective Consolidated Plan reports via the Internet the Department of City Planning will reduce the number of reports it needs to physically reproduce while still satisfying federal citizen participation requirements of providing the Boards reasonable access and opportunity to examine its contents and to submit comments.

Public Comment Requirement

In accordance with Section 91.105(c), the City must provide its citizens with reasonable notice and an opportunity to comment on substantial amendments to the CPP.

Comments or Objections to Substantial Amendment

DCP is inviting all interested agencies, Community Boards, groups and persons to provide comments on the proposed amendment to the CPP. All written comments should be directed to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway, 31st Floor, New York, NY 10271, email:

Con-PlanNYC@planning.nyc.gov.

DCP will consider all comments or objections regarding the subject before making a final determination as to whether it will adopt the proposed amendment. Complaints regarding the proposed amendment will receive a substantive written response within 15 working days following receipt of the complaint as required by Section 24 CFR 91.105(j).

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
