“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related

services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

CLEAN ENERGY STORAGE TECHNOLOGY: LITHIUM ION BATTERY ENERGY STORAGE SERVICES - Demonstration Project - Other - PIN# 85617D0004 - Due 10-25-16 at 5:00 P.M.

The Department of Citywide Administrative Services' (DCAS) Office of Energy Management intends to enter into negotiations with Eneractive Solutions, LLC. to conduct a demonstration project on Clean Energy Storage Technology: Lithium Ion Battery Energy Storage Services. DCAS Energy Management is tasked with improving the City's energy efficiency and clean energy resources and reducing the City's production of municipal greenhouse gas emissions (GHGs) in order to reduce City operational costs, provide environmental and public health benefits, and build the City's sustainability and resiliency. DCAS Energy Management's long term plan identifies the benefit of exploring emerging technologies for the achievement of the above – and a critical category of emerging technologies for these achievements to explore is battery energy storage. Battery storage technologies have developed in the market in recent years, demonstrating their ability to allow buildings to shave their peak demand to cut electricity costs, optimize participation in demand response programs, and become more resilient through lessened demand on the City's electric grid during emergency events; however, the scale of the benefits of these technologies is still unproven in City buildings of distinct electric load profiles and operations requirements. DCAS Energy Management is therefore seeking to test on the deployment of a Tesla Lithium Ion battery energy storage system to better inform future procurement of energy storage across its Client Agencies. Testing will include install of the solution, training for on-site staff in its use, monitoring of the solution – and the solution's benefits – over the course of the year, and an assessment of the solution's performance at the end of its (1) year of deployment.

Any firm which believes that it can provide such services is invited to send a letter or an email by October 25, 2016, addressed to: Ozgur Manuka, Contract Manager, omanuka@dcas.nyc.gov, Department of Citywide Administrative Services, Office of Citywide Purchasing, 1 Centre Street, 18th Floor, New York, NY 10007. ONLINE AND REMOTE BAIL PAYMENT SYSTEM - Demonstration Project - Testing or experimentation is required - PIN# 072201718MIS - Due 11-2-16 at 11:00 A.M.

The Department of Correction intends to negotiate with "Paymentus Corporation" to modernize the current bail payment system by piloting a new electronic bail payment method that would allow individuals to pay for bail remotely. The bail system is used in order to obtain the release of the accused while a pending case progresses. An online remote payment bail system would expedite the process for those who eventually make bail payment, by eliminating traveling cost and waiting time, thereby shortening incarceration stays in jails and reducing associated incarceration and administrative costs to the City. DOC intends to partner with Department of Finance (DOF) and Office of Court Administration (OCA) to develop the system. The New York City Department of Correction (DOC) is issuing this Request for Expressions of Interest for "Informational Purpose Only" vendors who can provide an Online and Remote Bail Payment System for future procurements of this nature. The Closing Date for Receipt of Request for Expressions of Interest is Wednesday, November 2, 2016, at 11:00 A.M.

CITY PLANNING

NOTICE

**THE CITY OF NEW YORK
THE DEPARTMENT OF CITY PLANNING
THE DEPARTMENT OF HOUSING PRESERVATION AND
DEVELOPMENT
NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT
TO THE 2015 CONSOLIDATED PLAN
ONE-YEAR ACTION PLAN**

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York announces the public comment period for the substantial amendment to the City's 2015 Consolidated Plan One-Year Action Plan HOME Investment Partnerships (HOME) programmatic activities.

The public comment period will begin on October 12, 2016 and extend thirty (30) days to November 10, 2016.

The amendment to New York City's 2015 HOME-funded activities entails the reallocation of funds between two existing programs: the HOME Tenant-Based Rental Assistance Program (HOME TBRA) and the HOME-funded Supportive Housing Program (SHP). The amendment also revises the proposed accomplishments for each program reflective of the reallocation of funds. Specifically, the amendment shows that \$17,000,000 of HOME TBRA funding will be transferred to the SHP to support additional new construction projects for affordable housing units. \$3,000,000 of the originally allocated \$20,000,000 in the City's 2015 HOME Program funding remains with the TBRA program, better reflecting the needs of the overall 2015 HOME Program Year (Calendar 2015).

Copies of the amended 2015 Consolidated Plan One-Year Action Plan - Addendum: HOME Investment Partnerships Program will be made available on October 12, 2016 and can be obtained at the Department of City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271 (Mondays 10:00 A.M. until 12:00 NOON with walk-ins from 10:00 A.M. until 11:00 A.M., and Wednesdays from 1:00 P.M. until 3:00 P.M. with walk ins from 2:00 P.M. until 3:00 P.M.). In addition, the Addendum can be downloaded through the internet via the Department's website at www.nyc.gov/planning.
