#### HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PUBLIC HEARING IN THE MATTER OF the amendment to the terms and conditions of certain real property previously conveyed by the City of New York ("City"), as submitted by the Department of Housing Preservation and Development ("HPD"), pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, located in the Borough of Brooklyn and known as:

BLOCK LOT 9 ADDRESS 340 St. Johns Place aka 285 Lincoln Place

on the Tax Map of the City ("Premises") and also now known as the BEC Continuum Housing Development Fund Company, Inc. project in the Low-Income Housing Tax Credit Portfolio Preservation Program.

The City conveyed the referenced Premises to 736 Willoughby Housing Development Fund Corporation ("Current Owner") under HPD's Special Initiatives Program on June 17, 1999, pursuant to Mayoral Approval Document dated May 7, 1999 (Cal. No. 12). The Premises consist of one multiple dwelling containing an aggregate of 59 dwelling units for low income families. The City deed contained a restriction which prohibited the Current Owner from conveying the Premises to any entity other than a not-for-profit corporation which qualifies under Section 501(c)(3) of the Internal Revenue Code or to a governmental entity. This submission is to request approval to modify such deed restriction in order to remove the requirement that the Premises be conveyed to an entity which qualifies under Section 501(c)(3) and instead allow the Current Owner to convey the Premises to any housing development fund company organized pursuant to Article XI of the Private Housing Finance Law ("Article XI") and the Not-For-Profit Corporation Law ("NPCL"), and to allow that housing development fund company to convey the Premises to another housing development fund company organized pursuant to Article XI and the NPCL or to convey the beneficial interest in the Premises while retaining legal title.

The Premises is now part of a proposed larger preservation transaction. Under the proposed transaction, the Current Owner will transfer the Premises to BEC Continuum Housing Development Fund Company, Inc. ("Proposed Owner") and the Proposed Owner will transfer the beneficial interest in the Premises to BEC Continuum Owner LLC ("Beneficial Owner") ("Proposed Owner" and "Beneficial Owner" are collectively "New Owner"). New Owner will rehabilitate the Premises, obtain new Low Income Housing Tax Credits pursuant to Section 42 of the Internal Revenue Code, and extend the affordability of the Premises for 30 years.

**PLEASE TAKE NOTICE** that a public hearing will be held at 10:00 A.M., on Monday, November 28, 2016, at St. Johns Recreational Center, at 1251 Prospect Place, Brooklyn, NY 11213, or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed modification of deed restriction pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, Room 905, 253 Broadway, New York, NY 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. #### THE CITY COUNCIL

#### NOTICE OF A PUBLIC HEARING

The City Council, by resolution adopted on October 27, 2016, set November 16, 2016 as the date, 10:00 A.M. as the time, and the City Council Committee Room, 2nd Floor, City Hall, New York, NY 10007, as the place for a public hearing (the "Public Hearing") to hear all persons interested in the proposed legislation, which would modify the boundaries of the Queens Plaza/Court Square business improvement district (the "District") in Long Island City by extending the District, authorize an increase in the amount to be expended annually in the Queens Plaza/Court Square business improvement district, and amend the district plan of the Queens Plaza/Court Square business improvement district to change the method of assessment upon which the District charge is based. The legislation shall be amended in accordance with the amended district plan (the "District Plan") on file at the Office of the City Clerk. The City Council has authorized the Queens Plaza/Court Square Business Improvement District Steering Committee to mail, on its behalf, this notice of the Public Hearing containing the information required by Section 25-406(c) of the Administrative Code of the City of New York and summarizing the resolution adopted.

The District Plan was submitted to, and reviewed by, the City Planning Commission and Queens Community Board 1 and Queens Community Board 2. The Community Boards recommended approval to the City Planning Commission, and the City Planning Commission approved the District Plan.

The existing District is centered around Queens Plaza and Court Square. It generally includes all street-facing property lots extending north along Jackson Avenue on both sides of the street from 45<sup>th</sup> Avenue/ Thomson Avenue (Court Square) to Queens Plaza, and extending west along Queens Plaza North and Queens Plaza South from Northern Boulevard/Jackson Avenue to 21st Street. It also includes Queens Plaza East (the 29-00 block of Northern Boulevard) and additional properties on the 42-00 block of Crescent Street, and the 43-00 block of Queens Street. The proposed expansion would extend the District south and west from 45th Avenue/Thomson Avenue to include properties facing Jackson Avenue from 45th Avenue/Thomson Avenue south to 51st Avenue, properties facing Vernon Boulevard from Borden Avenue north to 44th Drive, including the properties facing 10th Street between 45th Avenue and 44th Drive, and properties facing 44th Drive from Vernon Boulevard east to Hunter Street. The extended District will maintain the same level of sanitation, security, business promotion and marketing services, economic development initiatives, administration and other services currently provided to the existing District. Capital improvements shall be implemented on an as-needed basis, and the maximum cost of improvements shall not exceed \$8,000,000 during the existence of the District. The District is managed by the Queens Plaza Court Square District Management Association, Inc. d/b/a the Long Island City Business Improvement District (the "DMA").

To defray the cost of Services and Improvements in the District, all real property in the District shall be assessed in proportion to the benefit such property receives from the Services and Improvements. Each property shall be assessed an amount determined by the DMA, that when totaled together with amounts for other properties in the District shall yield an amount sufficient to meet the District's annual budget. The District wishes to authorize an increase in the maximum amount to be expended annually to \$800,000 to maintain the level of services in the existing district and to incorporate services into the extended District.

As a result of the expansion and a need to equitably assess a variety of property types and uses, the District wishes to change the method of assessment, creating two sub-districts with separate property classes and assessment formulas. The original boundaries of the District will be referred to as the North Sub-District ("NSD") and the expanded area will be referred to as the South Sub-District ("SSD").

All properties as classified in the most recent New York City tax rolls and as described in the District Plan will be assessed based on their respective property classes in each sub-district and the particular method of assessment or formula approved for each class. In order to reflect the relationship amongst the many variables, the following defines how each rate is determined for each class. The NSD and SSD have separate rates, defined by class below. Each individual assessment shall be calculated based upon the formula and rate applicable to the class and location of property.

#### Property Classes and Rates for the NSD and SSD:

Foot Frontage ("FF") Definition:

For the purposes of the following formulae, the total linear foot frontage for the NSD and the SSD ("Total NSD FF"/"Total SSD FF" includes the linear foot frontage of the ground floor of all Class A and B properties (as defined below) in the respective sub-district and an additional 50% of the linear foot frontage for each floor or part thereof of commercial use above the ground floor in Class B properties in the respective sub-district on the block fronts serviced by the BID within each sub-district.

#### Assessed Value (AV) Rates

NSD Class A AV Rate =  $[(TOTAL\ BUDGET - NSD\ CLASS\ C\ SUM)\ x]$ 60%] / TOTAL NSD CLASS A AV

SSD Class A AV Rate =  $[(TOTAL\ BUDGET - SSD\ CLASS\ C\ SUM)\ x]$ 30%] / TOTAL SSD CLASS A AV

Front Footage (FF) Rates

NSD Class A and NSD Class B FF Rate = [(TOTAL BUDGET - NSD CLASS C SUM) x 40%] / TOTAL NSD FF

SSD Class A and SSD Class B FF Rate = [(TOTAL BUDGET - SSD CLASS C SUM) x 70%] / TOTAL SSD FF

Individual assessments for NSD Class A properties shall be calculated as follows:

 $(NSD\ CLASS\ A\ AV\ RATE \times INDIVIDUAL\ ACTUAL\ AV) + (NSD\ CLASS\ AV\ RATE \times INDIVIDUAL\ AV) + (NSD\ CLASS\ AV\ RATE \times$  $CLASS A FF RATE \times INDIVIDUAL FF)$ 

Individual assessments for SSD Class A properties shall be calculated as follows:

 $(SSD\ CLASS\ A\ AV\ RATE\times INDIVIDUAL\ ACTUAL\ AV) + (SSD\ CLASS\ A\ FF\ RATE\times INDIVIDUAL\ FF)$ 

CLASS A – COMMERCIAL, INDUSTRIAL, COMMERCIAL
PARKING, VACANT AND UNDEVELOPED LAND - All properties in whole devoted to commercial, industrial, or commercial parking uses, including vacant and undeveloped land, shall constitute Class A property and shall be assessed by assessed valuation ("AV") and linear front footage in the service area. Vacant and undeveloped properties may be reclassified upon issuance of a temporary certificate of occupancy from the Department of Buildings and be assessed in the same manner as defined within the appropriate classes and formulae.

CLASS B - MIXED USE - All properties with single tax lots containing both residential and commercial uses shall be classified as Class B and assessed using only linear front footage on the service block fronts. Mixed Use properties in the NSD will be assessed using the NSD FF Rate as defined above; and Mixed Use properties in the SSD will be assessed using the SSD FF Rate as defined above. For properties with additional floors of commercial use above the ground floor, frontage will be added to the property's total linear foot frontage in an amount equal to 50% of the ground floor linear foot frontage for each additional floor.

Individual assessments for NSD Class B properties shall be calculated as follows:

 $(NSD\ FF\ RATE \times INDIVIDUAL\ FF)$ 

Individual assessments for SSD Class B properties shall be calculated as follows:

 $(SSD FF RATE \times INDIVIDUAL FF)$ 

 $\underline{\text{CLASS C} - \text{RESIDENTIAL}} \text{-} \text{All properties, including residential}$ condominium units and residential parking lots, devoted in whole to residential uses in the NSD and SSD shall be assessed at a nominal rate of \$1.00 per year.

CLASS D - NOT-FOR-PROFIT AND GOVERNMENT - Not-For-Profit and Government owned property in both the NSD and SSD devoted in whole to public or not-for-profit use shall be classified as Class D and be exempt from assessment. Not-For-Profit or Government owned property devoted in part to commercial uses shall be assigned to the appropriate class and the proportion of the property devoted to for-profit uses shall be assessed in the same manner as defined within the appropriate class description and assessment formulae.

The amount, exclusive of debt service, assessed and levied in any given year against benefited real property within the District may not exceed twenty percent (20%) of the total general City taxes levied in such year against such properties.

Copies of the resolution adopted by the City Council, which include a copy of the District Plan, are available for public inspection from 9:00 A.M. to 4:00 P.M. Monday through Friday, at the Office of the City Clerk, located at 141 Worth Street, New York, NY 10013. In addition, copies of the resolution are available free of charge to the public at the Office of the City Clerk.

Any owner of real property deemed benefited and therefore within the District, objecting to the District Plan, must file a BID Objection Form at the Office of the City Clerk within thirty (30) days of the close

of the Public Hearing concerning the establishment of the proposed District. Forms are available at the City Clerk and online at nyc.gov/ html/sbs. If owners of at least fifty-one percent (51%) of the assessed valuation of all benefited real property situated within the boundaries of the District proposed for establishment, as shown on the latest completed assessment roll of the City, or at least fifty-one percent (51%) of the owners of benefited real property within the area included in the District proposed for establishment file objections with the City Clerk, the District shall not be established.

The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services. Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Statement of Basis and Purpose of Rule

The proposed rules amend the Taxi and Limousine Commission's (TLC) current rules by modifying the grant amounts and requirements of the Accessible Street Hail Livery (ASHL) grant program.

#### Background

On December 23, 2011 Governor Cuomo signed into law Chapter 602 of the Laws of 2011, and on February 17, 2012, signed into law Chapter 9 of the Laws of 2012, which amended the previous statute. This legislation allows New York City to issue up to 18,000 transferable licenses to for-hire vehicles authorizing them to pick up passengers by street hail anywhere outside Manhattan (except for the airports) and in Manhattan north of West 110th Street and north of East 96th Street. A portion of these licenses have been set aside for wheelchair accessible vehicles. As provided in the legislation, the TLC will make grants totaling up to \$54 million available for SHL licensees who plan to purchase a vehicle for use as an Accessible Street Hail Livery (ASHL).

The TLC is proposing these changes to the ASHL grant program based on research and observations of, and feedback from, the ASHL industry during the past three years.

#### Rule Amendments

In order to further support accessibility and ensure the continued viability of the ASHL sector the TLC proposes to amend the ASHL grant program. The proposed rules provide that:

- Grant amounts will be doubled from \$15,000 to \$30,000 and will include:
  - an initial payment of \$14,000 following vehicle Hack-Up, and
  - during the four years after Hack-Up, subsequent payments of \$2,000 following each successful bi-annual vehicle inspection up to \$16,000.
- To be eligible for the subsequent payments, vehicles must:
  - o complete at least 250 Passenger trips logged on to the Street Hail Livery Technology System (LPEP) between the vehicle inspection periods, and

- have been logged onto the Accessible Taxi Dispatch system through the Dispatch Equipment while in operation during the period since the previous inspection.
- · Grants will only be available for new vehicles.
- Grants will no longer be available for vehicles which are leased.
- The holder of an ASHL License who receives a Grant and completes the requirements of the Grant Program Agreement may apply for and be awarded an additional Grant to replace an older vehicle.
- The option to assign grant payments is eliminated.

These rule changes are authorized by Section 2303 of the New York Charter, Section 19-503 of the Administrative Code of the City of New York, and Chapter 602 of the Laws of 2011 and Chapter 9 of the Laws of 2012 of the New York State.

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
