"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical

Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

YOUTH AND COMMUNITY DEVELOPMENT

■ NOTICE

The Department of Youth and Community Development (DYCD) will look to release our upcoming Organizational Development Request for Proposals (RFP), EPIN: 2601710002, using the Innovative Procurement method, Section 3-12 of the Procurement Policy Board Rules. This will allow for DYCD to release and manage a professional services RFP through the Health and Human Services (HHS) Accelerator system.

The RFP will seek qualified vendors to provide capacity building support to DYCD-funded organizations in New York City. It is anticipated the funding amount for the RFP will be \$823,359.00 annually to be allocated amongst four service options for a three year contract term.

DYCD has found the HHS Accelerator system to be an efficient way of managing the RFP process for human client service RFPs. DYCD believes releasing a professional services RFP would allow for similar efficiencies to be made available. It is anticipated that this proposed method will be implemented early winter and will be evaluated to determine whether it is in the City's best interest to codify the method used within the PPB rules after contracts, as a result of this RFP, have been registered.

The RFP released will follow Section 3-16, the HHS Accelerator method, of the PPB rules. Therefore, providers interested in proposing to this RFP will need to be prequalified in the HHS Accelerator system for the service area Capacity Building in order to receive the solicitation and to propose.

DYCD would like to give this opportunity to accept comments and expressions of interest on this proposed method. Comments and expressions of interest may be emailed no later than December 23, 2016, to ACCO@dycd.nyc.gov. Please enter "Innovative Procurement" in the subject line.
