## **PROCUREMENT**

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE

services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

### Statement of Basis and Purpose of Proposed Rule

Local Law Number 38 of 2015 amended Section 24-146 of the Administrative Code, which provides for the issuance of an abatement order when it is found that work is being performed in violation of the provisions of Section 24-146.

DEP is proposing these rules, as required by Section 24-146(f)(5)(iii), to establish a procedure for requesting a hearing to appeal a written abatement order as a new Chapter 45 of Title 15 of the Rules of the City of New York (RCNY).

DEP is also amending Chapter 32 of Title 15 of the Rules to add the hearing for appeal of written abatement orders provided for in the new Chapter 45 to the list of adjudicatory hearings that can be conducted by DEP.

In addition, Chapter 32 is being amended to simplify complex legal references and to update obsolete references, including the repeal of subdivisions (f), (g) and (h) of 15 RCNY §32-01. Subdivision (f) is being repealed because the reference to noise sensitive zones in Administrative Code § 24-229(b) was repealed as part of the revision to the Noise Pollution Control Code by Local Law 113 of 2005. Subdivision (g) is being repealed because the reference to Environmental Ratings in Administrative Code § 24-154(b) was repealed as part of the revision to the Air Pollution Control Code by Local Law 38 of 2015. Subdivision (h) is being repealed because the reference to "approved noise consultants" incorrectly referenced the Air Pollution Code, and the process to appeal a revocation as a noise consultant is already set forth accurately in 15 RCNY § 32-01(b). Finally, this rule would allow parties in Department hearings to select the option of email notification of the Department's final determination.

Consistent with the above, DEP promulgates the following new Rule, to be found at 15 RCNY Chapter 45 and 15 RCNY Chapter 32.

The Rule is authorized by Section 1043 of the Charter and Sections 24-105 and 24-146 of the Administrative Code.

The text of the Rule follows.

Section 1. Subdivisions (a) and (d) of Section 32-01 of Chapter 32 of Title 15 of the Rules of the City of New York are amended to read as follows:

- (a) Revocation or Suspension of a certificate issued by the Asbestos Control Program [Certification], pursuant to Administrative Code  $\S$  [24-146.1(d)(5)] 24-136(e)(4).
- (d) Appeal [to Commissioner] of a Stop Work Order issued pursuant to Administrative Code  $\S$  [24-146.1(h)] 24-136(h).
- § 2. Subdivision (f) of Section 32-01 of Chapter 32 of Title 15 of the Rules of the City of New York, relating to the Commissioner's Noise Sensitive Zone designation, subdivision (g) of such section, relating to appeal of the Commissioner's Environmental Rating, and subdivision (h) of such section, relating to appeal of revocation or removal from the "Approved Noise Consultants" list, are REPEALED.
- $\S$  3. A new subdivision (e) has been added to Section 32-01 of Title 15 of the Rules of the City of New York to read as follows:

- (e) Appeal of Written Abatement Order issued pursuant to Administrative Code § 24-146(f).
- $\S$  4. Subdivision (a) and paragraphs 1, 2, and 3 of subdivision (b) and paragraphs 2 and 3 of subdivision (d) of Section 32-02 of Chapter 32 of Title 15 of the Rules of the City of New York are amended to read as follows:
  - (a) The [Adjudication] <u>Hearing Procedures in this § 32-02 shall apply to the [adjudications] hearings</u> referred to in § 32-01 of this chapter.
  - (b) Hearing procedures.

    - (2) [The burden of proof shall be on the party who initiated the Proceeding to establish its claim by a preponderance of the relevant evidence.] The party who initiated the Proceeding has the burden of proving the facts claimed by a preponderance of the relevant evidence.
    - (3) All parties shall be afforded due process of law, including the opportunity to be represented by counsel, to issue subpoenas or request that subpoenas be issued to call witnesses, to examine and cross-examine [opposing] witnesses, to [present oral and written arguments on the law and on the facts, and] make factual or legal arguments orally or in writing, to present evidence in support of their claims and to have other rights essential for due process and a fair hearing.
  - (d) Final determination.
    - (2) A copy of the final determination and order shall be served personally or by certified or registered mail<u>or by email</u> to an address supplied by any party at the hearing with the written consent of such party, or, when applicable, in accordance with §§ 24-115 or 24-213 of the Administrative Code of the City of New York, to all parties to the proceeding.
    - (3) At any time prior to the issuance of the final determination of the Commissioner, or his/her designee, the Department may enter into a stipulation or consent order with any party. [Such stipulation or consent order shall be admissible as evidence to provide the basis for a finding of fact in any subsequent proceeding brought by the Department against such party.] Such a stipulation or consent order may be used as factual evidence in a later proceeding brought by the Department against such party.
- $\S$  5. Section 32-03 of Chapter 32 of Title 15 of the Rules of the City of New York is amended to read as follows:
- § 32-03 Conduct of Adjudicatory Hearings by the Office of Administrative Trials and Hearings.

New York City Department of Environmental Protection [adjudications] <a href="hearings">hearings</a> regarding the fitness and discipline of agency employees will be conducted by the Office of Administrative Trials and Hearings. After conducting [an adjudication] <a href="hearing">a hearing</a> and analyzing all testimony and other evidence, the hearing officer shall make written proposed findings of fact and recommend decisions, which shall be reviewed and finally determined by the Commissioner.

§ 6. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 45, to read as follows:

Chapter 45 Abatement Orders

§ 45-01 Abatement Orders issued pursuant to Section 24-146

(a) The department may issue an abatement order whenever it is found that work is being performed in violation of the provisions of subdivisions (a) through (f) of Section 24-146 of the administrative code, or Chapter 13 of these rules, and that such work poses a threat to human health and safety. Such circumstances may include, but are not limited to causing or permitting the emission of dust as a result of the transportation or storage of any material that may generate dust, the construction or alteration of a building or its appurtenances or a road, the spraying of any insulating material in or upon any building or other structure during its construction, alteration or repair, or the causing or permitting a building or other structure to be demolished. Upon issuance of an abatement order, the activity giving rise to the violation shall immediately stop unless otherwise specified.

**◆** d14

(b) Such order may be given orally or in writing to the owner, lessee or occupant of the property involved, or to the agent of any of them, or to the person or persons performing the work. Except as provided in subdivision (c), a verbal order shall be followed promptly by a written order and shall include the reason for the issuance of an abatement order. The order may require all such work to be done as may be necessary, in the opinion of the commissioner, to remove the danger therefrom.

(c) An abatement order issued pursuant to subdivision (a) of this section may be appealed in accordance with the Section 45-02 of these rules. In the case of a verbal abatement order, if the commissioner determines that the condition that gave rise to the order has been immediately corrected, such order shall be lifted at once and shall not be followed by a written order.

§ 45-02 Procedure to Appeal a Written Abatement Order Issued Pursuant to Section 24-146

- (a) Notice and Opportunity to be Heard.
  - (1) The appeal shall be filed on a form to be prescribed by the department.
  - (2) Upon filing of an appeal, a hearing will be scheduled in accordance with the provisions of Chapter 32 of Title 15 of these rules. The hearing will be held within 14 days of the filing of the appeal.
  - (3) After the hearing, the department may lift the abatement order if it is determined that the order was not properly issued, or upon the submission of proof satisfactory to the commissioner that the requirements of such order have been satisfied.

BEACH 21ST STREET MIXED-USE DEVELOPMENT, DOWNTOWN FAR ROCKAWAY - Request for Proposals - PIN#6541-0 - Due 3-14-17 at 4:00 P.M.

Be a part of Mayor de Blasio's "Housing New York" affordable housing Be a part of Mayor de Biasios riousing New York alloruable housing plan, through a new development opportunity, located in Downtown Far Rockaway, Queens. New York City Economic Development Corporation (NYCEDC) and the New York City Department of Housing Preservation and Development (HPD) are seeking proposals for the long-term ground lease and development of an approximately 42,500 square foot site (the Site) in the center of Downtown Far Rockaway. The highly visible Site is located, less than a block from the A train, adjacent to a planned public plaza, and less than a mile from the beach. It is also above the 100-year and 500-year flood plains.

The RFP presents an exciting opportunity to create a mixed-use development as one of the first steps in the comprehensive revitalization of Downtown Far Rockaway. You'll be creating a dynamic project that activates the commercial heart of the district; providing the community with needed housing, services and amenities; and contributing to the evolution of the neighborhood.

Public investments totaling \$90 million are already underway in Downtown Far Rockaway and, in February 2016, Mayor Bill de Blasio announced the allocation of an additional \$91 million to act on the vision shared by the community and laid out by the Downtown Far Rockaway Working Group. This represents a total commitment of more than \$180 million to the neighborhood.

As one of many strategies in the "Downtown Far Rockaway Roadmap For Action", NYCEDC is currently conducting the required environmental review and preparing an application for the Uniform Land Use Review Procedure to rezone the neighborhood, including the Site, to allow for a wider range of uses, strengthening existing commercial corridors and unlocking the potential for more vibrant, mixed-use development throughout the area. For further details, visit http://www.edc.nyc/FarRockaway.

NYCEDC plans to select a developer on the basis of factors stated in the RFP, which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, the proposal's competitiveness with regard to the project goals, and financial feasibility.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (M/WBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives.

This project has M/WBE participation goals, and all respondents will be required to submit a M/WBE Narrative Form with their response. To learn more about NYCEDC's M/WBE program, visit www.edc.nyc/opportunitymwdbe. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to www.nyc.gov/buycertified.

NYCEDC established the Kick Start Loan programs for M/WBEs interested in working on public projects. Kick Start Loans facilitates financing for short-term mobilization needs such as insurance, payroll, supplies and equipment. Bidders, sub-contractors and sub-consultants are strongly encouraged to visit the NYCEDC website at http://www.edc.nyc/opportunitymwdbe to learn more about the program.

An optional informational session will be held on Wednesday, January 18, 2017, at 2:00 P.M., at NYCEDC. Those who wish to attend should RSVP by email to Beach21StreetRFP@edc.nyc on or before Thursday, January 12, 2017.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 5:00 P.M. on Thursday, February 9, 2017. Questions regarding the subject matter of this RFP should be directed to Beach21stStreetRFP@edc.nyc. Answers to all questions will be posted by Thursday, March 2, 2017, to www.edc.nyc/RFP. Please submit six (6) sets of your proposal.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

**SEA VIEW HEALTHY COMMUNITY** - Request for Information - PIN#5916-0001 - Due 3-31-17 at 4:00 P.M.

Approximately 80 acres of City land is available for a master-planned, mixed-use community at a scenic, historic hilltop site in New York City. New York City Economic Development Corporation ("NYCEDC"), in partnership with NYC Health and Hospitals and in coordination with the New York City Department of Housing Preservation and Development, is seeking proposals for a master-planned, mixed-use community at the historic Sea View Hospital (the "Site"). Located just north of Staten Island's verdant Greenbelt park system and replete with the dramatic New York Harbor views for which it is named, Sea View Hospital, is now mostly vacant and available for redevelopment as "Sea View Healthy Community." Consistent with the hospital's legacy as New York City's historic battlefront against tuberculosis and as the site of significant advances leading to its cure, Sea View Healthy Community aims to facilitate healthy living and wellbeing among its residents and visitors.

NYCEDC seeks proposals that incorporate a diverse mix of uses, including health-focused programming, retail, commercial and community facilities (particularly medical and wellness facilities); and housing for a range of

incomes, ages and ability levels. As a "Healthy Community," the Site's redevelopment should promote exercise, access to nature, social engagement, and good nutrition for its residents and visitors. Given its size and location, the Site represents a unique opportunity to develop a groundbreaking concept that will be the first of its kind in the New York City and among the first of its kind in the nation.

This RFEI is not intended as a formal offering for the disposition of the Site. NYCEDC may elect to release a targeted request for proposals to selected respondents of this RFEI and, potentially, other parties at a later time. Notwithstanding the foregoing, NYCEDC reserves the right to select a developer, for a portion of or the entire Site, on the basis of responses to this RFEI without any further process. Therefore, NYCEDC strongly encourages all parties interested in redeveloping all or portion(s) of the Site to submit proposals in response to this RFEI.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives.

This project has MWBE participation goals, and all respondents will be required to submit an MWBE Participation Proposal with their response.
