PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD)

DPR is seeking to evaluate and pre-qualify a list of general contractors (a"PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Promulgation of Rules

NOTICE IS HEREBY GIVEN in accordance with Section 1043(b) of the New York City Charter ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates amendments to its rules regarding the Citywide Accessible Dispatch Program.

These rules are promulgated pursuant to Sections 1043 and 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

These rules were published on October 7, 2016, for public comment in the City Record. On November 10, 2016, a public hearing was held by the TLC at its offices, at 33 Beaver Street, $19^{\rm th}$ Floor, New York, NY 10004.

Statement of Basis and Purpose of Rule

Increasing the number of and passenger access to Wheelchair Accessible Vehicles on New York City roads is a TLC priority. The TLC launched the Accessible Dispatch Program in 2012; by 2015 the Dispatch Program provided 47,000 medallion taxi rides originating in Manhattan to destinations throughout the City. The TLC plans to expand the program, which currently operates only in Manhattan, to the other four boroughs. The expansion will also include on-demand or reservation-based pick-up by yellow and Street Hail Livery (green) accessible cabs. The expanded Accessible Dispatch Program will provide access to reliable accessible taxi service to passengers with mobility impairments throughout the five boroughs. As in the current accessible dispatch program, drivers will receive a fee, known as a dispatch fee, for every trip driven in the program.

As with the existing program, Owners will not pay to install or maintain dispatch equipment, and passengers will continue to pay standard metered fares for dispatch trips, In addition, the rules in Chapter 53 are restructured to clarify which rules apply to owners or drivers only.

Specifically, the rules:

• require all accessible yellow and green taxicabs to participate in

the Citywide Accessible Dispatch Program;

- require that dispatch fees be paid to drivers directly by the Accessible Taxi Dispatcher, in addition to the metered fare. The fees for the program will come from the Taxicab Improvement Fund and the Street Hail Livery Improvement Fund;
- provide for different dispatch fees based on the point of origin because outer borough-based trips differ from Manhattan-based trips in driving patterns, trip and vehicle behavior,
- to guard against fraudulent trips, limit to two per week the number of times that a Driver may receive dispatch fees for passenger no-shows and cancellations;
- require vehicle owners to install and maintain dispatch equipment using TLC's contractor.

These rule amendments are authorized by Section 2303 of the New York City Charter and Section 19-503 of the Administrative Code.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material is underlined.

[Deleted material is in brackets.]

Section 1. The following definitions set forth in Section 51-03 of Title 35 of the Rules of the City of New York are amended, one new definition is added and two definitions are deleted, to read as follows:

[Accessible Livery is a For-Hire Vehicle designed to permit access to and enable the transportation of persons in wheelchairs and is equipped with a Taximeter.]

Accessible Taxi Dispatcher. The Accessible Taxi Dispatcher is the entity which, under contract with the Commission, will convey dispatches, or requests for accessible service to Drivers of Accessible Taxicabs and to Drivers of Accessible Street Hail Liveries to provide transportation for a [Wheelchair using] Passenger or group of Passengers, at least one of whom must be [in a wheelchair] mobilityimpaired, for trips that originate in [Manhattan] New York City.

Dispatch Equipment. The "Dispatch Equipment" is the communications equipment provided by the Accessible Taxi Dispatcher or an acceptable interface with the Taxicab Technology System and the Street Hail Livery Technology System, that allows Approved Drivers operating Accessible Vehicles to receive dispatches from the Accessible Taxi Dispatcher.

Dispatch Fee is the fee payable to the Driver of an Accessible Taxicab for completing a trip dispatched by the Accessible Taxi Dispatcher. [The Dispatch Fee will be calculated by combining:

- an amount compensating the Driver for the time and distance traveled to the Passenger location. This amount will be based on TLC data for the average cost of a total fare at existing Rates of Fare in one-half mile increments (up to a maximum distance of 2.5 miles), and
- (2) an amount compensating the Driver for time in waiting for and assisting the Passenger into the vehicle of ten minutes at the existing Rates of Fare for time. If no Passenger appears, the Driver shall still be entitled to this amount.

The Dispatch Fee will include tolls to the pickup location and will also include an additional \$5 Passenger no-show fee if the Passenger does not appear at the pickup location within a ten minute period. The Dispatch Fee will be posted on the TLC Website and the amounts will be reviewed by the Chair annually or at the time of any Rate of Fare changes.

Examples: 1) Distance to Passenger pickup is 0.5 miles. TLC trip data indicates that an average fare for a 0.5 mile trip is \$5.00. Driver receives \$5.00 for this portion, and an additional \$5.00 which reflects a wait time of 10 minutes at \$0.50 per minute. Total is \$10.00 (\$5.00 and \$5.00) plus any tolls to the pickup location. 2) Distance to Passenger pickup is 1.0 miles. Driver receives \$10.00 for this portion and an additional \$5.00 for the wait time for a total of \$15.00 (plus any tolls to the pickup location).]

The Dispatch Fee is based on the distance travelled by the Driver between acceptance of the trip dispatch and arrival at the Passenger pickup location. The Dispatch Fee will compensate the Driver for the distance travelled to the Passenger location, as well as time spent waiting for and assisting the Passenger into and out of the vehicle, assumed to be an average of ten minutes, paid at the existing Rates of Fare for time.

Any tolls incurred by the driver in traveling to the pickup location will be added to the Dispatch Fee, at EZ-Pass rates and following the routing provided by the Accessible Taxi Dispatcher. The Dispatch Fee will be calculated based on the location of Passenger pickup, following the schedules below:

For trips with a Passenger pickup location in Manhattan:

Maximum Distance (miles)	<u>Dispatch Fee</u>
<u>Up to 0.5</u>	<u>\$10.00</u>
<u>0.5 - 1</u>	<u>\$15.00</u>
<u>1 - 1.5</u>	<u>\$20.00</u>
1.5 - 2	<u>\$25.00</u>
More than 2	<u>\$30.00</u>
Passenger No-Show	<u>Fee above plus \$5.00</u>
Cancellation Fee	Fee above minus \$5.00
Necessary Tolls	Added to fee above at EZ-Pass rate

For trips with a Passenger pickup location outside of Manhattan:

Maximum Distance (miles)	<u>Dispatch Fee</u>
<u>Up to 0.5</u>	<u>\$6.00</u>
0.5 - 1	<u>\$10.00</u>
1-2	<u>\$12.50</u>
2 - 3	<u>\$15.00</u>
<u>3 – 5</u>	<u>\$20.00</u>
More than 5	<u>\$25.00</u>
Passenger No-Show	Fee above plus \$5.00
Cancellation Fee	Fee above minus \$5.00
Necessary Tolls	Added to fee above at EZ-Pass rate

The \$5 Passenger No-Show Fee applies if the Passenger does not appear at the pickup location within ten minutes of driver's arrival for on-demand trips or within ten minutes of the scheduled pickup time for reservation trips.

The Cancellation Fee applies if the Passenger cancels the trip after the Driver has traveled more than 0.5 miles to the Passenger pickup location following acceptance of the trip. The Cancellation Fee will be calculated by subtracting \$5.00 from the appropriate Dispatch Fee for the distance traveled by the Driver at the time of cancellation.

Example: The Driver of a Taxi making a trip of more than 2 miles to pick up a Passenger and the Passenger cancels the trip after the Driver has traveled at least half a mile will receive a net Dispatch Fee of \$25.00 (\$30.00 less the \$5.00 Cancellation Fee).

A Driver will not be entitled to collect more than two combined Cancellation and No-Show Fees in any Monday through Sunday weekly period.

 $[\textbf{Taxi Accessibility Fee} \ \text{is the fee} \ \text{required by these} \ \text{rules to be}$ paid by Owners, as defined by Chapter 58, to the Commission to provide accessible service to Wheelchair using Passengers. The Taxi Accessibility Fee shall be set in accordance with the terms of an agreement between the Commission and an approved vendor and will be based on the per medallion cost to the vendor for equipment, administrative expenses associated with operation of the dispatch system, outreach and Dispatch Fees.]
