## Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed theater" shall mean a theater designated as listed pursuant to Section 81-742 (Listed theaters).

\* \* \*

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed theater" and comprised of those block and lot numbers specified for such theater pursuant to the table in Section 81-742, as such block and lots existed on January 12, 1998. However, a "granting site" shall not include any #zoning lot# occupied by a "listed theater" located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the "granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed theaters," that portion of the #zoning lot# occupied by the "listed theater" and comprised of the block and lot numbers specified for such theater, pursuant to the table in Section 81-742, shall not be included in the "receiving site."

Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate #bulk# in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

The "floor price" is a value per square foot of transferable development rights in the Theater Subdistrict, which shall provide a basis for establishing a minimum contribution to the Theater Subdistrict Fund established pursuant to paragraph (i) of Section 81-741 (General provisions), as provided in this Section. As of [date of adoption] the "floor price" is equal to \$347 per square foot. When establishing or adjusting the "floor price", the City Planning Commission shall initiate a market study conducted by qualified professionals utilizing industry best practices. The City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act no more than once every three years and no less than once every five years.

An applicant for transferable development rights, upon written request to the City Planning Commission, may ask for a market study to determine any recent changes in market conditions within the Subdistrict. The study must be paid for by the applicant and completed within a one-year timeframe. The Department of City Planning shall initiate the study conducted by qualified professionals utilizing industry best practices and the City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act.

### (a) Transfer of development rights by certification

The <u>Chairperson of the City Planning Commission shall allow, by</u> certification, a transfer of development rights from a "granting site" to a "receiving site," except that any "granting site," or portion thereof, located outside the Theater Subdistrict, may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, provided that:

- (1) the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Sections 81-211 (Maximum floor area ratio for non-residential or mixed buildings) or 81-213 (Special provisions for transfer of development rights from listed theaters within the Special Clinton District), as applicable, for such "granting site" as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the "granting site" and #floor area# attributed to the "granting site" that has been previously used or transferred;
- (2) each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# or #enlarged# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;
- (3) the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 for such "receiving site" by more than 20 percent;
- (4) the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and
- (5) appropriate legal documents are executed ensuring that and recorded and a contribution in an amount equal to tendollars\* per square foot of transferred #floor area# be has been deposited in the Theater Subdistrict Fund established pursuant to paragraph (i) of Section 81-741 (General provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights. Such contribution shall:
  - (i) be equal to \$17.60 per square foot of transferred #floor area# for an application that is certified by the Chairperson of the City Planning Commission or authorized by the Commission, pursuant to paragraph (b) of this Section, by June 30, 2017;

- (ii) be equal to 10 percent of the sale price of the transferred #floor area# or an amount equal to 10 percent of the "floor price" multiplied by the amount of transferred #floor area#, whichever amount is greater, for any other application filed by December 31, 2017, provided such application is certified by the Chairperson or authorized by the Commission, pursuant to paragraph (b) of this Section, within one year of filing;
- (iii) for any other application, be equal to the greater of 20 percent of the sale price of the transferred #floor area#, or an amount equal to 20 percent of the "floor price" multiplied by the amount of transferred #floor area#.

The City Planning Commission shall review such amount no more than once every three years and no less than once every five years and shall adjust the amount to reflect any change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

### (b) Transfer of development rights by authorization

The City Planning Commission shall allow, by authorization, an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within the Eighth Avenue Corridor, except that any "granting site," or portion thereof, located outside the Theater Subdistrict may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, subject to the following conditions:

- (1) the maximum amount of such additional #floor area# transfer to that portion of a "receiving site" located within such Corridor shall not exceed the maximum total #floor area ratio# with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent; and
- (2) such transfer complies with the conditions and limitations set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#:

- relates harmoniously to all structures and #open space# in its vicinity in terms of scale, location and access to light and air in the area; and
- (ii) serves to enhance or reinforce the general purposes of the Theater Subdistrict.

Any application pursuant to paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. No certification or authorization shall be granted prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in To respond to human services Requests for Proposals (RFPS), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate

compliance with corporate filings, organizational capacity, and relevant service experience.

• Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective yendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

 $\bf PSYCHOLOGICAL\ TEST\ MATERIALS$  - Sole Source - Available only from a single source - PIN#2-0441-0183/2017 - Due 1-30-17 at

Johnson, Roberts and Associates, Inc. is the sole licensor, provider and supporter of the JR and A Police and Public Safety Selection Report. This report is only available through Johnson, Roberts and Associates, Inc., and contains statistical, selection-relevant presentations (e.g., proprietary norm, prediction equations) of psychological tests data (i.e., CPI, PAI, PSYQ). The JR and A Police and Public Safety Selection Report is created by data that is first collected by way of copyrighted answer sheet (i.e., developed by Johnson, Roberts and Associates, Inc.) that is read by a Scantron device (i.e., 'scanner') according to a proprietary and copy written Scantron form definition file

Since 2010, Johnson, Roberts, and Associates, Inc. has provided testing report services to the New York City Department of Correction (NYCDOC - Applicant Investigation Unit - Psychological Services) as a whole-source vendor. The licensed psychologists at the New York City Department of Correction have used these Police and Public Safety Applicant Selection Reports (with job-specific corrections officer norms) to conduct pre-employment psychological evaluations of NYC Correction Officer Candidates.
The Psychological Services branch of the NYCDOC Applicant

Investigation Unit (AIU) uses three Johnson, Roberts, and Associates, Inc. Psychological testing reports, generated from the following instruments:

1. the Psychological History Questionnaire (PsyQ), 2. the California Psychological Inventory (CPI),

3. the Personality Assessment Inventory (PAI).

More recently, Johnson, Roberts, and Associates, Inc. has provided these testing report services to other large, area agencies; for example, the New York City Police Department, The Institute for Forensic Psychology (serving public safety departments in New Jersey and New York City), and The New York State Department of Correctional Services. These psychological testing reports are produced on-site (i.e., by installing the vendor's software, producing the reports) and are maintained in the sole possession of the NYCDOC to secure and reproduce if needed; that is, Johnson, Roberts, and Associates, Inc. does not have access to the aggregate candidate reports once they are produced

Any firm which believes it can provide the required goods and/or services in the future is invited to express interest via email to docacco@doc.nyc.gov. The vendor must have specific expertise to provide Pre-Employment Psychological Testing Materials which includes a test booklet and answer sheet owned exclusively by Johnson, Roberts, and Associates, Inc.

### READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

### PRE-QUALIFIED LISTS

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

### NON-MAYORAL ENTITIES

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
