"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- **Win More Contracts at nyc.gov/competetowin**

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose of Proposed Rule

When the charges were in effect, the Department of Finance administered the City's Annual Vault Charge and the Tax on Coin Operated Amusement Devices.

Section 1 of this proposed rule would repeal Chapter 2 of Title 19 of the Rules of the City of New York relating to the Annual Vault Charge. The Annual Vault Charge was imposed by Chapter 27 of Title 11 of the City's Administrative Code. This was repealed in 1997 and no vault charge or additional charge under Chapter 27 has been imposed since 1998.

Section 2 of this proposed rule would repeal Chapter 5 of Title 19 relating to the Tax on Coin-Operated Amusement Devices. This tax was also repealed in 1997.

This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget. The initiative identified rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. The Department determined that these rules were no longer needed. This proposed rule would repeal these chapters.

Matter underlined is new. Matter in brackets [] is to be deleted.

Repeal of Rules Relating to the Annual Vault Charge and Coin-Operated Amusement Devices

Section 1. Chapter 2 of Title 19 of the Rules of the City of New York, relating to annual vault charges, is REPEALED.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going

to the website at <http://rules.cityofnewyork.us/>. A few days after the hearing, copies of all comments submitted online, copies of all written comments, and an audiotape of oral comments concerning the proposed rules will be available to the public at 421-a Customer Service Conference Room No. 8-CO9, 8th Floor, 100 Gold Street, between 10:00 A.M. - 4:00 P.M. on weekdays.

What authorizes HPD to make this rule? Sections 1043 and 1802 of the City Charter and Sections 420-c, 421-a, 421-b, 421-g, and 489 of the New York State Real Property Tax Law authorize HPD to make these proposed rules. This proposed rule was not included in the Department's regulatory agenda for this fiscal year because it was not contemplated when the Department published the agenda.

Where can I find the HPD rules? The HPD rules are in Title 28 of the Rules of the City of New York.

What rules govern the rulemaking process? HPD must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

In New York City, HPD is responsible for making eligibility determinations for as-of-right exemptions from, or abatements of, real property taxation pursuant to New York State Real Property Tax Law §§ 420-c, 421-a, 421-b, 421-g, and 489, provisions of the City of New York Administrative Code enacted pursuant thereto, and rules of the City of New York promulgated pursuant thereto.

HPD ensures that applicants for these benefits comply with the relevant eligibility requirements. For example, Real Property Tax Law § 421-a ("421-a Statute") provides real property tax exemptions for eligible, new multiple dwellings ("421-a Benefit"), and requires that rental units receiving a 421-a Benefit be rent stabilized ("Rent Stabilization Requirement"). If an applicant fails to comply with these eligibility requirements, HPD may revoke the 421-a Benefit.

Chapter 39 of Title 28 of the Rules of the City of New York governs the revocation procedures for such tax exemptions and abatements ("Revocation Rules"). HPD is proposing amendments to the Revocation Rules to clarify the definition of the term "Revocation Date" and the addresses to which notices must be sent.

The current definition of "Revocation Date" in the Revocation Rules provides that it may not precede the "Cause Date," defined as the first date upon which any Violation, Misrepresentation, Omission, Failure, or Discrimination occurred. For those properties that enjoy an exemption and/or abatement before meeting all of the eligibility criteria, however, the Revocation Date may precede the Cause Date because the property enjoyed real property benefits to which it ultimately was never entitled.

For example, the 421-a Benefit consists of construction period benefits and final benefits. If a property converts to a commercial project during the second year of its construction benefits period, the 421-a Benefit should be revoked retroactively to the commencement of the construction. Similarly, if a property receives construction period benefits and does not rent stabilize its rental units at completion, all of the 421-a Benefit the property enjoyed should be revocable.

HPD's proposed rule amendment reflects what has traditionally been HPD's practice by clarifying HPD's ability to revoke tax benefits granted before all eligibility criteria are fulfilled when those criteria are not fulfilled in a timely manner.

HPD's proposed rule amendment also clarifies the wording of §39-05 to unambiguously reflect HPD's policy of delivering notices by mail to both the fee owner and, where relevant, the mortgagee, in addition to the notices delivered by mail to the real property tax bill addressee and both the agent and the owner identified in the multiple dwelling registration.

In addition, HPD's proposed rule amendment adds "Noticed Property" as a defined term, in order to put §39-05 in plainer English and thus make it easier to read and understand.

HPD's authority for this rule is found in Sections 1043 and 1802 of the New York City Charter and Sections 420-c, 421-a, 421-b, 421-g, and 489 of the Real Property Tax Law.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. The definition of "revocation date" in Section 39-01 of Chapter 39 of Title 28 of the Rules of the City of New York is amended to read as follows:

Revocation Date. "Revocation Date" shall mean the date as of which HPD proposes to Revoke, or does Revoke, a Tax Benefit. The Revocation Date may be upon such date as HPD may determine, but shall not precede the Cause Date unless the Property received a Tax

Benefit before fulfilling all eligibility criteria for such Tax Benefit, in which case the Revocation Date may precede the Cause Date.

§ 2. Section 39-01 of Chapter 39 of Title 28 of the Rules of the City of New York is amended by adding a new definition to be inserted in alphabetical order and to read as follows:

Noticed Property. "Noticed Property" shall mean a Property that is the subject of an Initial Notice, Pre-Hearing Notice, Hearing Notice, or Determination Notice.

§ 3. Section 39-05 of Chapter 39 of Title 28 of the Rules of the City of New York is amended to read as follows:

§39-05 Notices.

HPD shall deliver all Initial Notices, Pre-Hearing Notices, Hearing Notices, and Determination Notices to the Taxpayer by mail to (i) the address to which DOF delivers real property tax bills for the Noticed Property [that is the subject of such notice], (ii) the last address indicated in documents recorded in the office of the City Register for any Taxpayer holding fee title to [or a mortgage on] the Noticed Property [that is the subject of such notice], [and] (iii) the last address indicated in documents recorded in the office of the City Register for any Taxpayer holding a mortgage on the Noticed Property, (iv) the address of [the] any owner [or agent] registered for the Noticed Property [that is the subject of such notice] in accordance with Article two of subchapter four of Chapter two of Title twenty-seven of the Administrative Code, [if any] and (v) the address of any agent registered for the Noticed Property in accordance with Article two of subchapter four of Chapter two of Title twenty-seven of the Administrative Code. Any such notice shall be deemed to have been given upon the third day after such notice has been deposited in the United States mail.
