The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

NOTICE

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Transportation ("DOT") and the City of New York ("City"), has proposed the acquisition of Certain portions of Victory Boulevard from South Greenleaf Avenue to Winthrop Place; Manor Road from Josephine Street to Governor Road; Raymond Avenue from approximately 40 feet north of Victory Boulevard to Victory Boulevard as shown on Damage and Acquisition Map No. 4228, and Victory Boulevard from Winthrop Place to Sommers Lane as shown on Damage and Acquisition Map No. 4247 (Capital Project: HWR005-05) in the borough of Staten Island; and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to determine whether the public would be better served by the proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City held a public hearing pursuant to EDPL Section 204 in relation to this acquisition on December 19, 2016, in the borough of Staten Island. Having given due consideration to the complete hearing record, which includes, among other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisitions and project:

1. The public use and benefit of this project is for the reconstruction of roadways, sidewalks and curbs and appurtenances in the borough of Staten Island (the "Project").
2. The properties to be acquired are shown on the City's Tax Map for the borough of Staten Island and include the following properties:
 - Block 346, part of Lots 1 and 523
 - Block 349, part of Lot 1
 - Block 350, part of Lots 1, 3, 5, 7, 8, 10, 12, 22, 25, 27, 28, 30, 31, 33 and 35
 - Block 371, part of Lots 44, 53, 57, 58, 61
 - Block 372, part of Lot 26
 - Block 373, part of Lot 30
 - Block 707, part of Lots 1, 8, 10, 12; and 16
 - Block 709, part of Lots 1, 7, 12, 18, 20, 23, 28 and 33
 - Block 710, part of Lot 29 and
 - Bed of Victory Boulevard from South Greenleaf Avenue to Winthrop Place; Beds of Manor Road from Josephine Street to Governor Road; and Beds of Raymond Avenue from approximately 40 feet north of Victory Boulevard to Victory Boulevard.

The proposed acquisition shall consist of the following locations in the Borough of Staten Island:

Victory Boulevard from South Greenleaf Avenue to Winthrop Place; Manor Road from Josephine Street to Governor Road; Raymond Avenue from approximately 40 feet north of Victory Boulevard to Victory Boulevard and Victory Boulevard from Winthrop Place to Sommers Lane.

The City selected these locations based on a need for the reconstruction of roadways, sidewalks, curbs and appurtenances:

- (1) The general effect on the neighborhood will be to improve current living conditions. The proposed Project involves the reconstruction of roadways, sidewalks, curbs and appurtenances. This Project will have no significant adverse effect on the environment. The proposed property acquisition locations were

included in an Environmental Assessment Statement, also known as an "EAS," completed on July 30, 2013 by the NYCDOT. Based on the recommendations contained in the EAS, necessary mitigation measures will be included in the design for this and other projects in the area covered by the aforementioned document.

Comments and concerns raised by the property owners at the public hearing and through subsequent written submissions have been reviewed by the City. Property owners raised concerns regarding the Project's adequacy, duration, safety and cost. The City continues to review its construction plans and will make modifications addressing any issues whenever possible. DDC will also work with DOT, other agencies, and the community in order to review and address Project-related concerns. Concerns were also raised regarding the impact of the Project on: each property involved; businesses; metered parking; telephone poles; electric and cable wires; and electrical service. The City will work with all public and private parties involved in the project to minimize the impact of construction activities on the street, residents and environment.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.
