- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

Statement of Basis and Purpose

On January 5, 2016, Local Law 2 of 2016 (“the Law”) was enacted. The Law empowers the Mayor of the City of New York (“the Mayor”) to authorize a program to reimburse qualifying nonpublic schools for the cost of procuring certain security services. By letter dated March 30, 2016, the Mayor authorized this reimbursement program for the 2016-17 school year. The Law also authorizes the Mayor to designate an agency or agencies to administer the reimbursement program. By letter dated March 10, 2016, the Mayor designated the Department of Citywide Administrative Services (“DCAS”) as the Law’s administering agency. Finally, the Law authorizes DCAS to promulgate rules for the administration of the reimbursement program.

The amendment to the rules:

- Amends the date by which new and existing schools must submit their applications to participate in the reimbursement program for the 2017-2018 school year and for subsequent years in which the reimbursement program is authorized.

DCAS’s authority for these rules is found in Sections 811 and 1043 of the New York City Charter and Sections 10-172(c), and 10-172(m) of the Administrative Code of the City of New York.

New material is underlined.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendment

Paragraph (i) of Subdivision (b) of Section 14-03 of Title 55, of the Rules of the City of New York is amended to read as follows:

- After completing HHS Accelerator’s business and service applications, a school may access the application to participate in the Reimbursement Program. The application will be on a form prescribed by the Department and will be accessed through HHS Accelerator. For the [2016-17] 2017-2018 school year, and for any subsequent school year in which the Reimbursement Program is authorized, the deadline to submit a completed application is [November 1, 2016] May 15. [For any subsequent school year in which the Reimbursement Program is authorized, the deadline to submit a completed application is October 15]. This deadline applies to both new and existing schools that wish to participate in the Reimbursement Program.

The Department [shall] will use such application to determine whether a school is qualified to participate in the Reimbursement Program.

What authorizes DSNY to make this rule? Sections 1043 and 753 of the New York City Charter and Section 16-120 of the New York City Administrative Code authorize DSNY to make this proposed rule. What rules govern the rulemaking process? DSNY must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Department of Sanitation is proposing a rule that would limit the size of receptacles containing solid waste that are set out for collection by the Department. Specifically, this rule would limit the maximum size of such receptacles to fifty-five gallons. This rule will ensure that receptacles are of an acceptable size for the Department's sanitation workers to safely handle in the course of their collection duties. Violators will be subject to a fine for using an improper receptacle as set forth in Section 16-120 of the Administrative Code. The fine for a first violation will be \$100. The fine for a second violation in a twelve month period will be \$100. The fine for a third and any subsequent violations in a twelve month period will be \$200.

DSNY's authority for these rules is found in Section 753 of the New York City Charter.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1-02.1 of Title 16 of the rules of the City of New York is amended to read as follows:

§ 1-02.1. [Placement of] Requirements for Receptacles and Bags Containing Solid Waste and Recyclables for Collection.

(a) Occupants of residential buildings, public buildings, and special use buildings, except commercial occupants of residential buildings where Department collection service is not otherwise authorized by Section 1-03 of this chapter, shall not place receptacles or bags containing solid waste or recyclables out at the curb for collection by the Department earlier than 4:00 P.M. on the day before scheduled collection. Receptacles containing solid waste that are set out at the curb for collection by the Department must not exceed fifty-five gallons in size.

RULE TITLE: Limitation on Size of Solid Waste Receptacles

REFERENCE NUMBER: DSNY-14

RULEMAKING AGENCY: Department of Sanitation

I certify that this office has analyzed the proposed rule referenced above as required by Section 1043(d) of the New York City Charter, and that the proposed rule referenced above:

- (i) Is understandable and written in plain language for the discrete regulated community or communities;
- (ii) Minimizes compliance costs for the discrete regulated community or communities consistent with achieving the stated purpose of the rule; and
- (iii) Does not provide a cure period because rule violations arise from completed events, the consequences of which are immediate, which makes a cure period impracticable under the circumstances. The Department, however, will issue warnings instead of violations for the first few months after the new rule is in effect.
