HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PUBLIC HEARING IN THE MATTER OF the amendment to the terms and conditions of certain real property previously conveyed by the City of New York ("City"), as submitted by the Department of Housing Preservation and Development ("HPD"), pursuant to Section 695(2)(b) of the General Municipal Law, and Section 1802(6)(j) of the Charter, located in the Borough of the Bronx and known as:

BLOCK	LOT	ADDRESS
2426	62	382 East 168th Street
2371	27	490 East 167th Street
2371	29	194 East 167th Street
16	1	1088 Washington Avenue
2371	6	1102 Washington Avenue

on the Tax Map of the City ("Premises") and also now known as the 163rd Street Bronx Housing Development Fund Company project in the Participation Loan Program.

The City conveyed the referenced Premises to 167th Street Housing Development Fund Corporation ("Current Owner"), under HPD's Special Initiatives Program on June 25, 1999, pursuant to Mayoral Approval Document dated March 19, 1999 (Cal. No. 8). The Premises consists of four (4) multiple dwellings containing an aggregate of seventy-three (73) dwelling units for low income families. The City deed contains a restriction which prohibits the Current Owner from conveying the Premises to any entity other than a governmental entity, or a not-for-profit corporation which qualifies under Section 501(c)(3) of the Internal Revenue Code. This submission is to request approval to modify such deed restriction in order to remove the requirement that the Premises be conveyed to an entity which qualifies under Section

501(c)(3) and instead allow the Current Owner to convey the Premises to any housing development fund company organized pursuant to the Not-For-Profit Corporation Law, and Article XI of the Private Housing Finance Law (the "Qualified HDFC"), and to allow such Qualified HDFC (i) to convey the Premises to another Qualified HDFC or (ii) to retain legal title to the Premises and convey its beneficial interest in the Premises.

The Premises is now part of a proposed preservation transaction. Under the proposed transaction, the Current Owner will transfer the Premises to 163rd Street Bronx Housing Development Fund Company ("Proposed Owner"), and the Proposed Owner will transfer the beneficial interest in the Premises to 163rd Street Equities LLC ("Beneficial Owner") ("Proposed Owner" and "Beneficial Owner" are collectively "New Owner"). New Owner will rehabilitate the Premises and extend the affordability of the Premises for forty (40) years.

PLEASE TAKE NOTICE that public hearings will be held at (i) 10:00 A.M., on Monday, May 8, 2017, at the New York Public Library, 910 Morris Avenue, Bronx, NY 10456, and (ii) 10:00 A.M., on Monday, May 22, 2017, at the offices of Bronx Community Board 3, 1426 Boston Road, Bronx, NY 10456, or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed modification of deed restriction pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, Room 905, 253 Broadway, New York, NY 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. TDD users should call Verizon relay services.

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)

- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

■ NOTICE

Notice of Opportunity to Comment on Proposed Rules

What are we proposing? The Department of Housing Preservation and Development ("HPD") is proposing to repeal Chapter 29 of Title 28 of the Rules of the City of New York titled, "SIP Occupied Sales Program." This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget.

When and where is the hearing? HPD has determined, pursuant to New York City Charter Section 1043(e), that a public hearing on the proposed rule would serve no public purpose.

How do I comment on the proposed rule? Anyone can comment on the proposed rule by:

- **Website.** You can submit comments to HPD through the NYC rules website at <http://rules.cityofnewyork.us>.
- **Email.** You can email written comments to rules@hpd.nyc.gov.

Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Special Initiatives Program ("SIP") of HPD's Division of Homeless Housing Development utilized vacant City-owned buildings to develop permanent housing for the formerly homeless. The purpose of the SIP Occupied Sales Program ("SIP Program") was to dispose of these buildings to qualified sponsors. The SIP Program rules in Chapter 29 were enacted to effectuate and regulate the SIP Program. All buildings in the SIP Program were sold to qualified sponsors more than twenty years ago. With the completion of the SIP Program, the SIP Program rules no longer serve any purpose, and therefore they may be repealed. For this reason, HPD proposes to repeal Chapter 29.

This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget. The initiative identified rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance.

Section 1. Chapter 29 of Title 28 of the Rules of the City of New York, relating to the Special Initiatives Program, is hereby REPEALED.

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Determination and Findings by the City of New York Pursuant to EDPL Section 204 with Respect to the Acquisition of Certain Properties in Furtherance of the Development of the Lower Concourse Harlem River Park in the Bronx

A duly-noticed public hearing was held on January 12, 2017, in accordance with Article 2 of the New York State Eminent Domain Procedure Law (“EDPL”), in connection with the proposal of the City of New York (“City”), by its Department of Parks & Recreation (“Parks”), to acquire by eminent domain certain private properties needed to facilitate the development of a 2.26 acre waterfront public park as part of an overall rezoning plan to assist in the redevelopment plan for the Lower Concourse neighborhood of the southwest Bronx, which included, among other things, the rezoning of 30 City blocks to allow for residential and commercial development, light industrial uses, and changing the City map to allow for the creation of a public park.

At the hearing, the public was informed, among other things, of the public use, benefit, and purpose to be served by the acquisitions; the locations of the proposed acquisitions and the reasons for those locations; the general effect of the proposed acquisitions on the environment and the residents of the locality. The hearing also provided an opportunity to solicit public comments on the proposed acquisitions.

The purpose of the acquisitions is to further the comprehensive redevelopment plan for the Lower Concourse neighborhood by facilitating the construction of a new waterfront park in an area approximately bounded by Major Deegan Boulevard (also identified as Exterior Street) to the east, the Harlem River to the west, the extension of the southerly line of East 144th Street to the south, and the extension of the northerly line of East 146th Street to the north. The proposed 2.26-acre waterfront park will help meet the open space needs of the neighborhood and of the new residential population that would be added to the community due to zoning changes for the area. The park will create an easily-accessible central open space for the new neighborhood and provide much-needed active recreational opportunities for existing and new residents. The location of the park was chosen for its proximity to the Harlem River and its easy accessibility from East 144th and East 146th Streets, since the Major Deegan Expressway is elevated along these blocks. The Properties currently are under private ownership and improved with buildings engaged in medium-level manufacturing uses.

The properties sought to be acquired by the City are Block 2349, Lot 103, Lot 107, and Part of Lot 100, all in the Borough of The Bronx (the “Properties”). The Properties encompass approximately 2.26 acres. Copies of an acquisition map showing the property interests to be acquired by the City were posted at the hearing.

The Properties are being acquired pursuant to ULURP Application C 090166 MMX approved by the CPC on May 20, 2009 and the City Council on June 30, 2009; ULURP Application N 090302 ZRX approved by the CPC on May 20, 2009 and the City Council on June 30, 2009; and ULURP Application Number C 090303 ZMX, approved by the CPC on May 20, 2009 and the City Council on June 30, 2009; and Alteration Map No. 13124.

The City made available for public inspection copies of the published Notice of Public Hearing and proof of its publication and mailing; the proposed acquisition map; the alteration map; the CPC

reports and City Council resolutions related to the Lower Concourse Harlem River comprehensive redevelopment plan and the proposed acquisition of the Properties; and the Final Environmental Impact Statement (“FEIS”).

The hearing provided an opportunity for the public to comment on the project. The record of the January 12, 2017 hearing remained open until the close of business on January 26, 2017. Oral testimony and written testimony were received into the record during the hearing. One timely written comment was received after the hearing.

Determination and Findings

Pursuant to EDPL § 204, and having given due consideration to the complete hearing record, which includes, among other things, all documents submitted, and all public comments, the City makes the following determination and findings concerning the above acquisitions:

The Public Use, Benefit, and Purpose to be Served by the Project [EDPL § 204(B)(1)]

The establishment of a public waterfront park will help meet the open space needs of the neighborhood and of the anticipated new residential population that would be added to the community due to zoning changes for the area, as well as providing much-needed active recreational opportunities for existing and new residents. The location of the proposed park was chosen for its proximity to the Harlem River, and its easy accessibility from East 144th and East 146th Streets, since the Major Deegan Expressway is elevated at this block. In neighboring areas, the Expressway is at grade, cutting off easy access to the parcels along the river from the streets to the east of the Expressway.

Project Location and Reasons for Selection of that Location [EDPL § 204(B)(2)]

The locations of the Properties are described above, and were determined to provide open space for existing and new residents, and to provide easy access to the waterfront that otherwise would be restricted by the Major Deegan Expressway. The park would create an easily-accessible central open space for the new neighborhood. The establishment of new parkland was done pursuant to ULURP and was approved by the CPC and City Council.

General Effect of the Project on the Environment and on the Residents of the Locality [EDPL § 204(B)(3)]

The general effects of the property acquisitions described herein and the planned uses are beneficial in that they will establish a new public waterfront park to meet the open space needs of the neighborhood and provide active recreation opportunities.

Findings were made by the CPC and the City Council in accordance with the New York State Environmental Quality Review Act (“SEQRA”) and the New York City Environmental Quality Review (“CEQR”). The FEIS, dated May 8, 2009, comprehensively analyzed the potential for significant adverse impacts that would result from the project and modifications made to it; analyzed a reasonable range of alternatives; disclosed the potential for significant adverse impacts resulting from the project; where practicable, identified potential mitigation measures for project impacts; and, for those impacts that could not be mitigated, disclosed them as well. In its reports, the CPC determined that the requirements of SEQRA and CEQR had been met, and it made findings regarding environmental impacts resulting from the project. The City Council also made findings under SEQRA and CEQR in its resolutions approving the actions described above.

The decision-makers considered the relevant environmental impacts, facts, and conclusions disclosed in the FEIS, and weighed and balanced relevant environmental impacts with social, economic, and other considerations. It was determined that, consistent with social, economic, other essential considerations, from among the reasonable alternatives available, the proposed acquisitions will avoid or minimize significant adverse environmental impacts to the maximum extent practicable and shall do so by incorporating mitigating measures described in the FEIS.

The Properties are all privately owned. With respect to Block 2349, Lot 107, the proposed acquisition has the potential to displace one private fabric coating business. With respect to Block 2349, Lot 103, the proposed acquisition has the potential to displace one commercial kitchen supply tenant.

Other Considerations [EDPL § 204(B)(4)]

Comments were received from the public at the January 12, 2017 public hearing. One written comment was received subsequent to the public hearing. One comment in support was received. Objections also were received.

The objections included: lack of notice in 2008 of the proposed rezoning or of the 2009 mapping of one lot as parkland; that the mapping and proposed park rendered the parcel valueless; a private design study determined that there are better uses of the space; the FEIS is outdated; the City had previously upgraded a nearby park for the same purposes as the proposed acquisitions; an owner

found difficulty in re-letting the premises as a result of the proposed acquisition, and that the proposed acquisition may detrimentally affect an owner's position in litigation with a former tenant.

All comments have been given due consideration by the City.

Determination

Based on due consideration of the record and the foregoing findings, it is determined that the City should exercise its power of eminent domain to acquire the Properties, to permit the purposes of the comprehensive redevelopment plan for the Lower Concourse neighborhood to be achieved.

Copies of this Determination and Findings by the City are available and will be forwarded without cost, and upon written request to:
