NOTICE

On Wednesday, May 10, 2017, at 10:00 A.M., in Spector Hall, located at 22 Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Gun Hill Square, LLC, for approval of several discretionary actions including the disposition of City-Owned property (a surplus property leased to the Metropolitan Transportation Authority (MTA) comprising the southern 550,185 sf portion of Lot 100 on Block 4804), zoning map and text amendments, zoning special permits to establish a Large-Scale General Development (LSGD), and zoning special permits to allow a physical culture establishment within the context of the LSGD and to allow for an accessory group parking facility with more than the prescribed maximum number of parking spaces for a LSGD. Prior to the proposed disposition of City-Owned property to the applicant, approval is required from the MTA's Board for surrender of its leasehold interest in the subject property. These actions would facilitate the development of a mixed-use commercial and residential development consisting of a new pedestrian-oriented open-air urban shopping complex and a single residential building containing affordable senior housing for persons aged 55 and older on a currently vacant and underutilized City-Owned property (Block 4804, southern 550,185 sf portion of Lot 100), in the Baychester neighborhood of the Bronx, Community District 12. Written comments on the DEIS are requested and will be received and considered by the Office of the Deputy Mayor for Housing and Economic Development, the Lead Agency, until Monday, May 22, 2017, at 5:00 P.M.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 14DME010X.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

AGENCY RULES

ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

Office of Administrative Trials and Hearings Environmental Control Board

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) in accordance with Sections 1049-a and 1043 of the New York City Charter and Section 28-202.1 of the New York City Administrative Code. OATH ECB repeals all violations of NYC Administrative Code Section 16-118 from the Sanitation Penalty Schedule, found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY), which contains penalties for summonses issued by the New York City Department of Sanitation (DSNY). DSNY promulgated a rule adding these violations of NYC Administrative Code Section 16-118 to its rules.

The proposed rule was published in The City Record on March 8, 2017, and a public hearing was held on April 10, 2017. No members of the public attended the public hearing. OATH ECB did not receive any written comments concerning this rule.

Statement of Basis and Purpose of Rule

The Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) repeals all violations of NYC Administrative Code Section 16-118 from the Sanitation Penalty Schedule found in Title 48 of the Rules of the City of New York Section 3-122. Local Law 75 of 2016, which took effect on August 12, 2016, amended the penalty amounts for violations of Administrative Code Section 16-118(1). As a result, OATH ECB repealed the penalty provisions for violations of Section 16-118(1) from its Sanitation Penalty Schedule, effective November 6, 2016. OATH ECB now repeals the remaining violations of Section 16-118 from the Sanitation Penalty Schedule. At the same time, DSNY has added a new Chapter 19 to Title 16 of the Rules of the City of New York that contains the penalties for violations of Administrative Code Section 16-118.

OATH ECB is in the process of repealing all penalty schedules in its rules at Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York so that they can be relocated to the rules of the agencies with rulemaking and policymaking jurisdiction over the laws underlying the violations. Although OATH ECB is empowered to impose penalties under the New York City Charter and has promulgated penalty schedules, the regulatory and enforcement agencies have the regulatory authority and necessary expertise to determine appropriate penalties to address violation of the rules and of the laws within their jurisdiction. In addition, moving the penalty schedule makes it easier for the public to find the penalties, which will be located within the same chapter as the rules that contain the substantive violations alleged in the summonses. Finally, the rule repeal speeds up the rulemaking process by eliminating the need for board approval of penalties that have already been established

by the legislature and/or that have already undergone the City Administrative Procedure Act (CAPA) process by the enforcement agency. The public will still have the opportunity to comment on proposed penalties during that process.

Working with the City's rulemaking agencies, the Law Department, the Mayor's Office of Management and Budget, and the Mayor's Office of Operations conducted a retrospective rules review of the City's existing rules, identifying those rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. This rule repeal was identified as meeting the criteria for this initiative.

New material is underlined.
[Deleted material is in brackets.]

Section 1. OATH ECB amends its Sanitation Penalty Schedule, found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, by amending the introductory headnote as follows:

Unless otherwise indicated, all citations are to the New York City Administrative Code.

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULE RELATING TO THE PENALITIES FOR LITTERING OFFENSES

NOTICE IS HEREBY GIVEN in accordance with the requirements of Section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by Sections 753 and 1043(a) of the New York City Charter and section 16-118 of the New York City Administrative Code that the Department adopts the following rule relating to the penalties for littering offenses. The Department published a Notice of Opportunity to Comment on the proposed rules in the *City Record* on March 10, 2017. On April 19, 2017 the Department held a public hearing on the proposed rule.

Statement of Basis and Purpose of Rule

The New York City Department of Sanitation (“DSNY”) is creating a new chapter that will include certain provisions of its existing penalty schedule, which is currently found in Title 48 of the Rules of the City of New York, by moving those provisions into Title 16 of the Rules of the City of New York. DSNY also is establishing penalties for repeat violations of certain provisions as described in Local Law 75 of 2016.

Currently the penalties for violations of §16-118 of the New York City

Administrative Code (“Administrative Code”) that pertain to certain types of littering infractions are found in 48 RCNY § 3-122. The Office of Administrative Trials and Hearings, Environmental Control Board (“OATH ECB”), is in the process of repealing all penalty schedules in its rules so they can be relocated to the rules of the enforcement agencies with primary rulemaking and policymaking jurisdiction over the laws that underlie these penalties. In conjunction with this rule, OATH ECB will remove the penalties for violations of §16-118 that pertain to littering from its schedule.

In 2003, a civil penalty of \$100 was established for violations of subdivisions (2), (3), (4), (6) and (7) of §16-118. Additionally in 2003, penalties for violations of subdivisions (3), (4) and (6) were set at \$250 for a second offense and \$350 for a third and subsequent offense within a 12 month period. Defaults for violations of these provisions are set at the maximum penalty that can be assessed. All penalties are within the monetary ranges specified in §16-118.

Local Law 75 was enacted as part of the Criminal Justice Reform Act, a package of bills passed by the City Council that aims to build stronger and safer neighborhoods by reducing arrests and incarceration. Local Law 75 of 2016 amended §16-118(1) to establish a new violation for spitting. In addition, Local Law 75 also establishes a specific penalty for violation of subdivision 6 of §16-118 by means of public urination. Local Law 75 imposes a fixed penalty of \$75 for first time violations of §16-118(1) and 16-118(6), and provides for a range of penalties for subsequent offenses of those provisions. The penalties for subsequent offenses of those provisions are fixed at the minimum amounts authorized by Local Law 75. Additionally, the default penalties for all violations found in §16-118(1) and for public urination under §16-118(6) have been set at 150 percent of the penalty imposed, not to exceed \$400.

Working with the City’s rulemaking agencies, the Law Department, OMB, and the Office of Operations conducted a retrospective rules review of the City’s existing rules, identifying those rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. This rule meets the criteria for this initiative.

DSNY’s authority for these rules is found in Sections 753 and 1043 of the New York City Charter, and Section 16-118 of the New York City Administrative Code.

New material is underlined.
~~Deleted material is in brackets.]~~

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 16 of the Rules of the City of New York is amended by adding a new Chapter 19 to read as follows:

Chapter 19
PENALTY SCHEDULE

§19-101 Definitions

Default penalty. “Default penalty” shall mean the penalty imposed by the Office of Administrative Trials and Hearings acting pursuant to Section 1049-a of the Charter of the City of New York in accordance with subparagraph (d) of paragraph one of subdivision d of Section 1049-a of such Charter.

§19-102 General

- (a) Unless otherwise indicated, all citations are to the New York City Administrative Code.
- (b) Sections marked with an asterisk (*) indicate that a repeat violation is:
 - (1) a violation by the same respondent of the same section of law; and
 - (2) a violation that occurred within 12 months of the dates of 12 or more violations issued to the same respondent; and
 - (3) a violation that occurred at the same place of occurrence as the previous 12 violations.
- (c) Sections marked with two asterisks (**) indicate that a second or third violation is:
 - (1) a violation by the same respondent of the same section of law as the previous violation(s); and
 - (2) a violation that occurred within 12 months of the date of the last violation issued to the same respondent.

SMALL BUSINESS SERVICES

■ NOTICE

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the New York City Department of Small Business Services (DSBS) in accordance with Sections 1043 and 1301 of the New York City Charter. DSBS repeals its Industry Ownership Program, Industrial Security Grant Program, Commercial Security Grant Program, and Energy Services, found in Chapter 6 through 9 of Title 66 of the Rules of the City of New York (RCNY).

The proposed rule was published in The City Record on March 6, 2017. DSBS did not receive any comments concerning this rule.

Statement of Basis and Purpose of Rule

Chapter 6 of Title 66 of the New York City Rules outlines the Industry Ownership Program (the "Program"). This Program provided grants to certain industry groups to pay for eligible expenses in acquiring and renovating a building. Applications must have been submitted by the close of business on April 28, 1989. Therefore, because this Program no longer exists, the Department is proposing to repeal the rules.

Chapter 7 of Title 66 of the New York City Rules outlines the Industrial Security Grant Program (the "Program"). The Program provided grants to eligible industrial businesses to purchase security equipment. This Program no longer exists; therefore, the Department is proposing to repeal the rules.

Chapter 8 of Title 66 of the New York City Rules outlines the Commercial Security Grant Program (the "Program"). The Program provided grants to commercial businesses for the costs of purchasing and installing security equipment. The Program was part of New York City's commercial business retention effort. The program was designed to enable groups of commercial businesses in selected low and moderate income neighborhoods located in designated areas to obtain technical assistance provided by the Department and the New York City Police Department for proven, cost effective crime prevention techniques to reduce burglary, robbery, pilferage, and other threats to property and personal safety within the premises of participating merchants and in areas where participating merchants and other commercial businesses were located. This Program no longer exists; therefore, the Department is proposing to repeal the rules.

Chapter 9 of Title 66 of the New York City Rules outlines the Energy Services pursuant to Local Law No. 49 of 1987 (the "Program"). The Program provided a benefit to electricity redistributors who purchased electricity from a utility or any other person, corporation or other entity and on a metered or unmetered basis, resold or otherwise redistributed for any consideration such electricity to a non-residential energy user. This Program no longer exists; therefore, the Department is proposing to repeal the rules.

Working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget, the Office of Operations conducted a retrospective rules review of the City's existing rules, identifying those rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. This proposed rule repeal was identified through this initiative.

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

TRANSPORTATION

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF PEDESTRIAN PLAZA, LOCATED ON BROADWAY AND 6TH AVENUE BETWEEN WEST 33RD AND WEST 36TH STREETS, IN THE BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza, located on Broadway and 6th Avenue, between West 33rd, and West 36th Streets in the borough of Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions, including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts), that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise within the Licensed Plaza.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals, or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

DOT has identified the 34th Street Partnership, Inc., as a potential concessionaire, but DOT will consider additional expressions of interest from other qualified and experienced organizations for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management, and concession or retail operation/management.

Organizations may express interest in the proposed concession by contacting Emily Weidenhof, DOT Director for Public Spaces, by email at plazas@dot.nyc.gov, or in writing, at 55 Water Street, 6th Floor, New York, NY 10041, by May 9, 2017. Ms. Weidenhof may also be contacted with any questions relating to the proposed concession by email, or by telephone at (212) 839-4325.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.
