MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ NOTICE

NOTICE OF PUBLIC HEARING

The Office of the Deputy Mayor for Housing and Economic Development

Draft Generic Environmental Impact Statement (GEIS) and Technical Memorandum (TM001) Lower Concourse North Project

Project Identification
CEQR No. 16DME012X
SEQRA Classification: Type I

Lead Agency
Office of the Deputy Mayor for Housing and Economic Development
253 Broadway, 14th Floor,
New York, NY 10007

NOTICE IS HEREBY GIVEN THAT on Wednesday, July 12, 2017, at 10:00 A.M., in Spector Hall, at 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission to receive comments related to a Draft Generic Environmental Impact Statement (DGEIS), and Technical Memorandum (TM001). The New York City Economic Development Corporation (NYCEDC), on behalf of the City of New York, is proposing a series of land use actions to activate a City-Owned site along the Harlem River waterfront, referred to as the Lower Concourse North site, or the "project site," with new affordable and market-rate housing, commercial and community facility uses, and publicly-accessible, privately owned open space (the "proposed project"). The project site consists of Block 2356, Lots 2 and 72; Block 2539, Lot 1 and portions of Lots 2 and 3; and the demapped portion of the former East 150th Street between Exterior Street, and the Harlem River. The project site is bounded by Mill Pond Park, to the north, Exterior Street, and the elevated Major Deegan Expressway, to the east, East 149th Street, to the south, and the Harlem River, to the west, and is located in Community District 4 in the Bronx. The project site is entirely vacant, and currently under the jurisdiction of the New York City Department of Parks and Recreation, but is not mapped as or considered to be parkland.

The DGEIS prepared for the proposal, assumes that the project site would be redeveloped with up to 1,045 residential dwelling units, comprising a total residential floor area of 835,937 gross square feet (gsf); 50,000 gross square feet gsf of retail space; 25,000 gsf of food store space; 25,000 gsf of medical office space; and 50,000 gsf of office space. The Lower Concourse North project would have a range of affordability from a minimum of MIH requirements, up to 100 percent affordable. Retail would be located at the ground floor along Exterior Street, approximately 25,000 gsf would be local retail space, and approximately 25,000 gsf would be destination retail space. Roughly three acres of open space comprising waterfront open space, an extension of Mill Pond Park, and a new plaza fronting along Exterior Street would be created as part of the proposed project. Following the publication of the DGEIS, a calculation error of the width increment threshold (WIT) for the subway station analysis was discovered. Accordingly, on June 9, 2017, a Technical Memorandum (TM001) was issued to consider whether the calculation error would result in any new, or different significant adverse environmental impacts that were not already identified in the DGEIS.

Written comments on the DGEIS, and TM001 are requested and will be received and considered by the Office of the Deputy Mayor for Housing and Economic Development, the Lead Agency, until Monday, July 24, 2017, at 5:00 P.M. This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA), and City Environmental Quality Review (CEQR), CEQR No. 16DME012X.

All project documents, including the DGEIS and TM001, are available for review from the contact person listed below, and on the website of the Mayor's Office of Environmental Coordination at: www.nyc.gov/oc.

PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

INFUSIONDEV PROFESSIONAL IT CONSULTING SERVICES - Sole Source - Available only from a single source - PIN# 02517X001107 - Due 7-17-17 at 5:00 P.M.

The New York City Law Department intends to enter into sole source negotiations with InfusionDev, LLC ("InfusionDev"). Under the expected terms of the contract, InfusionDev will provide professional IT consulting services, in support of the Department's development project for SharePoint INSITE Accelerator Intranet Application Software. The services include design, development, deployment, training, and post-deployment stabilization of the INSITE Accelerator Software for Microsoft SharePoint 2013. Based upon information obtained from InfusionDev, the INSITE Accelerator software is owned by InfusionDev, and InfusionDev is the only vendor authorized to license the software. Further, given the proprietary nature of the software, no other vendor is authorized to provide consulting services for the INSITE Accelerator.

The 1-year term of the contract will commence as of December 1, 2017, and continue through December 31, 2018.

Pursuant to PPB Rules Section 3-05(a), the Department's Agency Chief Contracting Officer ("ACCO"), has determined that due to the proprietary nature of the INSITE Accelerator software, there is only one source for the required services, and that therefore, the sole source method of source selection is appropriate. The ACCO certifies, further, that InfusionDev's performance has been satisfactory or better on other Department contracts.
