In designated areas within #Manufacturing Districts#, as shown on the maps in APPENDIX J (Designated Areas Within Manufacturing Districts) of this Resolution, for a #zoning lot# containing a #selfservice storage facility# and a #building# that provides an #industrial ground floor#, as set forth in Section 42-121 (Use Group 16D selfservice storage facilities), all required #accessory# off-street loading berths for a #self-service storage facility# shall have a minimum length of 37 feet. The dimensions of off-street berths shall not include driveways, or entrances to or exits from such off-street berths. In addition, the number of #accessory# off-street loading berths required for all #uses# in Use Groups 9A (limited to art studios), 10A (limited to photographic or motion picture production studios and radio or television studios), 11A, 16A, 16B, 16D, 17 and 18 shall be as set forth in the following table:

Special Commercial and Manufacturing Developments

Special Commercial or Mmixed Uuse Ddevelopments in **Commercial Districts**

74-932 Self-service storage facilities in designated areas within **Manufacturing Districts**

On #zoning lots# in designated areas within #Manufacturing Districts# as shown on the maps in APPENDIX J (Designated Areas Within Manufacturing Districts) of this Resolution, the City Planning Commission may permit, for a #self-service storage facility#, a modification, or waiver of the #industrial ground floor#, as required in Section 42-121 (Use Group 16D self-service storage facilities), provided the Commission finds that:

- the #zoning lot# is appropriate for such #self-service storage facility use#, considering the economic development objectives of the City; and
- it is impractical to provide an #industrial ground floor# as defined in Section 42-121 (Use Group 16D self-service storage facilities) on such #zoning lot#.

In making this determination, the Commission may consider the

- (1) the size and configuration of the #zoning lot# and its suitability to establish an #industrial ground floor# as defined in Section 42-121;
- the design and layout of loading berths, interior column spacing, floor to floor height and other relevant physical characteristics in an existing #building# and its suitability for #industrial ground floor uses#;
- the accessibility of the #zoning lot# to an arterial highway, or a designated truck route; the width of the existing #streets# providing access to the #zoning lot# and the ability of such #streets# to handle the traffic generated for such #industrial ground floor uses#;
- recent trends and levels of investment in the surrounding area for such #industrial ground floor uses# within the last five calendar
- the potential for conflict between such #industrial ground floor uses# and existing #uses# in the surrounding area;
- the proximity of the #zoning lot# to rail and bus transit to serve employees; and
- the need to undertake environmental remediation work on the #zoning lot#.

The Commission may impose additional terms and conditions to ensure the compatibility of a #self-service storage facility# with the surrounding area.

* * * NOTICE

On Wednesday, August 23, 2017, at 9:30 A.M., in Spector Hall, located at 22 Reade Street, New York, NY 10007, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP proposes a zoning text amendment to establish restrictions on new self-storage facilities within Industrial Business Zones to ensure that their development does not unduly limit future siting opportunities for industrial uses. The proposed restrictions would apply within newly established "Designated Areas" in Manufacturing districts, which largely coincide with Industrial Business Zones (IBZs).

The public hearing will also consider a modification to the zoning text amendment (ULURP No. 170425 (A) ZRY). Written comments on the DEIS are requested and will be received and considered by the Lead Agency until Tuesday, September 5, 2017.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 17DCP119Y.

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the Second Amended Urban Renewal Plan for the Milbank Frawley Circle East Urban Renewal Area.

NOTICE

On Wednesday, August 23, 2017, at 9:30 A.M., in Spector Hall, at the Department of City Planning located at 22 Reade Street, New York, NY 10007, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP) and the Department of Housing Preservation and Development (HPD). DCP, together with HPD, is proposing a series of land use actions—including zoning map amendments, zoning text amendments, and amendments to the Milbank Frawley Circle-East Urban Renewal Plan (collectively, the "Proposed

Actions"). The Proposed Actions are intended to facilitate the development of affordable housing, preserve existing neighborhood character, improve the pedestrian experience, and create new commercial and manufacturing space to support job creation adjacent to existing and future transit nodes. The Proposed Actions would affect an approximately 96-block area of the East Harlem neighborhood of Manhattan.

In addition to the above-referenced Proposed Actions, the DEIS considers a series of actions needed to facilitate an HPD-sponsored affordable housing development located on a property bounded by East 111th Street, Madison Avenue, East 112th Street, and Park Avenue (the "Sendero Verde Site"). The land use actions necessary to facilitate the development of the Sendero Verde Site, subject to a concurrent related application proposed by HPD (the "Sendero Verde – East 111th Street" Proposal), include: a zoning map amendment, zoning text amendment, UDAAP designation, disposition of City-Owned property, acquisition of a portion of the disposition area by the City, a large-scale general development (LSGD) special permit, and a City Planning Commission certification to waive retail continuity requirements.

The public hearing will also consider a modification to the zoning text amendment (ULURP No. N 170359 (A) ZRM).

Written comments on the DEIS are requested and would be received and considered by the Lead Agency until Tuesday, September 5, 2017.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 17DCP048M.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related

services that appear in the individual agency listings below reflect that commitment to excellence.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

VENDOR ENROLLMENT APPLICATION

The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

PRE-QUALIFIED LISTS

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in
