MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ PUBLIC HEARINGS

NOTICE OF PUBLIC HEARING ON THE DRAFT ENVIRONMENTAL IMPACT STATEMENT

The Office of the Deputy Mayor for Housing and Economic Development Bedford Union Armory Project

NOTICE IS HEREBY GIVEN that a public hearing will be held as detailed below for the Bedford Union Armory Project. The purpose of the public hearing is to provide the public with the opportunity to comment on the Draft Environmental Impact Statement (DEIS), which received a Notice of Completion on May 19, 2017.

The public hearing has been scheduled for Tuesday, September 19, 2017, at 10:00 A.M., and will be held at the New York City Department of City Planning, Spector Hall, 22 Reade Street, New York, NY, 10007, in conjunction with the City Planning Commission's citywide public hearing pursuant to ULURP. Translation services will be accommodated upon request at a minimum five business days before the public hearing.

Comments on the DEIS will be accepted until 5:00 P.M., on Friday, September 29, 2017, and may be submitted at the public hearing, or to the contact person below.

The New York City Economic Development Corporation (NYCEDC) in coordination with Bedford Courts LLC, (the Applicant, is seeking a series of discretionary approvals to facilitate the redevelopment of the historic Bedford Union Armory, located at 1555 Bedford Avenue (Block 1274, Lot 1), in the Crown Heights neighborhood of Brooklyn (the "Project Site"), into an approximately 542,393 gross square feet (gsf) three-building mixed-use development. Specifically, the redevelopment would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the "Proposed Development"). Should the 18,122 gsf of academic space be determined infeasible, 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the 18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

The Applicant is seeking discretionary approvals including the disposition of City-Owned property, zoning map and text amendments, and special permits to facilitate the Proposed Development (the "Proposed Actions"). The analysis build year for this project is 2020.

The DEIS analyzed the potential environmental impacts of the Redevelopment Project and disclosed the potential for significant adverse impacts with regard to: historic resources, transportation (traffic), and construction (traffic and noise). The DEIS identified measures and/or potential measures that would fully or partially mitigate most significant adverse impacts; some impacts would remain unmitigated. Between DEIS and Final Environmental Impact Statement (FEIS), potential mitigation measures are being studied further to determine whether they are feasible and whether any significant adverse impacts would remain unmitigated. The DEIS considered alternatives to the Proposed Actions that included a No-Action Alternative and a No Unmitigated Significant Adverse Impacts Alternative.

Copies of the Final Scope of Work, the DEIS, and the Notice of Completion may be obtained by any member of the public from:

With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.

- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

- Unite academia, corporates, NGOs, startups, and government to create opportunities for roundtables and summits, using research to spur innovation

The Services are as follows: (1) develop an Urbantech NYC website to serve as a central resource for the Urbantech NYC community and promote Urbantech NYC programs, resources, and events; (2) provide media and marketing services to promote Urbantech NYC programs, resources, and events through robust marketing and social media strategy; and (3) create an Urbantech NYC Partner Network to engage and leverage existing organizations and resources to expand Urbantech NYC activities and reach.

NYCEDC plans to select a service provider on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, and demonstrated successful experience in performing services similar to those encompassed in the RFP.
