■ PUBLIC HEARINGS

CANCELLATION OF PUBLIC HEARING

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Queens:

<u>Address</u>	<u>Block/Lot(s)</u>
110-60 Wood Street	10411/6

HPD has undertaken the Small Homes Rehab-NYCHA Program ("Program"), under which certain one- to four-family vacant homes ("Homes") currently owned by the New York City Housing Authority ("NYCHA") or the City will be conveyed to a not-for-profit entity to be rehabilitated and sold to low-income purchasers. The Homes owned by NYCHA were originally acquired by the Federal government as a result of mortgage foreclosures. NYCHA acquired the Homes from the Federal government for the purpose of providing affordable housing opportunities.

HPD has designated Restoring Urban Neighborhoods, LLC ("Sponsor") as qualified and eligible to purchase and redevelop the Disposition Area under the Small Homes Rehab-NYCHA Program. HPD proposes to sell the Disposition Area to the Sponsor at the nominal price of one dollar per tax lot. The Sponsor will then rehabilitate one Home in the Disposition Area. Construction will be financed by a combination of private loans, developer equity and government funding. The City will provide a tax exemption for the Home under Section 696 of the General Municipal Law. Upon completion, Sponsor will sell the Home to a qualified purchaser earning no more than 120% of the area median income. The purchaser will sign an enforcement note and mortgage to HPD in the amount of HPD financing attributable to their Home and will be required to occupy the Home as their primary residence for at least twenty (20) years.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-I, New York, NY, on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on September 13, 2017, at 1 Centre Street, Manhattan, Mezzanine, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area, pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
