C 170420 PPK **IN THE MATTER OF** an application submitted by the Department of Citywide Administrative Services (DCAS), pursuant to Section 197-c of New York City Charter, for the disposition of one city-owned property located at 1555 Bedford Avenue (Block 1274, Lot 1), pursuant to zoning.

NOTICE

On Tuesday, September 19, 2017, at 9:00 A.M., in the Manhattan Municipal Building, Mezzanine level, 1 Centre Street, New York, NY 1007 (access through the North Entrance), a public hearing is being held by the City Planning Commission to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City (NYC) Economic Development Corporation (EDC), on behalf of the New York City (NYC) Office of the Deputy Mayor for Housing and Economic Development (ODMHED), in coordination with Bedford Courts LLC (the "Applicant"), and along with the New York City Department of Citywide Administrative Services (DCAS), for a series of discretionary actions including a zoning text amendment, a zoning map amendment, a special permit for a large-scale plan, and a parking related special permit (the "Proposed Actions"), to facilitate the redevelopment of the historic Bedford Union Armory (the "Armory") located at 1555 Bedford Avenue (Block 1274, Lot 1) in the Crown At 1555 Bedrord Avenue (Block 12/4, Lot 1) in the Crown Heights neighborhood of Brooklyn (the "Project Site") into an approximately 542,393 gross square feet (gsf) three-building mixed-use development. DCAS is the applicant only for the disposition action. In addition, in the future the Applicant may seek public financing by the New York City Department of Housing Preservation and Development (HPD) and/or the New York City Housing Development Corporation (HDC) to facilitate the Proposed Development. Depending on the public funding source additional review under the State Environmental Quality Review Act (SEQRA) may be required at a later point in time.

The redevelopment of the historic Armory would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the "Proposed Development", or "Analysis Scenario 1"). In order to provide a conservative analysis, the DEIS also considers a second Reasonable Worst Case Development Scenario (RWCDS), "Analysis Scenario 2", which assumes 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the 18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

Written comments on the DEIS are requested and will be received and considered by the Office of the Deputy Mayor for Housing and Economic Development, the Lead Agency, through Friday, September 29, 2017, at 5:00 P.M.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 16DME005K.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

IT - UPGRADING NYCHA DEVELOPMENT MANAGEMENT OFFICES TO CISCO VOIP TECHNOLOGY - Request for Proposals - PIN#65691 - Due 10-16-17 at 3:00 P.M.

NYCHA, by issuing this RFP, seeks proposals ("Proposals") from qualified consultants (the "Proposers"), to provide NYCHA with telephone and hardware equipment, installation, remote-hosting, maintenance and support, necessary to upgrade the telephone systems at the Development Offices from the environment, as summarized in Section I(2)(b) of this RFP, to the Standard Cisco VoIP Platform as summarized in Section I(2)(a) of this RFP, and as detailed more fully within Section II of this RFP (collectively, the "Services").

The desired outcome of the Services is to transition approximately 145 Development Offices to the Standard Cisco VoIP Platform. Service to these locations will be provided from the centralized voice clusters (subscribers) to be located and serviced from the Proposer's facility over robust data communications facilities. At the conclusion of the Services, NYCHA estimates the addition of approximately 3500 (Cisco Unified IP Phone models 7761 and 7741) new telephones to be phased in over an approximate 12 month period. In addition to telephone service egress, all Development Offices covered by the Services are to access and have accounts on a unity voice mail system which is also to be provisioned and managed as part of the Services. The unity voice mail system shall require synchronization with NYCHA's managed Microsoft Active Directory for integration into NYCHA's Office 365 based email system. Also, all phones are to be configured with standard direct inward dial ("DID") service, intercom and emergency response service. The initial rollout plan for the Services will target Development Offices currently serviced by Verizon FIOS and will include cable service for backup to the primary service. Upgrades to these Development Offices will be ongoing as to ensure every location will have the bandwidth capacity and back up services to handle the new equipment and technology being installed as part of the Services. The Services also requires complete removal and disposal of the old phones, public announcement systems and equipment that are being replaced. The removal and disposal of old phones and equipment must be done in a phases. A phased removal is necessary because NYCHA requires a two month transitional period from old phone and phone numbers to new phone and phone numbers, entailing that both phones (old and new) be activated and physically available at the applicable location during the two month transitional period. The two month transitional period will

be used by the phone users to communicate the new dial number to end customers

NYCHA intends to enter into one agreement (the "Agreement") with the selected Proposer (the "Selected Proposer" or the "Consultant") to provide the Services. The term ("Term") of the awarded Agreement shall be three years (the "Initial Term"), with up to two additional one-year optional renewal periods (each a "Renewal Period"), exercisable at NYCHA's sole discretion by written notice to the Consultant. The cost for the Services to be performed during the Renewal Period(s) shall be the price(s) set forth in the Consultant's Cost Proposal (defined herein), subject to any modifications thereto prior to the execution of the Agreement by and between NYCHA and the Consultant.

In the event that a Proposer has any questions concerning this Solicitation: they should be submitted to the Solicitation Coordinator, Jieqi Wu via email Jieqi Wu@nycha.nyc.gov, (c: Robert.Algozini@nycha. nyc.gov), no later than 2:00 P.M. est, on September 21, 2017. The subject name of the email must clearly denote the title of the Solicitation for which questions are being asked. All questions and answers will be shared with all the Proposers receiving this Solicitation by October 5, 2017. In order to be considered, each proposer must demonstrate experience in performing the same or similar scope of Services as those outlined in the referenced Scope of Work, Section II and the selected proposer must satisfy the minimum required qualifications as outlined in Sections V. The proposal should contain sufficient details to enable NYCHA to evaluate it in accordance with the criteria set forth in Section V; Evaluation Criteria of this Solicitation. Proposers electing to request hard copies of the bid documents (paper document), rather than downloading online from NYCHA iSupplier portal, will be subject to a \$25 non-refundable fee; payable to NYCHA by USPS-Money Order/Certified Check only for each set of Solicitation documents requested. Remit payment to NYCHA Finance Department, at 90 Church Street, 6th Floor; obtain receipt and present it to 6th Floor/Supply Management Procurement Group. A Solicitation package will be generated at the time of request. Proposers should refer to Section IV; Proposal Submission Procedure and Proposal Content Requirements of this Solicitation for details on the submission procedures and requirements. ELECTRONIC SUBMISSION OF PROPOSAL IS NOT ALLOWED FOR THIS JOB. Each proposer is required to submit one (1) signed original; five (5) additional copies and also another copy in PDF format in a Flash Drive or in a CD, which all includes all items required by Section IV to NYCHA, Supply Management Procurement Department, 90 Church Street, 6th Floor, by 3:00 P.M., on October 16, 2017.

Special West Chelsea District, Zoning Authority: Resolution §§98-70, 93-90

Before the Department of Buildings can issue a permit for the alteration or demolition of a multiple dwelling in certain areas designated in the Zoning Resolution, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at **CONH Unit, 100 Gold Street**, 6th Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277 or (212) 863-8211.
