HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.

LEARNING TO WORK PROGRAMS FOR YOUNG ADULT BOROUGHS CENTERS AND TRANSFER SCHOOLS - Request for Proposals - PIN#R1148040 - Due 2-13-18 at 1:00 P.M.

The New York City Department of Education (NYCDOE) on behalf of the Office of Postsecondary Readiness (OPSR), is seeking proposals from organizations experienced and capable of providing specialized support services in a collaborative and integrated fashion with NYCDOE schools and Young Adult Borough Centers (YABC) programs, that serve over-age and under-credited students enrolled in our secondary schools. All services will be developed and implemented in collaboration with NYCDOE staff, at the school or YABC sites supported by the Learning to Work (LTW) program.

The purpose of the Learning to Work (LTW) program is to provide direct services to over-aged, under-credited students who need additional academic and personal support to earn a high school diploma, and develop the competencies needed for college and career success following graduation. The LTW model is designed to partner community-based organizations (CBOs), with expertise in the principles and practices of youth development with NYCDOE schools and programs that serve off-track students to foster a more supportive environment for these youth. Moreover, these partnering organizations have connections to local community providers that are available to supplement supports to the students and their families they serve. LTW offers academic and student support, career and educational exploration, work preparation, skills development, and internships. Detailed service description and requirements are provided in the Request for Proposal (RFP) solicitation.

This RFP consist of four service components:

- Component 1: Learning to Work Programs for Young Adult Borough Centers (YABC)
- Component 2: Learning to Work Programs for Transfer Schools
- Component 2A: Learning to Work Programs for Transfer Schools (1st year budget phase-in)
- Component 3: Supplemental Student Support Services

Vendors may submit proposals for Component 1, Component 2, and/or Component 2A; however, proposals for Component 3 can only be submitted by vendors proposing for Component 1, 2 and/or 2A. Proposals for Component 3 without proposals for Component 1, 2 and/or 2A will not be accepted.

PROPOSALS MUST BE RECEIVED BY NO LATER THAN 1:00 P.M. EST, FEBRUARY 13, 2018. LATE PROPOSALS WILL NOT BE ACCEPTED.

This RFP may result in multiple full value contract agreements for Components 1, 2, and 2A, as well as multiple requirements contract agreements for Component 3. The awarded contracts will be for a term

of three (3) years. It is anticipated that services will commence for the 18-19 school year.

A Pre-Proposal Conference will be held on January 18, 2018, from 1:00 P.M. to 2:00 P.M. EST, at St. Francis College, Founders Hall Auditorium, 180 Remsen Street, Brooklyn, NY 11201.
