HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

No fees will be charged for requests and appeals filed in connection with any building that the New York City Department of Housing Preservation and Development certifies is for the construction or rehabilitation of affordable housing, as set forth in this rule.

Notice of Adoption of Amendment to Title 24 of the Rules of the City of New York

In accordance with §1043(b) of the New York City Charter (the "Charter") and, pursuant to the authority granted to the Department of Health and Mental Hygiene (the "Department") by §556 of the Charter, a notice of intention to amend Title 24 of the Rules of the City of New York by adding a new Chapter 3, providing for the issuance of performance summary cards to child care programs, was published in the City Record on November 17, 2017, and a public hearing was held on December 18, 2017. After consideration of the testimony and written comments received, the Department now adopts the following amendment.

Statement of Basis and Purpose

Background

Pursuant to amendments to Social Services Law Section 390-j effective December 31, 2017, the Department is required to issue performance summary cards to child care programs, and to adopt related rules. These amendments were enacted by Chapter 513 of the Laws of 2016.

Amendments

The Department is adding a new Chapter 3 to Title 24 of the Rules of the City of New York to provide for the issuance of performance summary cards to child care programs, to provide parents with information they may wish to consider in selecting a child care provider. In order to provide for consistency of fines, Chapter 3 also specifies fixed penalties applicable to certain violations of the Chapter or of Article 47 of the New York City Health Code.

Statutory Authority

This amendment to Title 24 of the Rules of the City of New York is promulgated, pursuant to Sections 556 and 1043 of the New York City Charter, and Section 390-j of the New York Social Services Law, as enacted by Chapter 513 of the Laws of 2016. Section 556 of the Charter authorizes the Department of Health and Mental Hygiene ("the Department") to regulate all matters pertaining to the health in the City. Section 1043 of the Charter authorizes the Department to adopt rules necessary to carry out the powers and duties delegated to it by or, pursuant to a State law. Section 390-j of the Social Services Law requires the Department to adopt rules regarding the issuance of performance summary cards to child care programs.

The amendment is as follows:

Note: New material is underlined. [Deleted material is in brackets.] "Shall" and "must" denote mandatory requirements and may be used interchangeably unless otherwise specified or unless the context clearly indicates otherwise.

Title 24 of the Rules of the City of New York is amended by adding a new Chapter 3 ("Performance Summary Cards for Child Care Programs") to read as follows:

CHAPTER 3

PERFORMANCE SUMMARY CARDS AND PENALTIES FOR CHILD CARE PROGRAMS

§3-01 Scope and applicability. This Chapter applies to any child care program holding a permit to operate in New York City, pursuant to Article 47 of the Health Code.

§3-02 Definitions. When used in this Chapter, the following terms have the following meanings:

Adjudicated violations. "Adjudicated violations" means cited violations sustained, pursuant to a decision by a hearing officer at the Office of Administrative Trials and Hearings ("OATH"), or, pursuant to a settlement agreement between the Department and a child care program, to the extent that such decision or settlement agreement

remains in effect. "Adjudicated violations" also means cited violations for which a hearing has not been held but for which the hearing date has been rescheduled at the request of the child care program more than one time.

Initial inspection. "Initial inspection" means an inspection conducted other than for the purpose of ascertaining whether a prior violation has been abated or of responding to the receipt of a complaint.

Permit. "Permit" means a permit issued by the Department, pursuant to Article 47 of the Health Code.

Permit suspension. "Permit suspension" means a suspension of a child care program's permit to operate due to a violation of the Health Code or any rule promulgated by the Department, other than a suspension based on a cited violation that is subsequently dismissed.

Public health hazard. "Public health hazard" has the same meaning as "imminent or public health hazard," as such term is defined in Article 47 of the Health Code.

Site. "Site" means the location, specified in a permit, where child care services are provided.

Teaching staff. "Teaching staff" means the educational directors, group teachers, and assistant teachers of a child care program.

§3-03 Performance summary cards.

- (a) The Department shall issue a performance summary card to each child care program at each site at least once every 12 months.
- (b) A performance summary card issued in 2018, or issued at any time to a child care program that has held a permit to operate at a site for less than one year shall include the following information, as known as of the date such card is issued:
 - (1) the number of full years the child care program has been permitted to operate at the site, except that for a child care program that has been permitted to operate at a site for more than 10 years, such number shall be indicated by "10+";
 - (2) the number of children permitted to be cared for by the child care program at the site at any time;
 - (3) the number of teaching staff employed by the child care program at the site;
 - (4) the number of permit suspensions of the child care program's permit at the site during the previous three years; and
 - (5) information on how to find the child care program's inspection record for the site online.
- (c) A performance summary card issued after 2018 to a child care program that has held a permit to operate at a site for at least one year shall include, as of the date such card is issued, the following information, as known as of the date such card is issued:
 - (1) the number of full years the child care program has held a permit to operate at that site, except that for a child care program that has been permitted to operate at a site for more than 10 years, such number shall be indicated by "10+";
 - (2) the number of children permitted to be cared for by the child care program at the site at any time;
 - (3) the number of teaching staff employed by the child care program at the site;
 - (4) the number of permit suspensions of the child care program's permit at the site during the previous three years;
 - (5) the total number of public health hazard violations at the site adjudicated in the previous year;
 - (6) the average number of public health hazard violations per inspection at the site adjudicated in the previous year;
 - (7) the average number of violations of the Health Code or rules of the Department, other than public health hazard violations, at the site adjudicated in the previous year;

- (8) the Citywide averages for the numbers of violations specified in paragraphs (6) and (7) of this subdivision for all child care programs, as calculated by the Department for the prior calendar year; and
- (9) information on how to find the child care program's inspection record for the site online.

§3-04 Posting.

- (a) Upon receipt of a performance summary card, a child care program shall post it in a conspicuous location within two feet of the front door or other main entrance to the site, between four and six feet above the ground or floor. The performance summary card shall not be defaced, marred, camouflaged, or hidden from public view, or posted in a manner that permits it to be damaged by exposure to weather.
- (b) A child care program that has a permit suspension reflected on its posted performance summary card shall also conspicuously post any additional document provided by the Department reflecting the reason for such suspension.
- (c) Upon receipt of a new performance summary card, a child care program shall post the new card and dispose of the prior performance summary card in a manner that prevents its reuse.
- (d) A child care program shall immediately remove a posted performance summary card upon a permit suspension.
- (e) Except as provided in subdivision (d), a child care program may not remove or obscure a posted performance summary card except to replace it with an updated card, or as otherwise authorized by the Department.
- (f) A child care program site that is permitted to reopen following a permit suspension shall post the applicable performance summary card in accordance with subdivision (a) of this section before reopening.
- (g) If a child care program's performance summary card is damaged or stolen, the child care program shall immediately contact the Department to request a replacement card.

§3-05 Updated performance summary cards. Upon request from a child care child care program, the Department shall provide such program with an updated performance summary card. The Department may also provide an updated performance summary card to reflect a new permit suspension. Updated performance summary cards shall reflect a child care program's violations adjudicated in the 12 months prior to the date of issuance and permit suspensions imposed in the 36 months years prior to the date of issuance. The issuance of an updated performance summary card shall not require the Department to provide revised Citywide averages for the numbers of violations specified in §§3-03(c)(5) and (6). Upon receipt of an updated performance summary card, the child care program shall post the updated card and dispose of the prior performance summary card in a manner that prevents its reuse.

§3-06 Penalties.

- (a) The holder of a permit of a child care program or any other person found to be in violation of any of the following provisions by a hearing officer at OATH or a successor tribunal must pay the following penalties for each such violation sustained:
- (1) For a violation of any provision of Article 47 of the Health Code for which a fixed penalty is not established by the Health Code or any other rule of the Department: \$200;
 - (2) For a violation of §§3-04(a) for operating without posting the required performance summary card: \$1,000; and
 - (3) For a violation of any requirement of §3.04 not listed in paragraph (2) of this subdivision: \$500.
- (b) To the extent permitted by law, if a person is found to be in default, the penalty imposed for a violation of Health Code Article 47 or of this Chapter must be twice the amount set forth in subdivision (a) of this section.

NOTE:

As of January 1, 2017, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2017, the contractor will no longer be deducting the tax credit as a separate line item on the invoice. Should the tax credit be extended, it will once again appear as deduction and line item on the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon, and will be shown as a separate line item on your invoice.

The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. NORA has been authorized through February 2019. All other terms and conditions remain unchanged.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E70, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.
