NOTICE

On Wednesday, July 25, 2018, at 10:00 A.M., at the CPC Public Hearing Room, located at 120 Broadway, Lower Concourse in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above public

hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP proposes a zoning text amendment to establish a City Planning Commission special permit (the CPC special permit) for new hotel development in M1 districts citywide. The zoning text amendment would require a CPC special permit for transient accommodations including new hotels, motels, tourist cabins and boatels in all M1 districts except special mixed-use (MX) districts or paired light manufacturing/residential (M1/R) districts, or to M1 districts that include airport property and areas adjacent to airports that are predominantly non-residential. By introducing a CPC special permit, DCP proposes a case-by-case, site-specific review process to ensure that hotel development occurs only on appropriate sites, based on reasonable considerations regarding opportunities for the future siting of a permitted use on the site and the achievement of a balanced mix of uses and jobs in the area. The public hearing will also consider a modification to the zoning text amendment (ULURP No. N 180349(A) ZRY).

Written comments on the DEIS are requested and would be received and considered by the Lead Agency through Monday, August 6, 2018.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 18DCP042Y.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)

NYCXDESIGN PROGRAM OPERATOR - Request for Information - PIN# 7456-00 - Due 10-3-18 at 4:00 P.M.

New York City Economic Development Corporation (NYCEDC) is seeking a consultant or consultant team to take over management of the NYCxDESIGN program. NYCxDESIGN is New York City's annual design week taking place each May. NYCxDESIGN was started in 2012 as a City Council initiative to convene and promote the design industry in New York. Over the last 6 years, it has grown into a two-week festival with hundreds of events, including exhibitions, installations, trade shows, panels, product launches, awards, and more.

The selected respondent, if any, would be responsible for creating and executing a vision to grow the size and prestige of the festival and to ensure its sustainability going forward. The selected respondent would also be responsible for supporting the mission of the festival by continuing to engage NYC's design community and other stakeholders and maintaining the element of public engagement and education that has made the festival so successful to date.

NYCEDC plans to select a consultant on the basis of factors stated in the RFEI, which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, and demonstrated successful experience in performing services similar to those encompassed in the RFEI.

Authority: Special Clinton District, Zoning Resolution §96-110

Before the Department of Buildings can issue a permit for the alteration or demolition of a multiple dwelling in certain areas designated in the Zoning Resolution, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038 by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277 or (212) 863-8211.
