■ PUBLIC HEARINGS

NOTICE OF PUBLIC SCOPING

Office of the Deputy Mayor for Housing and Economic Development

Draft Scope of Work for a Second Supplemental Generic Environmental Impact Statement (SSGEIS)

The Phased Redevelopment of Governors Island South Island Development Zones

NOTICE IS HEREBY GIVEN that a public scoping meeting will be held at 6:00 P.M., on Wednesday, September 26, 2018, at the Governors Island Ferry Waiting Room, Battery Maritime Building, 10 South Street, New York, NY 10004. The purpose of the scoping meeting, is to provide the public with the opportunity to comment on the Draft Scope of Work proposed, to be used to develop a Second Supplemental Generic Environmental Impact Statement (SSGEIS) for The Phased Redevelopment of Governors Island-South Island Development Zones. Written comments on the Draft Scope of Work may be submitted to the Mayor's Office of Environmental Coordination until 5:00 P.M., Tuesday, October 9, 2018.

Directing that an Environmental Impact Statement be prepared, a Positive Declaration and Draft Scope of Work were issued by the Office of the Deputy Mayor for Housing and Economic Development on August 23, 2018, and are available for review from the contact person listed below and on the website of the Mayor's Office of Environmental Coordination (www.nyc.gov/oec).

Governors Island Corporation, doing business as The Trust for Governors Island (The Trust), is a not-for-profit corporation and instrumentality of the City of New York. The Trust holds title to 150 acres of the 172-acre island (the Island); the remaining 22 acres is owned by the National Park Service and is a National Monument. Governors Island is located in New York Harbor, approximately 800 yards south of Manhattan and 400 yards west of Brooklyn. The Island comprises the North Island (the area north of the former Division Road) and the South Island (the area south of the former Division Road). The entire island is zoned R3-2; the North Island is mapped as the Special Governors Island District.

Access to the Island is provided by ferries that are operated by The Trust from slips at the Battery Maritime Building (BMB) in Lower Manhattan, which is the major access point for ferries traveling to the Island. Additional ferry service from Pier 6 in Brooklyn and Pier 11 in Manhattan is provided by The Trust and NYC Ferry via the East River and South Brooklyn routes, respectively, when the Island is open to the public.

Two Development Zones on the South Island have been anticipated since 2010 and were previously considered in both the 2011 Final Generic Environmental Impact Assessment (FGEIS) and 2013 Final Supplemental Generic Environmental Impact Assessment (FSGEIS). Future uses in these two areas were not specifically proposed, determined, or defined in the FGEIS and FSGEIS; therefore, it was assumed that new buildings on the South Island could be designed for academic, research, office, cultural, entertainment and/or a conference center/hotel uses.

The Trust is currently proposing to enable up to 4.5 million square feet of development on the South Island (the "Proposed Project"). The proposed development on the South Island would exceed the previously considered development, which totaled 3 million square feet, including approximately 1.375 million square feet on the North Island and approximately 1.625 million square feet on the South Island, and would require zoning changes as well as infrastructure and transportation improvements to support the occupants and uses. The proposed development would serve to enliven the Island with active uses and users 24/7, and would support the on-going maintenance of the park and public spaces and the historic buildings on the North Island.

The Proposed Actions include zoning text and map amendments and the potential approval of capital funding. Specifically the Special Governors Island District would be expanded to cover the entire Island and create new controls pertaining to the South Island. The underlying zoning for the South Island would be changed to a mid-density commercial district such as C4-5, while the zoning for the North Island would remain R3-2. No modifications of the deed restrictions are proposed and the Special Governors Island District controls applicable to the North Island would remain unchanged. New zoning text applicable to the South Island would define parcels for development, provide design controls for open spaces with and adjacent to the development parcels, specify permitted uses, restrict base height and overall building height and length, require setbacks, provide streetwall and articulation requirements, and restrict lot coverage and provide a minimum distance between upper portions of buildings.

To support the South Island Development, new infrastructure and services would be required. This will include increased ferry service and potentially the installation of an additional water main if it is determined necessary. To accommodate the additional population on the South Island, use of the BMB would be limited to passengers. Therefore, it is anticipated that freight transfer activities would be moved to the Brooklyn waterfront and may be distributed to multiple locations. While specific plans for freight deliveries would be developed in connection with the selection of future occupants of the South Island, hypothetical locations would be considered to identify potential environmental impacts of the freight transfer operations.

PROCUREMENT

Compete To Win More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

PARKS AND RECREATION**■ VENDOR LIST***Construction Related Services*

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

* Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained online at: <http://a856-internet.nyc.gov/nycvendonline/home.asap>; or <http://www.nycgovparks.org/opportunities/business>.

PSYCHOLOGICAL SERVICES FOR PRE-EMPLOYMENT CANDIDATE EVALUATION - Competitive Sealed Proposals - Other - PIN#05618P0005 - Due 10-10-18 at 2:00 P.M.

In order to acquire and maintain personnel in certain titles, the NYPD requires a psychological assessment to ascertain a candidate's suitability for employment. Thus, the NYPD is issuing a solicitation for a New York State Licensed Psychologist or a New York State Board certified Psychiatrist with offices within the five boroughs to provide pre-employment law enforcement psychological evaluation services on an as needed basis, to selected candidates for certain civil service titles determined by the Department. The pre-employment evaluations will provide assurance that candidates possess the necessary stress resilience and emotional stability, and are able to meet the behavioral, social, and cognitive demands of public safety-related work.

Pursuant to LL1 of 2013, this Solicitation is subject to M/WBE participation goals. Pursuant to Section 3-01(c) of the City's Procurement Policy Board Rules, the Competitive Sealed Proposal Method of procurement, is the preferred method of solicitation for the services being solicited.

NOTE:

- As of February 9, 2018, the Bio-Diesel Blender Tax Credit was retroactively reinstated for calendar year 2017. Should the tax credit be further extended, contractors will resume deducting the tax credit as a separate line item on invoices.
- Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
- The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. NORA has been authorized through February 2019. All other terms and conditions remain unchanged.
- DCAS has registered contract #20181202926/3887214 for Renewable Hydrocarbon Diesel Demonstration Project. The following NYC agencies are authorized to participate: DCAS, DOT, DPR, DSNY, DEP. However, other agencies may participate with prior DCAS' approval.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

LATE NOTICE

BOROUGH PRESIDENT - BROOKLYN

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Section 201 of the New York City Charter, the Brooklyn borough president, will hold a public hearing on the following matters in the Community Room of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M., on September 4, 2018.

Calendar Item 1 — Franklin Avenue Rezoning (180347 ZMK, 180348 ZRK)

An application submitted by Cornell Realty Management LLC, pursuant to Sections 197-c and 201 of the New York City Charter for zoning map amendments affecting 16 lots on three blocks fronting, Franklin Avenue between Montgomery and President streets in Brooklyn Community District 9 (CD 9). The requested zoning map amendments would eliminate a C1-3 commercial overlay from an existing R6 district, change the northern and southern portion of the project area, zoned R6A and R8A, respectively, to an R8X district, and establish a C2-4 commercial overlay within the proposed R8X district. In addition, the applicant seeks a zoning text amendment, to designate the project area a Mandatory Inclusionary Housing (MIH) area. Such actions would facilitate the development of 40 Crown Street and 931 Carroll Street, each built to a Floor Area Ratio (FAR) of 7.2, in 16 stories. 40 Crown Street would contain 403,092 square feet (sq. ft.) of residential floor area, providing 390 dwelling units, of which 105 will be affordable, pursuant to MIH Option 1. The building would also have 15,349 sq. ft. of commercial space, envisioned for a Food Retail Expansion, to Support Health (FRESH) supermarket. 931 Carroll Street would contain 126,950 sq. ft. of residential floor area, providing 128 dwelling units, of which 35 would be affordable, pursuant to MIH Option 1. The two buildings will have a total of 151 parking spaces.
