PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Section 201 of the New York City Charter, the Brooklyn Borough President, will hold a public hearing on the following matters in the Community Room of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M. on October 11, 2018.

Calendar Item 1 — 461 Alabama Avenue (190038 HAK, 190039 HUK, 190037 ZSK)

An application submitted by the New York City Department of Housing Preservation and Development (HPD) pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: designation of an Urban Development Action Area, approval of an Urban Development Action Area Project (UDAAP), and disposition of the development site; a special permit pursuant to Section 74-903 of the New York City Zoning Resolution (ZR) to modify maximum floor area ratio (FAR) requirements for certain community facility uses, as stipulated in Section 24-111, to permit the allowable community facility FAR for a non-profit institution with sleeping accommodations, and an amendment to the East New York I Urban Renewal Plan (URP) to change the use designation of the development site. Such actions would facilitate the development of a seven-story, Use Group 3 community facility building with approximately 40,270 zoning square feet (sq. ft.) and up to 4.02 FAR in Brooklyn Community District 5 (CD 5). The building will contain approximately 70 affordable units, of which 60 percent will be reserved as supportive housing units for formerly homeless households.

Calendar Item 2 — 895 Bedford Avenue Rezoning (180229 ZMK, 180230 ZRK)

An application submitted by 895 Bedford Avenue Realty, LLC pursuant to Sections 197-c and 201 of the New York City Charter for zoning map and text amendments to change from M1-2 to R7A the southern portion of a block bounded by Bedford Avenue, Myrtle Avenue, Spencer Street, and Willoughby Avenue, establish a C2-4 district within the

rezoning boundary, and designate the project area a Mandatory Inclusionary Housing (MIH) area. Such actions would facilitate the development of a seven-story, mixed-use building with 4,526 sq. ft. of commercial space and 33,091 sq. ft. of residential floor area in Brooklyn Community District 3 (CD 3). According to MIH Option 2, approximately 30 percent of the estimated 36 dwelling units would be affordable to households at an average of 80 percent of the Area Median Income (AMI). The development would be exempt from ZR parking requirements and would not be expected to provide commercial or residential parking.

Calendar Item 3 — 12 Franklin Street (180388 ZRK, 180387 ZSK, 180389 ZSK)

An application submitted by 12 Franklin Property Co LLC, 12 Franklin 230 LLC, and 12 Franklin 197 LLC pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: a zoning text amendment of ZR Section 74-96 to designate the block bounded by Franklin Street, Gem Street, Meserole Avenue, and North 15th Street as a new Industrial Business Incentive Area; a special permit pursuant to ZR Section 74-962 to increase the maximum FAR for specific commercial, industrial, and manufacturing uses, and allow an adjustment in height and setback controls on the development site, and a special permit pursuant to ZR Section 74-963 to reduce the off-street parking and loading berth requirements for the development site. Such actions would facilitate the development of a seven-story commercial building within an M1-2 district in Brooklyn Community District 1 (CD 1). The building would contain a mix of industrial, office, and retail uses, with a total floor area of 134,222 sq. ft.

Calendar Item 4 — 570 Fulton Street (180459 ZMK, 180457 ZRK, 180458 ZSK)

An application submitted by 570 Fulton Street Property LLC and One Flatbush Avenue Property LLC pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: a zoning map amendment to change from C6-4 to C6-9 the northwest portion of a block bounded by Flatbush Avenue, Fulton Street, and Rockwell Place within the Special Downtown Brooklyn District (SDBD) in Brooklyn Community District 2 (CD 2); a zoning text amendment to establish a maximum permitted floor area ratio (FAR) of 18.0 for commercial or community facility uses in C6-9 districts within the SDBD; make the SDBD's height, setback, and tower regulations applicable to C6-9 districts, and create a new special permit to allow the New York City Planning Commission (CPC) to permit modifications to bulk requirements for buildings in C6-9 districts, as well as a special permit to modify requirements for building setback, commercial and residential rear yards, inner court recess, and residential tower lot coverage, pursuant to the relevant ZR sections. Such actions would facilitate the development of a 40-story and cellar, 202,436 sq. ft. mixed use building with commercial uses on the first 16 floors, and an approximately 106,600 sq. ft. residential tower above. The building would provide approximately 139 dwelling units, of which 30 percent would be affordable according to the Affordable New York real property tax abatement program.

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and

engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The New York City Department of Consumer Affairs (“DCA”) is proposing to promulgate a new rule

under Title 6 of the Rules of the City of New York which will prohibit any applicant for a DCA-issued license whose application is denied or whose license is revoked from applying for the same license again for a period of one year. This prohibition would only apply if the application was denied or the license was revoked because the applicant concealed information, made a false statement, or falsified or allowed to be falsified any certificate, form, signed statement, application or report required to be filed with DCA.

When and where is the hearing? The Department of Consumer Affairs will hold a public hearing on the proposed rule. The public

hearing will take place at 10:00 A.M., on Monday, November 12, 2018. The hearing will be in the DCA Hearing Room, at 42 Broadway, 5th Floor, New York, NY 10004.

What authorizes DCA to make this rule? Sections 1043 and 2203(f) of the New York City Charter and Section 20-104(b) of the New York City Administrative Code authorize DCA to make this proposed rule. This proposed rule was included in the regulatory agenda of the Department of Consumer Affairs for this Fiscal Year.

Where can I find DCA's rules? The Department of Consumer Affairs rules are in Title 6 of the Rules of the City of New York.

What rules govern the rulemaking process? The Department of Consumer Affairs must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Department of Consumer Affairs ("DCA") licenses and regulates 55 different categories of businesses and individuals, pursuant to Section 2203(c) of the New York City Charter and Title 20 of the New York City Administrative Code. In 2017, DCA received over 20,000 applications across those license categories. DCA is required to perform individual review and processing of each application. This proposed rule would prohibit any person whose application is denied or whose license is revoked from applying for the same license again for a period of one year. The prohibition would only apply if the application was denied or the license was revoked because the applicant concealed information, made a false statement, or falsified or allowed to be falsified any certificate, form, signed statement, application or report required to be filed with DCA. This proposed rule is necessary to conserve DCA's limited resources. A repeat application within one year is wasteful. Additionally, allowing a repeat application after an applicant has lied undermines the benefit of requiring applicants to provide truthful information.

DCA's authority for these rules is found in Sections 1043 and 2203(f) of the New York City Charter and Section 20-104(b) of the New York City Administrative Code.

New material is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rules

Section 1. Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 1-01.1. Applications.

- (a) No applicant for a license or a renewal thereof shall fail to provide complete and truthful responses to all the information requested on an application for such license or renewal thereof and any documents related thereto.
- (b) No applicant for a license or renewal thereof shall conceal any information, make a false statement or falsify or allow to be falsified any certificate, form, signed statement, application or report required to be filed with an application for a license that is to be issued by the department or for a renewal thereof.
- (c) Unless otherwise provided by law or rule, no applicant for a license or renewal thereof, or licensee, including the general partners, officers, directors, and principal stockholders of such applicant or licensee, whose application or renewal thereof is denied or whose license is revoked by the Department may submit a new application for the same license for a period of 12 months from the date the initial application or renewal was denied or the license was revoked. This subsection shall only apply if the initial application or renewal was denied, or the license was revoked, because the applicant or licensee concealed information, made a false statement, or falsified or allowed to be falsified any certificate, form, signed statement, application or report required to be filed with an application for a license that is to be issued by the department or for a renewal thereof.

NOTICE OF CONCEPT PAPER

The New York City Department of Health and Mental Hygiene (DOHMH), intends to issue an RFP, to provide a Living Conditions and Asthma Intervention program, for children and adults with asthma in the neighborhoods of the Health Action Centers of the Bronx, Brooklyn, and Harlem. The Concept Paper will be posted on the DOHMH website, www.nyc.gov/health, from October 18, 2018 through December 3, 2018.
