HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on January 14, 2019, at 250 Broadway, 16th Floor Conference Room at 2:00 P.M., or as soon thereafter as the matter may be reached on the agenda, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant Section 576-a(2) of the Private Housing Finance Law, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of the Bronx:

Address	Block/Lot(s)
1836 Belmont Ave	Block 2945/Lot 65
1840 Belmont Ave	Block 2945/Lot 66

Under HPD's Extremely Low and Low Income Affordability Program, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to low-income families with a range of incomes from 30% to 60% of the Area Median Income ("AMI"). Projects may include tiers of units with rents affordable to households earning up to 100% of AMI. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to HP Belmont Cove Housing Development Fund Company, Inc. ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct one building containing a total of approximately 157 rental dwelling units, plus one unit for a superintendent, and approximately 19 parking spaces of which 18 will be replacement parking spaces for the Department of Health and Mental Hygiene ("DOHMH"), on the Disposition Area and adjacent privately owned lot (Block 2945, Lot 34).

The Land Debt will be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-I, New York, NY, on business days during business hours.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

BODY CAMERA PROGRAM INITIATIVE YEAR 1 - Sole Source - Available only from a single source - PIN# 07119S0001 - Due 1-18-19 at 2:00 P.M.

The Department of Homeless Services (DHS) Security and Emergency Operations intends into a Sole Source negotiation with Axon Enterprise, Inc. to equip all DHS Peace Officers with body-worn cameras. The Body Camera Initiative trial began in October 2018, and to date, has proved to be beneficial to the agency. The Axon Enterprises, Inc. is the largest producer and distributor of body-worn cameras for law enforcement in the nation. Axon's cloud based storage and

state-of-the-art software provides the DHS with easy access to view and organize large amounts of video and audio files, without need to build out an IT infrastructure. This is particularly important for DHS peace officers that patrol a dynamic environment and require equipment that is easy to install with little or no cost to the agency. Axon's body-worn cameras utilize Bluetooth technology that syncs to the existing Taser being carried by DHS Peace Officers and activates all body-worn cameras in 30 foot radius of the upholstered Taser.

Organizations that believe they are capable to provide 800 body-worn cameras with Bluetooth technology for DHS or are interested in similar future procurements may express their interest by letter addressed to Adrienne Williams, Office of Contracts, 150 Greenwich Street, 37th Floor, New York, NY 10007.

Statement of Basis and Purpose of Proposed Rule

Local Law Number 61 of 2018 amended the Administrative Code by adding a new Section 24-154, which provides that, before the performance of mold remediation work in certain buildings, the New York State-licensed mold remediation contractor must file a notice of mold remediation with DEP no later than two business days before the project start date.

Section 24-154(c)(3)(b) further provides that notice may be filed within 24 hours after the project starts, instead of at least two days before, if the mold condition to be remediated poses an immediate risk of harm to any person or damage to property. The purpose of this proposed rule is to establish when such a risk of harm exists.

DEP is proposing this rule in conjunction with the Departments of Health and Mental Hygiene, Housing Preservation and Development and Buildings, as required by Section 24-154(c)(3)(b).

Consistent with the above, DEP proposes to promulgate the following rule as a new Chapter 53 in Title 15 of the Rules of the City of New York.

The Rule is authorized by Section 1043 of the Charter and Section 24-154(c)(1)(g) of the Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 58 to read as follows:

Chapter 58 Notification of Mold Remediation

§58-01 Applicability

(a) This rule applies to mold remediation projects for which a notification to the department of environmental protection is required pursuant to § 24-154 of the administrative code.

§58-02 Conditions that Pose an Immediate Threat of Harm to Any Person or Damage to Property.

(a) To determine if a notification of mold remediation must be filed pursuant to § 24-154 of the administrative code, an immediate risk of harm to any person or damage to property is considered to exist when any of the following are present in the dwelling to be remediated:

- (1) At least 30 square feet or more of visible mold within one room.
- (2) Excessive water accumulation or flooding.

(b) Before commencing work, the mold remediation contractor must determine if any of the conditions listed in subdivision (a) exist, and must indicate in the mold remediation notice which, if any of these conditions exist, and attach appropriate documentation of said condition.

Statement of Basis and Purpose of Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to promulgate rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The rules that DOT is amending are contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to its "Traffic Rules."

As required by section 19-174 of the New York City Administrative Code, the purpose of this rule is to establish horse drawn cab passenger boarding areas. At the request of the New York City Department of Health and Mental Hygiene, the proposed rule designates specific locations for the horse carriage passenger boarding areas in Central Park. As of June 27, 2018, the Central Park Drives were permanently closed to unauthorized traffic. Limiting boarding of horse drawn cabs to these restricted areas within Central Park will reduce the amount of time that horses spend alongside vehicular traffic, thereby limiting horses' interaction and potential conflict with vehicular traffic and thus promoting the safety and well-being of the horses, the occupants of horse drawn cabs, and the occupants of motor vehicles.

Specifically, the amendments to the Traffic Rules being proposed are as follows:

- Section 4-01 amends the definition of "horse drawn vehicle" to use the same term ("horse drawn cab") used in section 19-174 of the New York City Administrative Code.
- Section 4-09(d) is amended to reflect the change from "horse drawn vehicle" to "horse drawn cab."
- Section 4-11(c)(7) is amended to reflect the change from "horse-drawn carriage" to "horse drawn cab."
- Section 4-12(t) is a new subdivision that establishes specific locations for horse carriage passenger boarding areas.

In response to the volume of comments received by DOT relating to the specific features available at each passenger boarding area originally proposed, DOT and the New York City Department of Parks and

Recreation reviewed, among other things, the slope, shade, and water availability of the proposed sites.

The following changes have been made to the proposed rule, which are reflected in the adopted rules:

- Remove three of the proposed stops: West 67th Roundabout, East 72nd Street Entrance and West 72nd Street Entrance.
- Add a new horse drawn cab passenger boarding area at the Sixth Avenue Entrance.

New material is underlined.

[Deleted material is in brackets.]

Section 1. The definition of horse drawn vehicle in subdivision (b) of Section 4-01 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

Horse drawn [vehicle] cab. The term "horse drawn [vehicle] cab" shall mean a vehicle drawn by a horse and used for the carriage of passengers for compensation in conformance with a New York City Department of Consumer Affairs license. Where signs limit parking to horse drawn [vehicles] cabs, only those [vehicles] cabs licensed by the New York City Department of Consumer Affairs will be permitted.

§ 2. Subdivision (d) of section 4-09 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

(d) Lights on horse-drawn [vehicles] cabs and pushcarts. No person shall drive a horse-drawn [vehicle] cab or propel a pushcart in the roadway between sunset and sunrise unless such [vehicle] horse drawn cab or pushcart displays a white or yellow light visible from 200 feet directly in front and a red light visible from 200 feet directly to the rear.

§ 3. Paragraph (7) of subdivision (c) of section 4-11 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

(7) Within horse-drawn [carriage] cab passenger boarding areas.

§ 4. Section 4-12 of Chapter 4 of Title 34 of the Rules of the City of New York is amended by adding a new subdivision (t) to read as follows:

(t) Horse drawn cab passenger boarding areas.

(1) No person operating a horse drawn cab shall solicit, pick up or discharge passengers at any location other than a location described in paragraph (2) of this subdivision or a location designated by the department by a posted sign as a horse drawn cab passenger boarding area. This subdivision shall not apply to a horse drawn cab ride that is prearranged as described in section 19-174 of the New York City Administrative Code.

(2) Except as otherwise indicated by a posted sign, operators of horse drawn cabs must expeditiously pick up or discharge passengers only at locations within Central Park indicated by sign and on the map below:

(i) Grand Army Plaza. In the center lane at the Grand Army Plaza entrance to Central Park.

(ii) Seventh Avenue Entrance. On the east curb, approximately 20 feet north of Central Park South.

(iii) Sixth Avenue. Between 59th Street and Center Drive.

(3) Temporary relocation or suspension of horse drawn cab passenger boarding areas in parks. In exceptional circumstances, the Commissioner of Parks and Recreation or the commissioner, subject to approval of the Commissioner of Parks and Recreation, may temporarily relocate or suspend horse drawn cab passenger boarding areas. For purposes of this paragraph, exceptional circumstances shall include, but not be limited to construction, maintenance, unusually heavy pedestrian or bicycle traffic, existence of any obstructions, a parade, demonstration, special event, or other such similar event or

occurrence at or near such location. Temporarily relocated horse drawn cab passenger boarding areas shall be located in Central Park and denoted by appropriate signage.

§5. This rule takes effect February 15, 2019, except the commissioner and or the Commissioner of Parks and Recreation will take all actions necessary for its implementation prior to such effective date.

- As of February 9, 2018, the Bio-Diesel Blender Tax Credit was retroactively reinstated for calendar year 2017. Should the tax credit be further extended, contractors will resume deducting the tax credit as a separate line item on invoices.
- Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
- The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. NORA has been authorized through February 2019. All other terms and conditions remain unchanged.
- DCAS has registered contract #20181202926/3887214 for Renewable Hydrocarbon Diesel Demonstration Project. The following NYC agencies are authorized to participate: DCAS, DOT, DPR, DSNY, DEP. However, other agencies may participate with prior DCAS' approval.
