## PROCUREMENT

*"Compete To Win" More Contracts!*

*Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

● Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
● Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
● Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
● Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)

**CORRECTION: BODY CAMERA PROGRAM INITIATIVE YEAR 1** - Sole Source - Available only from a single source PIN#07119S0002 - Due 1-18-19 at 2:00 P.M.

**CORRECTION:** The Department of Homeless Services (DHS) Security and Emergency Operations intends to enter into a Sole Source negotiation with Axon Enterprise, Inc. to equip all DHS Peace Officers with body-worn cameras. The Body Camera Initiative trial began in October 2018, and to date, has proved to be beneficial to the agency. The Axon Enterprises, Inc. is the largest producer and distributor of body-worn cameras for law enforcement in the nation. Axon's cloud based storage and state-of-the-art software provides the DHS with easy access to view and organize large amounts of video and audio files, without need to build out an IT infrastructure. This is particularly important for DHS Peace Officers that patrol a dynamic environment and require equipment that is easy to install with little or no cost to the agency. Axon's body-worn cameras utilize Bluetooth technology that syncs to the existing Taser being carried by DHS Peace Officers and activates all body-worn cameras in 30 foot radius of the upholstered Taser.

Organizations that believe they are capable to provide 800 body-worn cameras with Bluetooth technology for DHS or are interested in similar future procurements may express their interest by letter addressed to Adrienne Williams, Office of Contracts, 150 Greenwich Street, 37th Floor, New York, NY 10007.

## AGENCY RULES

### CONSUMER AFFAIRS

#### ■ NOTICE

#### Notice of Adoption

Notice of Adoption for new and amended rules relating to Tobacco Retail Dealers ("TRDs") and Electronic Cigarette Retail Dealers ("ERDs") to establish procedures for the Department to accept applications for TRD and ERD licenses under the community district caps created by Local Laws 144 and 146 of 2017.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Sections 1043, 2203(c), 2203(f), and 2203(h)(1) of the City Charter, Section 20-104(e) of the Administrative Code of the City of New York, and Section 8 of Local Law 144 of 2017, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department makes the following amendments to Subchapters B and JJ of Chapter 2 of Title 6 of the Rules of the City of New York.

This rule was proposed and published on November 13, 2018. A public hearing was held on December 13, 2018.

#### Statement of Basis and Purpose of Rule

The Department of Consumer Affairs ("DCA") is revising its rules to establish the community district caps required by Local Laws 144 and 146 of 2017, and to create procedures to accept applications for Tobacco Retail Dealer ("TRD") and Electronic Cigarette Retail Dealer ("ERD") licenses under the community district caps. Local Law 144 of 2017 requires that ERD licenses be capped at half the number of such licenses that have been issued on August 23, 2018, by community district. Local Law 146 of 2017 reduces the number of TRDs by capping the TRD licenses in each community district at half of the number of licenses that have been issued as of February 24, 2018. No new ERD or TRD licenses will be issued in a community district until the total number of licenses decreases through attrition below the respective caps.

New material is underlined.  
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

#### Rule Amendment

Section 1. Subchapter B of Chapter 2 of Title 6 of the Rules of the City of New York is amended to read as follows:

#### **Subchapter B: Tobacco Retail [Cigarette] Dealers**

##### **§ 2-11 Definitions.**

Whenever used in this subchapter:

(a) "Community District Cap" means "Community district retail dealer cap" as that term is defined in Section 20-201 of the Administrative Code.

(b) "Tobacco Retail Dealer" means a "Retail Dealer" as that term is defined in Section 20-201 of the Administrative Code.

##### **§ 2-12 Required Periodic Retraining Programs and Proof of Satisfactory Completion of Such Program.**

A periodic retraining program [qualifies as an alternative for the monitoring of the performance of persons working in a retail cigarette dealer licensee's place of business], as provided in Section [17-624(f)(3)] 17-710(f)(3) of the Administrative Code [of the City of New York only if it is conducted by a tobacco sales training program], will only be recognized if it is certified by the New York State Department of Health in accordance with [subsection] subdivision 6 of Section 1399-ee of the Public Health Law. Such a training program must issue a certificate of completion to each person who successfully [completed] completes the training. The [retail dealer] Tobacco Retail Dealer also must demonstrate that the person who committed the violation held a valid certificate of completion from the state certified sales training program at the time of the violation.

##### **§ 2-13 Application Process for Available Licenses within Community Districts.**

(a) On April 1, 2019, and on every April 1 thereafter, the Department will publish the following information for each community district in the City: (i) the community district cap; (ii) the number of

current Tobacco Retail Dealer licenses; and (iii) the number of available Tobacco Retail Dealer licenses.

(b) Beginning on May 1, 2019, and on every May 1 thereafter, in each community district where Tobacco Retail Dealer licenses are available, the Department shall accept requests to apply for a Tobacco Retail Dealer license until 5:00 p.m. on the last business day in May of such year.

(c) At the close of each request period, in each community district where Tobacco Retail Dealer licenses are available, the Department will randomly select a number of businesses that may apply for a Tobacco Retail Dealer license and invite such businesses to apply for such license. The number of such businesses shall be equal to the number of licenses available in that community district. An invitation to apply is only valid for the business randomly selected by the Department and may not be transferred to another business.

(d) Once notified by the Department, selected businesses will have 65 days from the date of notification to submit a complete application for a Tobacco Retail Dealer license. If a complete application is not received by the Department within 65 days, or the application is otherwise denied, the opportunity to apply will be forfeited, and the Department will offer the opportunity to apply to another business in the same community district that is randomly selected from the pool of requesters, and that business will have 65 days to submit a complete application.

(e) When the Department has issued all available licenses within each community district, the application process will be closed, and the remaining request pool will be voided. A request from any given year will not be valid in a subsequent year.

(f) Any license issued that causes the number of licenses in a community district to exceed the community district's retail dealer cap will be considered to be issued in error and voided.

(g) Any license issued as a result of deceptive or misleading application materials will be considered to be issued in error and voided.

§ 2. Chapter 2 of Title 6 of the Rules of the City of New York is amended by adding a new Subchapter JJ, to read as follows:

#### **Subchapter JJ: Electronic Cigarette Retail Dealers**

##### **§ 2-451 Definitions.**

Whenever used in this subchapter:

(b) Beginning on May 1, 2019, and on every May 1 thereafter, in each community district where Electronic Cigarette Retail Dealer licenses are available, the Department shall accept requests to apply for an Electronic Cigarette Retail Dealer license until 5:00 p.m. on the last business day in May of such year.

(c) At the close of each request period, in each community district where Electronic Cigarette Retail Dealer licenses are available, the Department will randomly select a number of businesses that may apply for an Electronic Cigarette Retail Dealer license and invite such businesses to apply for such license. The number of such businesses shall be equal to the number of licenses available in that community district. An invitation to apply is only valid for the business randomly selected by the Department and may not be transferred to another business.

(d) Once notified by the Department, selected businesses will have 65 days from the date of notification to submit a complete application for an Electronic Cigarette Retail Dealer license. If a complete application is not received by the Department within 65 days, or the application is otherwise denied, the opportunity to apply will be forfeited, and the Department will offer the opportunity to apply to another business in the same community district that is randomly selected from the pool of requesters, and that business will have 65 days to submit a complete application.

(e) When the Department has issued all available licenses within each community district, the application process will be closed, and the remaining request pool will be voided. A request from any given year will not be valid in a subsequent year.

(f) Any license issued that causes the number of licenses in a community district to exceed the community district's retail dealer cap will be considered to be issued in error and voided.
