"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

ENVIRONMENT IMPROVEMENTS TO SUNY DOWNSTATE MEDICAL CENTER AMBULATORY PRENATAL CARE -

Government to Government - PIN#20FN009701R0X00 - Due 6-16-19 at 10:00 A.M.

NYC DOHMH intends to enter a Government to Government contract with The State University of New York to reduce racial and ethnic disparities in maternal mortality and severe maternal morbidity through the Maternal Care Connection launched by DOHMH in 2018. The State University of New York will collaborate with the Bureau of Maternal, Infant, and Reproductive Health to complete this in three phases. Phase I funding will be allocated to improving the built environment of SUNY Downstate Medical Center's ambulatory prenatal care to create a warmer, more engaging environment. These renovations will increase client retention and improve direct client services by providing a patient friendly environment. Phase II funding will be allocated to enhancing quality measurement tools to determine SUNY Downstate Medical Center's needs as well as to measure process and outcomes of quality improvement actions. Phase III, will be devoted to monitoring and evaluating quality improvement projects' best practices. These quality improvement projects will support the improvement of SMM/MM rates within their facility.

The State of New York is a government entity, and are uniquely positioned to provide these services. Given the time sensitivity of the urgent needs of the required services, DOHMH determined that it is in the best interest of the City to procure these services via a government to government purchase.

Vendors who feel they may be able to provide these services in the future, may submit an expression of interest by June 16, 2019 via email to Ms. Nedd at bnedd@health.nyc.gov.

HEALTH AND MENTAL HYGIENE

■ NOTICE

The New York City Department of Health and Mental Hygiene (DOHMH), intends to issue an open-ended RFP to procure 150 new units of Justice Involved Supportive Housing (JISH) for adults (18+) with recent and frequent contact with the criminal justice and homeless services systems, and who have a mental illness or substance use disorder. The 150 units would be comprised of two competitions in the RFP: 60 units of Scattered Site housing; and 90 units of Congregate housing. The goals of this RFP are to: provide rapid access to 150 units of supportive housing to individuals with recent and frequent contact with the criminal justice system, and homeless services to individuals who have a mental illness or substance use disorder; provide case management services in order to link these individuals to health and behavioral health services, as well as other resources in order to prevent further use of jail, shelter, or other emergency services; successfully maintain housing and to support positive integration of individuals into the community in order to decrease criminogenic behaviors.

The Concept Paper will be posted on the DOHMH website, www.nyc.gov/health, June 11, 2019 through July 26, 2019. Written comments in response to the Concept Paper should be submitted to RFP@health.nyc.gov. Please include "JISH Concept Paper" in the subject line.

MAYOR'S OFFICE OF CRIMINAL JUSTICE

■ NOTICE

Through DOC and MOCJ programs like ICAN, SMART, YRN, and Jails to Jobs, the City has invested significantly in providing comprehensive services in jail and upon release. Based on continuum of care models, these programs have begun in city jails and link to in-community services, though this contracting model has created various challenges. The City is now redesigning program and contract structures consistent with insights from service delivery experience and best practices. These understandings will inform two new forthcoming RFPs — one issued by DOC for in-custody services, and one issued by MOCJ for post-release and hybrid in-community/in-custody services.
