NOTICE

On Wednesday, July 31, 2019, at 10:00 A.M., in the Concourse Level, at 120 Broadway, a public hearing is being held by the City Planning Commission, to receive comments related to a Draft Environmental Impact Statement (DEIS), concerning an application by New York City Department of Parks and Recreation (NYC Parks), as Lead Agency under SEQRA/CEQR, together with New York City Office of Management and Budget (OMB), as Lead Agency under the National Environmental Policy Act (NEPA), for approval of discretionary actions including a zoning text amendment and acquisition of property, to implement a reliable coastal flood protection system and to improve open spaces and enhance access to the waterfront in Manhattan Community Districts 3 and 6.

The proposed project area begins at Montgomery Street to the south and extends north to East 25th Street and is composed of two sub-areas: Project Area One and Project Area Two. Project Area One extends from Montgomery Street to the north end of John V. Lindsay East River Park (East River Park) at about East 13th Street. Project Area One is approximately 61 acres and consists primarily of East River Park, the Franklin Delano Roosevelt East River Drive (the FDR Drive) right-of-way, a portion of Pier 42, Corlears Hook Park. Project Area Two is approximately 21 acres and extends north and east from Project Area One, from East 13th Street to East 25th Street. In addition to the FDR Drive right-of-way, Project Area Two includes the Consolidated Edison Company of New York (Con Edison) East 13th Street Substation and the East River Generating Station, Murphy Brothers Playground, Stuyvesant Cove Park, Asser Levy Recreational Center and Playground, and several in-street segments. The DEIS analyzes several project alternatives. Alternative 4, the Flood Protection System with a Raised East River Park Alternative (Preferred Alternative) best meets the principal objectives for the project and therefore was selected as the Preferred Alternative. The Preferred Alternative would raise the majority of East River Park and would limit the length of exposed wall between the community and the waterfront in Project Area One to provide for enhanced neighborhood connectivity. In addition, three

pedestrian bridges would be reconstructed and two embayments would be relocated to improve access and enhance the park user experience. Furthermore, Stuyvesant Cove Park, Murphy Brothers Playground, and Asser Levy Playground would be reconstructed and improved. The Preferred Alternative includes the construction of a shared-use flyover bridge linking East River Park and Captain Patrick J. Brown Walk. This bridge will address a long-standing circulation deficiency along the East River Greenway and would substantially improve the City's greenway network. The selection of this alternative allows for the shortest construction duration and park closure, earlier deployment of the flood protection system (expected to be completed mid-2023), and reduced construction disruption along the FDR Drive. The proposed project triggers three land use actions, subject to the City's Uniform Land Use Review Procedure (ULURP), for the acquisition of real property by the City in the form of easements, a zoning text amendment to exempt a segment of the proposed project from the requirements of the City's waterfront zoning regulations, and a future City Map change. The City Map change action would be needed for the reconstruction of the pedestrian bridges and would be carried through at a later date once final design and implementation are completed to record grade and treatment line adjustments, if needed.

Written comments on the DEIS are requested and will be received and considered by NYC Parks and OMB, the Lead Agencies, until Thursday, August 15, 2019, at 5:00 P.M.

This hearing is being held, pursuant to the National Environmental Policy Act (NEPA), State Environmental Quality Review Act (SEQRA), and City Environmental Quality Review (CEQR), CEQR No. 15DPR013M.

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related

services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)

Department of Probation (DOP)
Department of Small Business Services (SBS)

Statement of Basis and Purpose of Proposed Rule

The New York City Identification Card Program ("IDNYC Card Program"), first launched in January 2015, is now in its fourth year of operations and includes over a million cardholders.

Previously, in April 2016, and July 2018, the program amended the rules governing the program based on its experience operating the program and recommendations from stakeholders, including applicants, advocates, IDNYC enrollment staff and members of the City Council. Now, based on additional experience and feedback, the IDNYC program proposes an additional set of amendments to Chapter 6 of the Rules of the City of New York.

These amendments would, among other things:

- **Revise card renewal provisions.** IDNYC cards were designed to expire after five years, and with the fifth anniversary of the IDNYC program approaching, the program proposes to revise the rules to allow for a more streamlined and flexible renewal process.

- **Allow existing cardholders to update their address, including at renewal, without requiring them to present original residency documents.**
- **Allow 10-13-year olds to apply for the card without a caretaker present at middle school pop-up enrollment sites.**
- **Add provisions concerning card invalidations.**
- **Allow non-students to use university housing agreements if they reside in housing in New York City that is affiliated with the school.**
- **Waive replacement fee for those who can establish that their card was stolen.**

HRA's authority for this rule may be found in Sections 603 and 1043 of the City Charter, Administrative Code Section 3-115, and Executive Order No. 6 of 2014.

(b) In all other instances, HRA will charge a \$10 fee for the issuance of a card. [HRA will charge a \$10.00 fee for the replacement of an unexpired card except where the individual requests a replacement card in order to update the address, name, or gender and brings the outdated IDNYC Card to an IDNYC enrollment location.]–

Section 10. Section 6-10 of Chapter 6 of Title 68 of the Rules of the City of New York is repealed and replaced with a new Section 6-10 that reads as follows:

§ 6-10 Expiration and Renewal.

(a) IDNYC Cards issued after the effective date of this rule will be valid for five years from the date of application approval, except that cards issued, pursuant to Section 6-04(e) will expire on the date that the cardholder is expected to graduate from middle school, and cards issued to any other individuals under 16 years of age will expire two years from date of application approval. IDNYC Cards issued prior to the effective date of this rule will be valid until the expiration date that appears on the face of the card.

(b) Renewal cards will be available to individuals who have previously been issued an IDNYC card that will expire in less than 60 days, or such other longer timeframe that HRA may designate in the future, or that expired less than six months ago, or such other longer timeframe that IDNYC may designate in the future, and who submit a renewal application on or after December 1, 2019 in a format and in a manner established by the Commissioner. In most instances, cardholders seeking renewal of their card will not be required to re-establish their identity, pursuant to the provisions of Sections 6-04 and 6-05 of this title, but if they are seeking to update their name or address must meet the requirements of subdivision (b) or (c) of Section 6-08 of this title, as applicable. However, IDNYC reserves the right to have cardholders re-establish their identity, pursuant to Sections 6-04 or 6-05 if the program cannot confirm by other means that the individual seeking renewal is the individual to whom the card was issued.

Section 11. Subsection (b) of Section 6-12 of Chapter 6 of Title 68 of the Rules of the City of New York is amended to read as follows:

(b) The secondary review will consist of a conference at which a designee of the Executive Director of the IDNYC program will review the applicant's documents and eligibility for the card and the applicant will have the opportunity to reapply for the card. Secondary reviews will be offered only at specially designated [enrollment centers] locations.

Section 12. A new Section 6-13 is added to Chapter 6 of Title 68 of the Rules of the City of New York that will read as follows:

§ 6-13 Card Invalidations

(a) IDNYC will invalidate a card issued to an individual in the following circumstances:

- (i) When IDNYC issues a new card to the individual;
- (ii) When IDNYC learns that the individual has died;
- (iii) In the circumstances described in subdivisions (b)-(e) of this section.

(b) When the Executive Director of IDNYC or their designee determines that an individual may have obtained a card under a false identity, it will immediately suspend the card, promptly notify the individual of the suspension and provide the individual with an opportunity to challenge the suspension by submitting a secondary review request, in a manner established by the Commissioner to the IDNYC Card Program within 30 days of notification. Secondary reviews will be offered only at specially designated locations.

(c) The secondary review will consist of a conference at which a designee of the Executive Director of the IDNYC program will review the individual's documents and eligibility for the card.

(d) The IDNYC program will offer the individual a date, time, and location for the review conference that is within 14 days of receipt of the request. If the date, time, and location offered are not convenient for the individual, the program will work with the individual to find another date, time, and location, but cannot guarantee that the conference will take place within 14 days of the request.

(e) Following the review conference, IDNYC will notify the individual by mail whether it will be restoring the card to valid status. If IDNYC does not issue a determination within 14 days of the date of the conference, then the secondary review request will be deemed to have been denied.
