The City, conveyed the Disposition Area, to HP MJM Housing Development Fund Company, Inc., an affiliate or successor of and controlled by the same Principal(s) as NYC Partnership Housing Development Fund Company, Inc. (“Sponsor”), by Deed dated May 30, 2018, pursuant to a Land Disposition Agreement, dated May 30, 2018, (“LDA”). The Mayor approved the disposition of the Premises, after a public hearing, held on January 11, 2017 (Cal. No. 2). The Sponsor is constructing up to four three-family homes and nine two-family homes, on the Premises totaling up to 30 dwelling units, for sale, to low income purchasers, under HPD’s New Infill Homeownership Opportunities Program (NIHOP).

This submission, is to request approval, to amend the LDA, to allow HPD, to forgive all or a portion of the Land Debt (as defined below), that is apportioned, to a home upon conveyance of the home, to an eligible purchaser, based on the home’s appraised value and/or if HPD determines that the forgiveness is necessary, to reduce the taxable consideration for the home. The proposed amendment, to the LDA, makes no other changes, to the LDA.

Under NIHOP, HPD promotes the new construction of one- to three-family homes and small buildings, with condominium and cooperative units, to foster mixed-income communities, by providing affordable homeownership opportunities targeted, to New York City’s workforce community. Housing development fund company sponsors purchase City-Owned land, for one dollar per tax lot and construct one- to three-family homes or buildings containing condominium or cooperative units. The sponsor also delivers a note and mortgage, for the difference between the appraised value of the land and the purchase price (“Land Debt”). Construction financing, may be provided through loans from the City (“City Subsidy”), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides tax exemptions for the homes.

Upon completion, the sponsor sells the homes, to eligible purchasers who have agreed, to owner-occupy for a minimum of 20 years. The Land Debt and City Subsidy, if any, are apportioned pro rata, to each home and, may be unsecured, at the time of sale, based on the home’s post-construction appraised value. Purchasers repay the Land Debt and City Subsidy, if any, attributable to their homes, by delivering a note and a mortgage and/or conditional grant agreement, to the City. The sum evidenced by the note and secured by the security instruments, will be reduced to zero, after 20 years of owner occupancy. Initial purchasers and subsequent owners are required to make payments to the City, out of resale or refinancing profits.

The proposed amendment, to the LDA, is available, for public examination, at the office of HPD, 100 Gold Street, Room 5-I, New York, NY, on business days during business hours.

Individuals requesting sign language interpreters should contact the Mayor’s Office of Contract Services, Public Hearings Unit, 253

Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than ten (10) business days prior to the public hearing. TDD users should call Verizon relay services.

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)

**PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.**

NYC DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of NYC DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, NYC DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. NYC DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL, will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values.
