CITY PLANNING

NOTICE

NOTICE OF A PUBLIC HEARING
FORMULATION of the
PROPOSED 2020 CONSOLIDATED PLAN FIVE-YEAR STRATEGIC PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.105 of the U.S. Department of Housing and Urban Development (HUD), Consolidated Plan regulations regarding citizen participation, the Department of City Planning, along with the agencies responsible for implementing the City of New York's Consolidated Plan have scheduled a:

Public Hearing on the Formulation of the Proposed 2020 Consolidated Plan: Five-Year Strategic Plan (2020 -2024)/One-Year Action Plan (2020) for US-HUD Formula Entitlement Funds Thursday, September 12, 2019, 5:30 P.M. to 7:30 P.M. NYC City Planning Commission Hearing Room, Lower Concourse, 120 Broadway, Manhattan.

The Proposed Consolidated Plan is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy, and the City's annual application for the four HUD Office of Community Planning and Development (CPD) formula entitlement programs

(Community Development Block Grant (CDBG), HOME Investment Partnerships, Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA)). In addition, the grant application (One-Year Action Plan) is for the 2020 Consolidated Plan Program Year (January 1, 2020 to December 31, 2020).

The Public Hearing has been scheduled to obtain comments on the formulation of the Strategic Plan for Consolidated Plan Program Years 2020-2024, and on the City's use of Federal funds, to address housing, services for the homeless, supportive housing service and community development needs, and the development of proposed activities in 2020.

The Proposed Action Plan serves not only as the City's application for the funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The HOPWA EMSA is comprised of the five boroughs of the City of New York plus three upstate New York counties (Westchester, Rockland and Orange), as well as three counties in central New Jersey: Middlesex, Monmouth and Ocean, respectively. The County of Westchester administers the HOPWA funds for the cities of Mount Vernon, New Rochelle, and Yonkers which are incorporated within its boundaries.

For Federal Fiscal Year (FFY) 2019, HUD announced that the City is to receive approximately \$294,129,900 from the four HUD formula grant programs; \$166,843,600 for CDBG, over \$69,126,300 for HOME, \$44,033,500 for HOPWA, and \$14,126,500 for ESG, respectively. Congress has yet to pass the FFY 2020 HUD Appropriations Bill. As a result, the actual grant amounts the City will receive for 2020 remain to be determined.

Questions concerning New York City's Consolidated Plan should be sent to Charles V. Sorrentino, the New York City Consolidated Plan Coordinator, at the Department of City Planning 120 Broadway, 31st Floor, New York, NY 10271, or call (212) 720-3337.

With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Sections 1043 and 2603(a) of the City Charter that the Conflicts of Interest Board has repealed and re-promulgated Chapter 2 of the Rules of the Board, which contains the Board's procedures for enforcement actions commenced pursuant to Section 2603(h) of the City Charter.

The proposed Rules were published in the *City Record* on June 25, 2019, and a public hearing was held on July 25, 2019. After consideration of the testimony and written comments received, the Conflicts of Interest Board now adopts the following Rules.

STATEMENT OF BASIS AND PURPOSE

Overview

The Board has repealed and re-promulgated Chapter 2 of the Rules of the Board ("Procedural Rules for Hearings"), which contains the Board's procedures for enforcement actions commenced pursuant to Charter § 2603(h).

As a result of the work of the Charter Revision Commission ("Commission") in the late 1980s, the Conflicts of Interest Board ("Board") was created to replace the Board of Ethics, an agency that had the power to issue advice but not to prosecute those who failed to comply with the ethics code. Recognizing that "the lack of enforcement power in the Board of Ethics was a significant flaw in the law," the Commission proposed, and the City's voters approved, the creation of a new Board with the power to adjudicate alleged violations of the conflicts of interest law. Volume II, *Report of the New York City Charter Revision Commission, December 1986 – November 1988*, at p. 163.

Shortly thereafter, the Board promulgated Chapter 2 to establish a structure for implementing its new enforcement process. In the more than two decades since, the Board has gained substantial experience adjudicating allegations of Chapter 68 violations. In doing so, the Board has learned which provisions of the prior version of Chapter 2 worked well, which did not, and which could benefit from clarification. Over the years, the Board has also utilized additional procedures to fill in the gaps left by the prior rules. The Board has comprehensively revised Chapter 2 both to reflect its current enforcement process and to improve, where needed, various aspects of that process.

The Board's procedural rules are designed to ensure that the subject of an enforcement action – the "respondent" – is afforded a full and fair opportunity to be heard by the Board. The first step in ensuring that a respondent has an opportunity to be heard by the Board is for the respondent to be able to understand what to expect during the enforcement process. When the Commission proposed creating a Board having rulemaking authority, it stated that the Board's promulgated rules "may include rules necessary to assist members of the public and public servants to participate in the board's processes." Volume II, *Report of the New York City Charter Revision Commission, December 1986 – November 1988*, at p. 156. This revised version of Chapter 2 serves as a "plain language" guide to help respondents navigate that process, especially because many respondents represent themselves *pro se* before the Board and the confidentiality restrictions of Chapter 68 shield much of the Board's process from public view. Furthermore, because the Board's enforcement process has developed beyond the prior procedural rules, the proposed rules codify the Board's current practice, thus providing more comprehensive guidance to respondents.

The revisions to Chapter 2 provide clarity around three main topics: (i) the two-phase enforcement process; (ii) hearings; and (iii) settlements. As provided for in Charter § 2603(h), respondents have two opportunities to respond to and resolve charges brought by the Board: first, through an informal proceeding; and then, if charges are not resolved during that informal phase, through a formal proceeding. The revisions to Chapter 2 codify this two-phase approach by creating separate sections to address each type of proceeding. With regard to formal proceedings, the Board, like most City agencies, has come to rely

exclusively on the expertise of professional Administrative Law Judges at the New York City Office of Administrative Trials and Hearings ("OATH") to hold adjudicatory hearings. The Board revised Chapter 2 to reflect this practice and to eliminate references to hearings held by the Board or a Board Member.

Recognizing that the majority of respondents choose to forgo a hearing and resolve their enforcement actions by settlement agreement, the Board also revised Chapter 2 to explain more fully the settlement process. While the prior rules provided for "disposition by agreement," the Board's enforcement attorneys frequently had to explain the specific requirements of the Board's settlement process to respondents. The revised rules provide more detail concerning the requirements for settlement agreements and the process by which such agreements are approved by the Board.

Finally, the Board has revised Chapter 2 to eliminate references to "§ 12-110 of the Administrative Code" (the section that constitutes the Annual Disclosure Law) because the Board has a separate set of procedures for enforcement of this law.

Section 2-02 Informal Proceedings

Section 2-02 explains the Board's informal proceedings. During this phase, a respondent has the opportunity to respond to the Board in writing and to conclude the enforcement action through dismissal or settlement without going through the formalities of an adjudicatory hearing. If the enforcement action is not concluded during this phase, the respondent will have another opportunity to do so through the hearing process. Board Rules § 2-02 identifies the steps that take place between the Board's initial determination of probable cause and, if necessary, the Board's decision to proceed to a hearing at OATH.

Pursuant to Charter § 2603(h)(1), when the Board determines that there is probable cause to believe that an individual or organization under its jurisdiction has violated an applicable law (see Board Rules § 2-01(a)), the Board commences an enforcement action by sending the respondent a Notice of Initial Determination of Probable Cause ("Notice"). See Board Rules § 2-02(a). Alternatively, if the Board determines that there is insufficient evidence to support an initial determination of probable cause, or if the violation is minor, or if there is some other mitigating or extenuating factor, the Board could issue a confidential letter stating the alleged facts and advising the recipient about the relevant provisions of the applicable law.

After the Board commences an enforcement action by sending the Notice, the respondent may submit a response to the Board. Board Rules § 2-02(b) clarifies that the response must be submitted in writing for the Board's review. The response is an opportunity for the respondent to demonstrate why the Board should reconsider its initial determination of probable cause. If the respondent believes that the facts alleged in the Notice are incorrect, incomplete, or need clarification, the respondent may submit a response, including supporting evidence, to explain those circumstances. Similarly, if the respondent believes that the Board has misapplied the applicable law to the alleged facts, the respondent can present those arguments in a response. Board Rules § 2-02(b)(3)(i) explains that the Board thoroughly reviews all information and arguments in a response to determine whether any or all of the violations alleged in the Notice should be dismissed. However, if a respondent provides no new information or legal arguments to the Board, there would be nothing for the Board to reconsider and the Board's initial determination of probable cause would be deemed sustained. See Board Rules § 2-02(b)(3)(ii).

After receiving the Notice, respondents occasionally request that the Board provide to them evidence of the facts upon which the Board relied in making its initial determination of probable cause. Because the Board has learned that discovery is better handled under the supervision of an OATH Administrative Law Judge ("ALJ"), Board Rules § 2-02(b)(1) informs respondents that discovery is not available during informal proceedings but rather should be sought after the commencement of formal proceedings at OATH.

Pursuant to Charter § 2603(h)(1), the Board is required to give the respondent a reasonable amount of time to respond to the Notice. Board Rules § 2-02(b) specifies the prescribed time within which a respondent may submit a response, both to reflect the Board's current practice and to establish a process by which the respondent may seek an extension of that deadline. Under prior Board Rules §§ 2-01(a) and 2-05(e), the respondent had fifteen days from the date of service, or twenty days if service was by mail, to respond to the Notice. Because the Notice is always served by first-class mail, Board Rules § 2-02(b)(1) clarifies that the respondent has twenty days from the date of service to respond to the Notice.

Upon receiving the Notice, many respondents request an extension of the twenty-day deadline, which the Board generally grants, to pursue settlement discussions or to give the respondent more time to prepare a response. Board Rules § 2-02(b)(2) sets parameters for requesting and granting extensions and establishes specific time limits for those extensions. These specific time limits both give respondents adequate time to respond and prevent enforcement actions

from languishing; if the Board does not receive a written response or a request for an extension within the prescribed time, the Board's initial determination of probable cause would be deemed sustained pursuant to Board Rules § 2-02(b)(3)(ii).

Pursuant to Charter § 2603(h)(2), if the Board sustains its initial determination of probable cause concerning any of the violations alleged in the Notice, the Board proceeds to a hearing or, if the respondent is still employed by the agency where the alleged violation(s) occurred and is entitled to disciplinary rights, the Board refers the matter to the respondent's City agency. Board Rules § 2-02(c) explains the process by which the Board refers the respondent's alleged violations to his or her City agency and clarifies that, even if a matter has been referred to such agency, the Board retains jurisdiction over the enforcement action and may still proceed to a hearing, as contemplated by Charter § 2603(h)(6), should the agency decline to take disciplinary action or if the Board is unable to resolve the matter by a joint settlement with the respondent and agency.

Rather than proceeding to a hearing, the respondent may choose to resolve the Board's enforcement action through settlement. While prior Board Rules § 2-05(h) provided for "disposition by agreement," the rules offered limited guidance to respondents about the contents of such agreements or the settlement process generally. Board Rules § 2-02(f) addresses the entire settlement process by articulating the requirements and procedures developed by the Board for the negotiation and approval of settlements.

A settlement agreement with the Board could take the form of either a Public Disposition or a Public Warning Letter. While the majority of enforcement actions are settled with a Public Disposition, the Board could offer to settle a matter with a Public Warning Letter under limited circumstances, such as when mitigating factors are present. For each form of settlement agreement, the Board continues to require that the agreement contain certain information. See Board Rules § 2-02(f)(1). Just as Charter § 2603(h)(4) requires all Board orders be made public as the final disposition in an enforcement action, the Board likewise continues to require that all settlement agreements be made public, as a means for educating other City employees about the Board's interpretation of the applicable law. See Board Rules § 2-02(f)(4)(i).

As is the Board's current practice, a settlement agreement is not final until all monetary penalties due to the Board have been paid and the agreement is signed by the Board. Because many settlement agreements include the payment of a monetary penalty to the Board, Board Rules § 2-02(f)(3) codifies the Board's practice with regard to the timing and handling of such payments, and Board Rules § 2-02(f)(4) clarifies that a proposed settlement agreement would not be presented to the Board for final approval until all monetary penalties due to the Board have been paid. When the Board reviews a proposed settlement, there is a possibility that the Board might request a different penalty or ask to modify language in the agreement. Thus, Board Rules § 2-02(f)(4) informs respondents that a proposed settlement agreement is not final until it is approved and signed by the Board.

When negotiating a settlement, respondents occasionally request that their employing City agency be joined as a party to avoid possible future disciplinary action by their agency for the same conduct. Board Rules § 2-02(f)(2) informs respondents that, if the respondent submits a waiver of confidentiality, the Board may speak to such agency about a joint settlement.

Section 2-03 Formal Proceedings

Section 2-03 explains the Board's formal proceedings. During this phase, the respondent has an opportunity to respond to the Board's charges and present evidence at an adjudicatory hearing before an OATH ALJ. As is OATH's practice, the ALJ would issue a report to the Board, and the Board would review the report, along with the evidentiary record, to make its final determination about whether the respondent violated the applicable law. Board Rules in § 2-03 addresses the steps that take place between commencement of formal proceedings at OATH and final action by the Board.

Pursuant to Charter § 2603(h)(2), the Board "shall hold or direct a hearing to be held" to determine whether the respondent has violated the applicable law. When the prior rules were drafted, the Board envisioned that hearings might be conducted by the Board, a member of the Board, or OATH. However, neither the Board nor any Board member has ever held a hearing. Instead, all such hearings are conducted by the OATH Trial Division. OATH provides an impartial forum and is staffed by professional ALJs who regularly handle adjudicatory proceedings for many City agencies. Board Rules § 2-03(a) codifies the Board's current practice of hearings being conducted at OATH in accordance with OATH's Rules of Practice, which are set forth in Title 48 of the Rules of the City of New York ("OATH Rules"). Once the Board commences formal proceedings, the OATH Rules govern the hearing process.

Because OATH has its own set of procedural rules, the Board Rules eliminate existing provisions that are redundant of the OATH Rules, except for a few provisions to provide additional guidance to respondents or impose requirements beyond the OATH Rules. To ensure

that respondents understand when the Board has commenced formal proceedings, Board Rules § 2-03(b) identifies the documents that are served and filed by the Board, as required by the OATH Rules, and specifies the precise method of service for those documents. Because the Board tries to coordinate with respondents about dates for a settlement conference and a hearing before filing a Petition at OATH, Board Rules § 2-03(b)(1) provides context to this request. Under the OATH Rules, the respondent may submit an answer to the Board's charges in the Petition. Expanding on the OATH Rules, Board Rules § 2-03(d) retains and expands upon prior Board Rules § 2-02(d) by advising respondents about the information they may want to include in an answer and requiring them to provide their contact information. Because this topic is not addressed by the OATH Rules, Board Rules § 2-03(f) codifies the Board's existing burden of proof standard for finding that the respondent violated the applicable law. Additionally, Board Rules § 2-03(f) provides guidance to respondents concerning the trial sequence.

After a hearing conducted at OATH, the ALJ would issue a report of recommended findings of fact and conclusions of law and recommended disposition for the enforcement action, which may include imposing a penalty or dismissing some or all of the Board's charges. See Board Rules 2-03(g). Under prior Board Rules § 2-04(a), the respondent and the enforcement attorney had ten days from the date of service of the report to submit a comment to the Board. In practice, the respondent often needs more than ten days and the enforcement attorney may wait to see what, if anything, the respondent submits before making a submission. Board Rules § 2-03(h) revises the prescribed time within which to submit a comment to the Board and establishes a fairer process by giving the parties both a longer amount of time to submit a comment to the Board as well as an opportunity to respond to the comment submitted by the opposing party.

Board Rules § 2-03(i) codifies the Board's burden of proof standard and identifies the specific materials reviewed by the Board in making its final determination about whether the respondent violated the applicable law. If the Board determines that the respondent has committed a violation, the Board issues an order to the respondent pursuant to Charter § 2603(h)(3). Board Rules § 2-03(j)(1) provides a more concise and plain language description of the content of such orders, and makes clear that all Board orders are made public.

Furthermore, Board Rules §§ 2-03(g) and 2-03(j)(2) make clear that, while the OATH report is confidential at the time it is issued, the report may become public as part of the Board's final order. Finally, Board Rules § 2-03(j)(3)-(4) codifies the method of service for Board orders and the Board's practice of setting a thirty-day deadline from the date of service for the payment of a monetary penalty imposed in a Board order. Alternatively, if the Board determines, after a hearing, that there is not sufficient evidence to determine that the respondent violated the applicable law, Board Rules § 2-03(k) explains that the respondent will be sent the Board's final decision in writing and that all materials remain confidential.

Throughout the formal proceedings phase, the attorneys in the Board's advice unit act as counsel to the Board when the Board reviews the materials and makes its final determination. Thus, Board Rules § 2-02(c) retains the practice and policy embodied by prior Board Rules § 2-05(g) by prohibiting *ex parte* communications between the enforcement attorney and the Board's advice attorneys regarding the merits of the enforcement action after formal proceedings have been commenced.

Text of Board Rules

[Deleted material is in brackets.]

Section 1. Chapter 2 of Title 53 of the Rules of the City of New York is REPEALED and a new Chapter 2 is re-promulgated to read as follows:

Chapter 2: Procedural Rules for Enforcement Actions

§ 2-01 Applicability and Definitions.

(a) Applicability.

This chapter establishes the procedural rules for enforcement actions brought pursuant to Charter § 2603(h) to address alleged violations of:

- (1) Chapter 68 of the City Charter (the Conflicts of Interest Law);
- (2) § 3-224 through § 3-228 of the Administrative Code (the Lobbyist Gift Law);
- (3) § 3-901 through § 3-907 of the Administrative Code (the Affiliated Not-for-Profits Law); and
- (4) § 3-1101 through § 3-1107 of the Administrative Code (the Legal Defense Trusts Law).

(b) Definitions.

"Board" means the Conflicts of Interest Board.

"Board Rules" means the rules of the Conflicts of Interest Board, as set forth in Title 53 of the Rules of the City of New York.

"Day" means a calendar day. When the last day of a time period is a Saturday, Sunday, or public holiday, the time period will run through the end of the next business day.

"Enforcement attorney" means an attorney prosecuting an enforcement action on behalf of the Board.

"OATH" means the New York City Office of Administrative Trials and Hearings.

"OATH Rules" means OATH's Rules of Practice, as set forth in Title 48 of the Rules of the City of New York.

"Respondent" means a public servant or former public servant; a lobbyist or any other person required to be listed on a statement of registration pursuant to Administrative Code § 3-213(c)(1); an organization affiliated with an elected official or an agent of an elected official, as defined by Administrative Code § 3-901; or a legal defense trust, trustee, or beneficiary, as defined by Administrative Code § 3-1101, who has been served a Notice of Initial Determination of Probable Cause.

§ 2-02 Informal Proceedings.

(a) Notice of Initial Determination of Probable Cause.

For the purposes of Charter § 2603(h)(1), the Board will commence an enforcement action by serving a Notice of Initial Determination of Probable Cause by first class mail to the respondent's last known residential address or actual place of business.

(b) Response to the Notice of Initial Determination of Probable Cause.

(1) For the purposes of Charter § 2603(h)(1), the respondent has twenty (20) days from the date of service to submit a written response to the Notice of Initial Determination of Probable Cause ("Notice") or request an extension. The response is an opportunity to explain, rebut, or provide information concerning the factual or legal allegations in the Notice. The Board will not consider requests for discovery of evidence during informal proceedings.

(2) Upon oral or written request within twenty (20) days from the date of service of the Notice, the respondent will be granted a thirty- (30-) day extension within which to submit a written response. Upon oral or written request made prior to the expiration of the first extension, the respondent may be granted a second thirty- (30-) day extension for good cause shown, including, but not limited to, ongoing settlement negotiations. Any further extensions must be requested in writing to the Board and will be granted only in exigent circumstances.

(3) For the purposes of Charter § 2603(h)(2):

(i) If the respondent submits a substantive written response to the Notice, the Board will review the response to determine whether there remains probable cause to believe that any alleged violation occurred and will either dismiss the enforcement action or sustain its initial determination of probable cause in whole or in part.

(ii) If the respondent does not submit a written response to the Notice or submits only a general denial of the allegations in the Notice, the Board's initial determination of probable cause will be deemed sustained.

(c) Referral to agency.

If the Board sustains its initial determination of probable cause against a respondent who is entitled to disciplinary rights as described in Charter § 2603(h)(2), the Board will notify the respondent's employing City agency in writing of the alleged facts and violations. After such a referral, the Board retains separate and continuing jurisdiction over the enforcement action.

(1) If the agency does not pursue disciplinary action against the respondent, the Board will commence formal proceedings against the respondent.

(2) If the agency pursues disciplinary action against the respondent, the Board may resolve the enforcement action by a joint settlement agreement with the respondent and agency or commence formal proceedings against the respondent.

(d) Representation by an attorney or other person.

(1) If the respondent chooses to be represented by an attorney or any other person, the representative appearing for the respondent must submit a written and signed Notice of Appearance to the Board. The appearance of a member in good standing of the bar of a court of general jurisdiction of any state or territory of the United States will be indicated by the designation "Attorney for (person represented)." The appearance of any other person will be indicated by the designation "Representative for (person represented)." The Board will not accept a response from or discuss the details of an enforcement action with any attorney or other person who has not submitted a Notice of Appearance.

(2) To withdraw from representation, the representative must submit a written notice of withdrawal to the Board, signed by the respondent or otherwise explaining the reason for withdrawal. An attorney who has submitted a Notice of Appearance may withdraw from representation only with consent of the respondent or when other cause exists, as delineated in the applicable provisions of the New York Rules of Professional Conduct.

(3) A Notice of Appearance, withdrawal or substitution may be submitted to the Board at any time prior to commencement of formal proceedings. After the service of the Notice of Appearance and Petition pursuant to Board Rules § 2-03(b)(1), the OATH Rules govern the procedures for a Notice of Appearance, withdrawal or substitution.

(e) Stay of an enforcement action.

To obtain a stay of an enforcement action prior to commencement of formal proceedings, the respondent must submit a written request to the Board for its review and approval. After the service of the Notice of Appearance and Petition pursuant to Board Rules § 2-03(b)(1), the OATH Rules govern the procedures for a stay.

(f) Settlement.

(1) At any time after the service of the Notice of Initial Determination of Probable Cause, an enforcement action may be resolved by settlement agreement in the form of a Public Disposition or Public Warning Letter.

(i) A Public Disposition must include an admission of the relevant facts; an acknowledgment that the admitted conduct violated a specific provision of the Conflicts of Interest Law, the Lobbyist Gift Law, the Affiliated Not-for-Profits Law, or the Legal Defense Trusts Law; and a penalty that addresses the admitted conduct.

(ii) A Public Warning Letter must include a statement of relevant facts, and a description of each violation of a specific provision of the Conflicts of Interest Law, the Lobbyist Gift Law, the Affiliated Not-for-Profits Law, or the Legal Defense Trusts Law.

(2) The language and penalty of the proposed settlement agreement will be negotiated between the enforcement attorney and the respondent or the respondent's representative, if applicable. If the respondent requests that the respondent's employing City agency be a party to the settlement, the respondent must submit a signed waiver of confidentiality to the Board to allow the enforcement attorney to discuss the proposed settlement agreement with such agency.

(3) If the enforcement attorney and the respondent reach a proposed settlement agreement, it will be reduced to writing and signed by the respondent, the respondent's representative, if applicable, and a representative of the respondent's employing City agency, if applicable. Any monetary penalty to be paid to the Board is due upon signing unless otherwise specified in the proposed settlement agreement. Monetary penalty payments will be held by the Board in escrow until the proposed settlement agreement is fully executed by the Board.

(4) After receiving the full payment of any monetary penalty to be paid to the Board, the enforcement attorney will present the proposed settlement agreement to the Board for its review and approval.

- (i) If the Board approves the proposed settlement agreement, the settlement agreement will be signed by the Board Chair. The fully-executed settlement agreement will be made public, but all underlying records, reports, memoranda, and files of the enforcement action will remain confidential in accordance with Charter § 2603(k).
- (ii) If the Board does not approve the proposed settlement agreement, the Board may direct the enforcement attorney to seek modification of the penalty or the language in the settlement agreement. The modified proposed settlement agreement must be reviewed and approved by the Board.

§ 2-03 Formal Proceedings.

(a) Designation of OATH.

For the purposes of Charter § 2603(h)(2), and in accordance with Charter § 1048, the Board designates OATH to conduct hearings in accordance with the OATH Rules, except as otherwise provided by these rules.

(b) Commencement of formal proceedings.

- (1) The Board will commence formal proceedings at OATH by serving a Notice of Petition and Petition by certified mail, return receipt requested, and first class mail, to the respondent's last known residential address or actual place of business and to the respondent's representative, if applicable. After service, the enforcement attorney will file the Notice of Petition and Petition with OATH and will provide OATH with potential dates for a settlement conference and potential dates for a hearing.
- (2) After the conference and hearing dates have been scheduled at OATH, the enforcement attorney will serve a Notice of Hearing by certified mail, return receipt requested, and first class mail, to the respondent's last known residential address or actual place of business and to the respondent's representative, if applicable.

(c) Ex Parte communications with the Board.

- (1) After service of the Notice of Petition and Petition pursuant to Board Rules § 2-03(b)(1), any Board attorney involved in the prosecution of the enforcement action may not communicate *ex parte* with any member of the Board or any attorney serving as counsel to the Board concerning the merits of the enforcement action, except as provided in paragraph (2) of this subdivision.
- (2) An enforcement attorney may communicate *ex parte* with members of the Board or an attorney serving as counsel to the Board with respect to ministerial matters involving the enforcement action; on consent of the respondent or respondent's representative; or if deemed necessary by the Board or by an attorney serving as counsel to the Board.

(d) Answer.

The respondent may serve and file a written answer to the Petition in accordance with the OATH Rules. The answer may contain specific responses, by admission, denial, or otherwise, to each allegation of the Petition and assert all affirmative defenses, if any. The respondent may include in the answer matters in mitigation. The answer must contain the full name, address, telephone number, and email address of the respondent. If the respondent is represented, the representative's name, address, telephone number and email address must also appear on the answer. The answer must be signed by the respondent or respondent's representative.

(e) Settlement.

At the OATH settlement conference, an enforcement action may be resolved by settlement agreement pursuant to Board Rules § 2-02(f).

(f) Hearing.

- (1) The enforcement attorney will have the burden of proof by a preponderance of the evidence.
- (2) The enforcement attorney will make an opening statement first, after which the respondent may make an opening statement.
- (3) The enforcement attorney will initiate the presentation of evidence. After the enforcement attorney has

completed the presentation of the Board's evidence, the respondent may present evidence. The enforcement attorney may present rebuttal evidence.

- (4) The enforcement attorney will make a closing statement first, after which the respondent may make a closing statement.

(g) OATH report.

After a hearing has been conducted, OATH will issue a confidential report of its recommended findings of fact and conclusions of law and its recommended disposition of the enforcement action. OATH will send the report, along with the original transcript of the hearing and all documents introduced into the record, to the Board for review. OATH will send a copy of the report to the enforcement attorney and the respondent or respondent's representative, if applicable.

(h) Comment on OATH report.

Within twenty (20) days from the date of the OATH report, each party may submit a comment to the Board to explain, rebut, or provide information concerning OATH's recommended findings of fact, conclusions of law, and disposition. If either party submits a comment, the opposing party may submit to the Board a response to such comment within thirty (30) days from the date of the OATH report. Copies of all such submissions must be shared with the opposing party. The Board will not consider new evidence submitted in a comment or in a response to a comment.

(i) Final review by the Board.

For the purposes of Charter § 2603(h)(3), the Board will review the OATH report, along with the original transcript of the hearing and all documents introduced into the record, and any comments and responses to comments submitted to the Board pursuant to Board Rules § 2-03(h), to determine whether it has been proven by a preponderance of the evidence that the respondent violated a provision of the Conflicts of Interest Law, the Lobbyist Gift Law, the Affiliated Not-for-Profits Law, or the Legal Defense Trusts Law. In accordance with Board Rules § 2-03(c), any Board attorney involved in the prosecution of the enforcement action will not participate in the Board's final review.

(j) Board order finding a violation.

- (1) If the Board determines that it has been proven by a preponderance of the evidence that the respondent violated a provision of the Conflicts of Interest Law, the Lobbyist Gift Law, the Affiliated Not-for-Profits Law, or the Legal Defense Trusts Law, the Board will issue an order stating its final findings of fact and conclusions of law and imposing a penalty, except, if the respondent is a current Member or employee of the New York City Council, the Board will issue an order stating its final findings of fact and conclusions of law and recommending a penalty to the New York City Council. The order will include notice of the respondent's right to appeal to the New York State Supreme Court.
- (2) All orders of the Board will be made public. The Board may also make the OATH report public as part of its order, but all other underlying records, reports, memoranda, and files will remain confidential in accordance with Charter § 2603(k).
- (3) The order will be sent by first class mail to the respondent's last known residential address or actual place of business and to the respondent's representative, if applicable.
- (4) If the order imposes a monetary penalty, payment is due to the Board within thirty (30) days of the date of service. If the respondent does not pay the full monetary penalty amount, the Board will refer the matter to the New York City Law Department for collection.

(k) Board dismissal.

If the Board determines that it has not been proven by a preponderance of the evidence that the respondent violated any provision of the Conflicts of Interest Law, the Lobbyist Gift Law, the Affiliated Not-for-Profits Law, or the Legal Defense Trusts Law, the Board will issue a written decision that dismisses the enforcement action and states its final findings of fact and conclusions of law. The decision will be sent to the respondent and respondent's representative, if applicable, and will not be made public. All underlying records, reports, memoranda, and files will remain confidential in accordance with Charter § 2603(k).

■ NOTICE

NOTICE OF PUBLIC REVIEW

The City of New York's success in dramatically reducing crime and lowering the number of people in jail, coupled with the grassroots support for closing Rikers Island Correctional Facility (Rikers Island), has allowed for the City, through the New York City Department of Correction (DOC), to propose implementing a borough-based jail system as part of the City's continued commitment to create a modern, humane and safe justice system and close the jails on Rikers Island. This proposed project, would establish four new detention facilities located in the Bronx (745 East 141st Street), Brooklyn (275 Atlantic Avenue), Manhattan (124-125 White Street), and Queens (126-02 82nd Avenue). Each of the proposed facilities would provide approximately 1,150 beds to house people in detention. In total, the proposed project would provide approximately 4,600 beds to accommodate an average daily population of 4,000 people in a system of four borough-based jails. The proposed project would ensure that each borough facility has ample support space for quality educational programming, recreation, therapeutic services, publicly accessible community space, and staff parking.

The Notice of Completion for the Draft Environmental Impact Statement (DEIS), was issued on March 22, 2019, which marked the beginning of the public comment period on this document. A public hearing on the DEIS was held in conjunction with the public hearing on the associated Uniform Land Use Review Procedure (ULURP) applications on July 10, 2019. The comment period for the DEIS remained open through July 22, 2019. On August 23, 2019, the New York City Department of Correction issued the Notice of Completion for the Final Environmental Impact Statement, marking the completion of the project's CEQR environmental review.

The Notice of Completion and the Final Environmental Impact Statement (FEIS) may be obtained by any member of the public, at <https://rikers.cityofnewyork.us/nyc-borough-based-jails/> or <https://a002-ceqraccess.nyc.gov/ceqr/>.
