Public Parking Garages or Public Parking Lots Outside High Density Central Areas

\* \* \*

74-512

In other Districts

In C2-1, C2-2, C2-3, C2-4, C4-1, C4-2, C4-3, C4-4, C4-5D, C7, C8-1, C8-2, C8-3, M1-1, M1-2, M1-3, M2-1, M2-2 or M3-1 Districts, the City Planning Commission may permit #public parking garages# or #public parking lots# with more than 150 spaces, provided that the applicable regulations set forth in Sections 36-53 (Width of Curb Cuts and Location of Access to the Street) or 44-43 (Location of Access to the Street), Sections 36-55 or 44-44 (Surfacing) and Sections 3656 or 44-45 (Screening) are met. The Commission may permit some of such spaces to be located on the roof of such #public parking garage#, or may permit floor space on one or more #stories# and up to a height of 23 feet above #curb level# to be exempted from the definition of #floor area# as set forth in Section 12-10 (DEFINITIONS). As a condition of permitting such #use#, the Commission shall make the following findings:

- (a) that the principal vehicular access for such #use# is located on an arterial highway, a major #street# or a secondary #street# within one-quarter mile of an arterial highway or major #street#, except that in C5 or C6 Districts such access may be located on a local #street#;
(b) that such #use# is so located as to draw a minimum of vehicular traffic to and through local #streets# in nearby residential areas;
(c) that such #use# has adequate reservoir space at the vehicular entrances to accommodate either 10 automobiles or five percent of the total parking spaces provided by the #use#, whichever amount is greater, but in no event shall such reservoir space be required for more than 50 automobiles;
(d) that the #streets# providing access to such #use# will be adequate to handle the traffic generated thereby;
(e) that, where roof parking is permitted, such roof parking is so located as not to impair the essential character or future use or development of adjacent areas; and
(f) that, where any floor space is exempted from the definition of #floor area#, such additional floor space is needed in order to prevent excessive on-street parking demand and relieve traffic congestion.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area, including limitations on #signs# or requirements for shielding of floodlights, for locations of entrances and exits, or for setback of any roof parking areas from #lot lines#.

This Section shall not apply to the #Manhattan Core# where the regulations set forth in Article I, Chapter 3, shall apply, except as provided in Section 13-06 (Previously Filed or Approved Special Permits or Authorizations).

For existing #public parking garages# located within a C4-4 District in Community District 4 in the Borough of Queens where such garage facility existed before [date of adoption] and was previously granted a special permit, pursuant to this Section, the finding set forth in paragraph (c) of this Section shall not apply. In lieu thereof, the number of reservoir spaces required shall be consistent with a finding that the permitted parking facility will not create or contribute to serious traffic congestion and will not unduly inhibit vehicular traffic and pedestrian flow in the surrounding area.

### RICHMOND COUNTY

■ NOTICE

**RICHMOND COUNTY  
 IAS PART 89  
 NOTICE OF PETITION  
 INDEX NUMBER CY4554/2019  
 CONDEMNATION PROCEEDING**

**IN THE MATTER OF** the Application of the CITY OF NEW YORK Relative to Acquiring Title in Fee Simple to Certain Real Property, where not heretofore acquired, for the

**MID-ISLAND BLUEBELT  
 PHASE 2—OAKWOOD BEACH**

In the area generally bounded by Lynn Street to the North, Emmet Avenue to the West, Dugdale Avenue to the East and Delwit Avenue to the South, in the Borough of Staten Island, City and State of New York.

**PLEASE TAKE NOTICE** that the City of New York ("City") intends to make an application to the Supreme Court of the State of New York, Richmond County, IAS Part 89, for certain relief. The application will be made at the following time and place: 360 Adams Street, Room 724 in the Borough of Brooklyn, City and State of New York, on September 26, 2019, at 2:30 P.M., or as soon thereafter as counsel can be heard.

The application is for an order:

- a. authorizing the City to file an acquisition map in the Office of the Richmond County Clerk;
- b. directing that, upon the filing of the order granting the relief sought

in this petition, together with the filing of the acquisition map in the Office of Richmond County Clerk, title to the property shown on said map and sought to be acquired and more particularly described in this petition shall vest in the City in fee simple absolute;

- c. providing that the compensation that should be made to the owners of the interests in real property sought to be acquired and described in this petition be ascertained and determined by the Court without a jury;
- d. directing that within thirty days of the entry of the order granting the relief sought in this petition, the City shall cause a Notice of Acquisition to be published in at least ten successive issues of The City Record, an official newspaper published in the City of New York, and shall serve a copy of such notice by first class mail on each condemnee or his, her, or its attorney of record; and
- e. directing that each condemnee shall have a period of two calendar years from the vesting date for this proceeding in which to file a written claim, demand or notice of appearance with the Clerk of this Court and to serve a copy of the same upon the Corporation Counsel of the City of New York, 100 Church Street, New York, NY 10007.

The City, in this proceeding, intends to acquire title in fee simple absolute to real property where not heretofore acquired, namely for the **Mid-Island Bluebelt, Phase 2 — Oakwood Beach** in the Borough of Staten Island, City and State of New York. The City's DEP Bluebelt Program ("Program") is a multi-purpose program that provides comprehensive stormwater management and reduces chronic street and property flooding while preserving and enhancing wetlands. This comprehensive Program will be implemented with multi-phase capital projects over several decades. This Program will, amongst other things, implement amended drainage plans that provide a stormwater management network that includes storm sewers, best management practices, Bluebelt wetlands, and ocean outfalls; preserve and enhance wetlands to provide pollutant filtration and flood control; and provide for construction and upgrades of the sanitary sewer system, where needed. All sewer installation would involve street reconstruction once the sewers are installed.

In this phase, approximately 6.0 acres in the Oakwood Beach watershed area comprised of full tax lots and unlotted street beds will be acquired for this Program. The real property to be acquired in this proceeding in fee simple absolute is set forth in detail in the annexed Verified Petition. In addition, surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, NY 10007.

**PLEASE TAKE FURTHER NOTICE**, that pursuant to Eminent Domain Procedure Law 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)

*Human Services/Client Services*

**LEFRAK SENIOR CENTER** - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# 12519N0002 - Due 9-20-19 at 3:00 P.M.

The Department for the Aging (DFTA) has an overarching goal, to assist seniors in remaining independent and involved in the life of their communities as they age. The challenge is, then, to create senior friendly programs and communities, that can facilitate aging in place. Neighborhood Senior Centers conduct classes and activities including but not limited to: art; music; dance; chronic disease self-management classes; nutrition workshops; benefits screenings (i.e. Medicare/Medicaid and Supplemental Nutritional Assistance Program); technology classes; recreational trips, transportation services; and congregate meals. Studies have shown that attendance and engagement in community activities reduces social isolation and improves the health of people aged 60 and older. To ensure these services are equally distributed around New York City, DFTA is seeking a qualified vendor, to establish a Senior Center in Lefrak City, Queens, an area currently lacking in services.

DFTA has identified five (5) existing vendors who are currently providing senior center services in Queens Council District 21. DFTA selected these five (5) vendors as potential recipients, for this limited pool negotiated acquisition based on the following criteria: a successful history of providing senior services in Queens and demonstrated familiarity and sensitivity to the culturally diverse population within this borough. DFTA, intends to negotiate a possible contract, with one of the following:

1. Corona Congregational Church
2. Elmcor Youth and Adult Activities, Inc.
3. Institute for the Puerto Rican Hispanic Elderly, Inc.
4. Korean Community Services of Metropolitan New York, Inc.
5. The Spanish Speaking Elderly Council- Raices, Inc.

Anyone wishing to express interest in this solicitation, must include a narrative addressing each of the numbered qualification requirements listed below. Expression of interest will be evaluated; however, submission of an expression of interest does not guarantee consideration, and DFTA, may determine, to continue negotiations, with only the five listed above.

All interested organizations, that meet the requirements, will be required, to submit an electronic application addressing the following:

1. A successful history in providing senior services in Queens Council District 21.

2. A demonstrated familiarity and sensitivity to the ethnically, racially and/or socio-economically demographics within Queens.
3. A demonstrated successful experience designing and implementing senior programming.
4. A demonstrated experience within the community regarding encouraging/attracting seniors to participate in senior programming.
5. A demonstrated organizational, managerial, and programmatic ability to perform senior center services.

Applications of expressions of interest are due, no later than 3:00 P.M., on Friday, September 20, 2019, and must be submitted electronically, to Michelle Biondi – [mbiondi@aging.nyc.gov](mailto:mbiondi@aging.nyc.gov). DFTA will send the solicitation document, to the five identified vendors, and any additional vendors who express interest and are deemed qualified.

DFTA anticipates the initial term of this contract, will be for one and a half years, effective January 1, 2020 through June 30, 2021. At its sole discretion, DFTA reserves the right to renew the contract, for an additional four and a half year, effective July 1, 2021 through December 31, 2025. The contract value, for the initial term, will be \$1,110,000: \$260,000 allocated for kitchen renovations, which will take place during the first 6 months of the contract and \$850,000, for Personnel, Rent, and Other than Personnel Services, which is allocated, for the remaining term of the initial contract.

Organizations interested in receiving information for future solicitations, may register online with the NYC HHS Accelerator.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
