DESIGN AND CONSTRUCTION

■ NOTICE

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Environmental Protection ("DEP") and the City of New York ("City"), has proposed the acquisition of certain street beds and other impacted properties on Nugent Avenue from Jefferson Avenue to Graham Boulevard, and Chicago Avenue from Columbia Avenue to Cleveland Place, as shown on Damage and Acquisition Map No. 4255, dated 4/13/2018, and Map No. 4257, dated 4/26/2019, in the Borough of Staten Island; and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing, to determine whether the public would be better served by the

proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City held a public hearing, pursuant to EDPL Section 204 in relation to this acquisition on July 2, 2019, in the Borough of Staten Island. Having given due consideration to the complete hearing record, the City makes the following determination and findings concerning the above and below described acquisition and project:

1. The public use and benefit of this project is for the installation of storm sewer, sanitary sewer, and water main on Nugent Avenue and Chicago Avenue in the Borough of Staten Island (the "Project").
2. The bed of streets listed below that are proposed to be acquired are within the acquisition limits shown on Damage and Acquisition Map No. 4255, dated 4/13/2018, and Map No. 4257, dated 4/26/2019, as follows:
 - Nugent Avenue from Jefferson Avenue to Graham Boulevard; and
 - Chicago Avenue from Columbia Avenue to Cleveland Place.

The adjacent Blocks and Lots affected include the following locations, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

ADJACENT BLOCK NO.	ADJACENT LOT NO.
3089	1, 77, 91
3092	9
3095	21 (aka 21R)
3087	1 (aka 1R)
3717	33, 35, 40, 41, 43, 44
3716	14, 40
3758	1
3764	8, 12, 14, 16, 18, 21

The City selected these locations based on a need for the installation of storm sewer, sanitary sewer and water main on Nugent Avenue and Chicago Avenue.

The general effect on the neighborhood will be to improve current living conditions.

An environmental assessment of the proposed property acquisition location was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process. New York City Department of Environmental Protection, as lead agency, determined that the proposed project would have no potential significant adverse impact on the environment, and published a Technical Memorandum (CEQR No. 07DEP063R) to the Midland Watersheds Final Generic Environmental Impact Statement (FGEIS) on April 19, 2019.

Comments and concerns raised by the property owner, at the public hearing have been reviewed by the City. No written submissions were received. Concerns were raised regarding vehicular access on Chicago Avenue and Columbia Avenue, and access to driveways during construction. It was requested that Columbia Avenue remain unobstructed, and that access to the gates of the Saint Joseph's Hill Academy and Daughter of Divine Charity should remain available, at all times. Property owners requested two-week prior notices for utilities shut down.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

NOTICE:

Pursuant to EDPL Section 207, property owners have thirty (30) days from completion of the publication of this "Determination and Findings" to seek judicial review of this determination. This publication will be advertised in the City Record and New York Post newspapers.

The exclusive venue for the judicial review of this determination, pursuant to EDPL Sections 207 and 208 is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

A copy of this Determination and Findings by the City is available without cost upon written request to:

PHASE 2—OAKWOOD BEACH**

In the area generally bounded by Lynn Street to the North, Emmet Avenue to the West, Dugdale Avenue to the East and Delwit Avenue to the South, in the Borough of Staten Island, City and State of New York.

PLEASE TAKE NOTICE that the City of New York ("City") intends to make an application to the Supreme Court of the State of New York, Richmond County, IAS Part 89, for certain relief. The application will be made at the following time and place: 360 Adams Street, Room 724 in the Borough of Brooklyn, City and State of New York, on September 26, 2019, at 2:30 P.M., or as soon thereafter as counsel can be heard.

The application is for an order:

- a. authorizing the City to file an acquisition map in the Office of the Richmond County Clerk;
- b. directing that, upon the filing of the order granting the relief sought in this petition, together with the filing of the acquisition map in the Office of Richmond County Clerk, title to the property shown on said map and sought to be acquired and more particularly described in this petition shall vest in the City in fee simple absolute;
- c. providing that the compensation that should be made to the owners of the interests in real property sought to be acquired and described in this petition be ascertained and determined by the Court without a jury;
- d. directing that within thirty days of the entry of the order granting the relief sought in this petition, the City shall cause a Notice of

Acquisition to be published in at least ten successive issues of The City Record, an official newspaper published in the City of New York, and shall serve a copy of such notice by first class mail on each condemnee or his, her, or its attorney of record; and

- e. directing that each condemnee shall have a period of two calendar years from the vesting date for this proceeding in which to file a written claim, demand or notice of appearance with the Clerk of this Court and to serve a copy of the same upon the Corporation Counsel of the City of New York, 100 Church Street, New York, NY 10007.

The City, in this proceeding, intends to acquire title in fee simple absolute to real property where not heretofore acquired, namely for the **Mid-Island Bluebelt, Phase 2 — Oakwood Beach** in the Borough of Staten Island, City and State of New York. The City's DEP Bluebelt Program ("Program") is a multi-purpose program that provides comprehensive stormwater management and reduces chronic street and property flooding while preserving and enhancing wetlands. This comprehensive Program will be implemented with multi-phase capital projects over several decades. This Program will, amongst other things, implement amended drainage plans that provide a stormwater management network that includes storm sewers, best management practices, Bluebelt wetlands, and ocean outfalls; preserve and enhance wetlands to provide pollutant filtration and flood control; and provide for construction and upgrades of the sanitary sewer system, where needed. All sewer installation would involve street reconstruction once the sewers are installed.

In this phase, approximately 6.0 acres in the Oakwood Beach watershed area comprised of full tax lots and unlotted street beds will be acquired for this Program. The real property to be acquired in this proceeding in fee simple absolute is set forth in detail in the annexed Verified Petition. In addition, surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, NY 10007.

PLEASE TAKE FURTHER NOTICE, that pursuant to Eminent Domain Procedure Law 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)

AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby amends Section 102-01 of Subchapter B of Chapter 100 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding Violation Classification and Certification of Correction.

This rule was first published on July 23, 2019 and a public hearing thereon was held on August 26, 2019.

Dated: 9/12/19 /s/ Melanie E. La Rocca
 New York, New York Commissioner

Statement of Basis and Purpose

The rule updates the DOB Penalty Schedule in order to reflect amendments to Administrative Code § 28-203.1 made in Local Law 203 of 2017, which enacted minimum penalties for immediately hazardous violations and major violations of Article 110 of Chapter 28 of the Administrative Code or Chapter 33 of the New York City Building Code. The rule also corrects typographical errors relating to citations to Administrative Code § 28-217.1.6 and Building Code § 3012.1. Finally, the rule adds one immediately hazardous violation relating to Administrative Code § 28-401.16, which sets forth restrictions on the use of licenses issued by DOB.

DOB’s authority for this rule is found in Sections 643 and 1043(a) of the New York City Charter and Section 28-201.2 of the Administrative Code of the City of New York.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

The table in subdivision (k) of section 102-01 of Title 1 of the Rules of the City of New York is amended by amending existing violations relating to section 28-217.1.6 of the New York City Administrative Code and sections 3012.1, 3307.7, 3319.8.4.2, and 3319.8.6 of the New York City Building Code, and adding a violation relating to section 28-401.16 of the New York City Administrative Code.

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

Notice of Adoption of Amendments to the Rule Concerning the IDNYC Program, Chapter 6 of Title 68 of the Rules of the City of New York

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Commissioner of the New York City Human Resources Administration ("HRA") pursuant to Section 3-115 of the New York City Administrative Code and Executive Order No. 6 of 2014 and in accordance with the requirements of Section 1043 of the New York City Charter, that HRA has adopted the above final rule.

A proposed rule was published in the City Record on July 19, 2019 and a public hearing was held on August 21, 2019. Two comments were received during the public comment process, both in support of the rule amendments.

Effective Date:

The effective date of the amendments concerning enrollments of students at designated New York City Department of Education middle schools -- specifically, the amendments to sections 6-02(a), 6-02(b)(6), 6-03(g), and subsection (e) et seq. of section 6-04 -- is October 21, 2019.

The effective date of the remaining amendments is December 2, 2019.

Statement of Basis and Purpose of Rule

The New York City Identification Card Program ("IDNYC Card Program"), first launched in January 2015, is now in its fifth year of operations and includes over a million cardholders.

Previously, in April 2016, and July 2018, IDNYC amended the rules governing the program based on its experience operating the program and recommendations from stakeholders, including applicants, advocates, IDNYC enrollment staff and members of the City Council. Based on additional experience and feedback, in July 2019, the IDNYC program proposed an additional set of amendments to Chapter 6 of the Rules of the City of New York, designed to facilitate access to the card while maintaining program integrity. This final rule is the same as the proposed rule, except for some minor clarifications and technical non-substantive corrections.

Summary of provisions

- **Card renewals.** IDNYC cards were designed to expire after five years, and with the fifth anniversary of the IDNYC program approaching, these amendments will allow for a more streamlined and flexible renewal process, including online renewals.
- **Allow existing cardholders to update their address, including at renewal, without requiring them to present original residency documents.**
- **Allow 10-13 year olds to apply for the card without a caretaker present at middle school pop-up enrollment sites.**
- **Add provisions concerning card invalidations.**
- **Allow non-students to use university housing agreements if they reside in housing in New York City that is affiliated with the school.**
- **Waive replacement fee for those who can establish that their card was stolen.**

HRA's authority for this rule may be found in Sections 603 and 1043 of the City Charter, Administrative Code Section 3-115, and Executive Order No. 6 of 2014.

Section 10. Section 6-10 of Chapter 6 of Title 68 of the Rules of the City of New York is repealed and replaced with a new section 6-10 that reads as follows:

§ 6-10 Expiration and Renewal.

(a) IDNYC Cards issued after the effective date of this rule will expire five years from the date of application approval, except that cards issued pursuant to section 6-04(e) will expire on the date that the cardholder is expected to graduate from middle school, and cards issued to any other individuals under 16 years of age will expire two

years from date of application approval. IDNYC Cards issued prior to the effective date of this rule will be valid until the expiration date that appears on the face of the card unless invalidated pursuant to section 6-12 of this title.

(b) Renewal cards will be available to individuals who have previously been issued an IDNYC card that will expire in less than 60 days, or such other longer timeframe that HRA may designate in the future, or that expired less than six months ago, or such other longer timeframe that IDNYC may designate in the future, and who submit a renewal application on or after December 2, 2019 in a format and in a manner established by the Commissioner. In most instances, cardholders seeking renewal of their card will not be required to re-establish their identity pursuant to the provisions of sections 6-04 and 6-05 of this title, but if they are seeking to update their name or address must meet the requirements of subdivision (b) or (c) of Section 6-08 of this title, as applicable. However, IDNYC reserves the right to have cardholders re-establish their identity pursuant to sections 6-04 or 6-05 if the program cannot confirm by other means that the individual seeking renewal is the individual to whom the card was issued.

Section 11. Subsection (b) of Section 6-12 of Chapter 6 of Title 68 of the Rules of the City of New York is amended to read as follows:

(b) The secondary review will consist of a conference at which a designee of the Executive Director of the IDNYC program will review the applicant's documents and eligibility for the card and the applicant will have the opportunity to reapply for the card. Secondary reviews will be offered only at specially designated [enrollment centers] locations.

(ii) When IDNYC learns that the individual has died;
(iii) In the circumstances described in subdivisions (b)-(e) of this section.

(b) When the Executive Director of IDNYC or their designee determines that an individual may have obtained a card under a false identity, it will immediately suspend the card, promptly notify the individual of the suspension and provide the individual with an opportunity to challenge the suspension by submitting a secondary review request, in a manner established by the Commissioner, to the IDNYC Card Program within 30 days of notification. Secondary reviews will be offered only at specially designated locations.

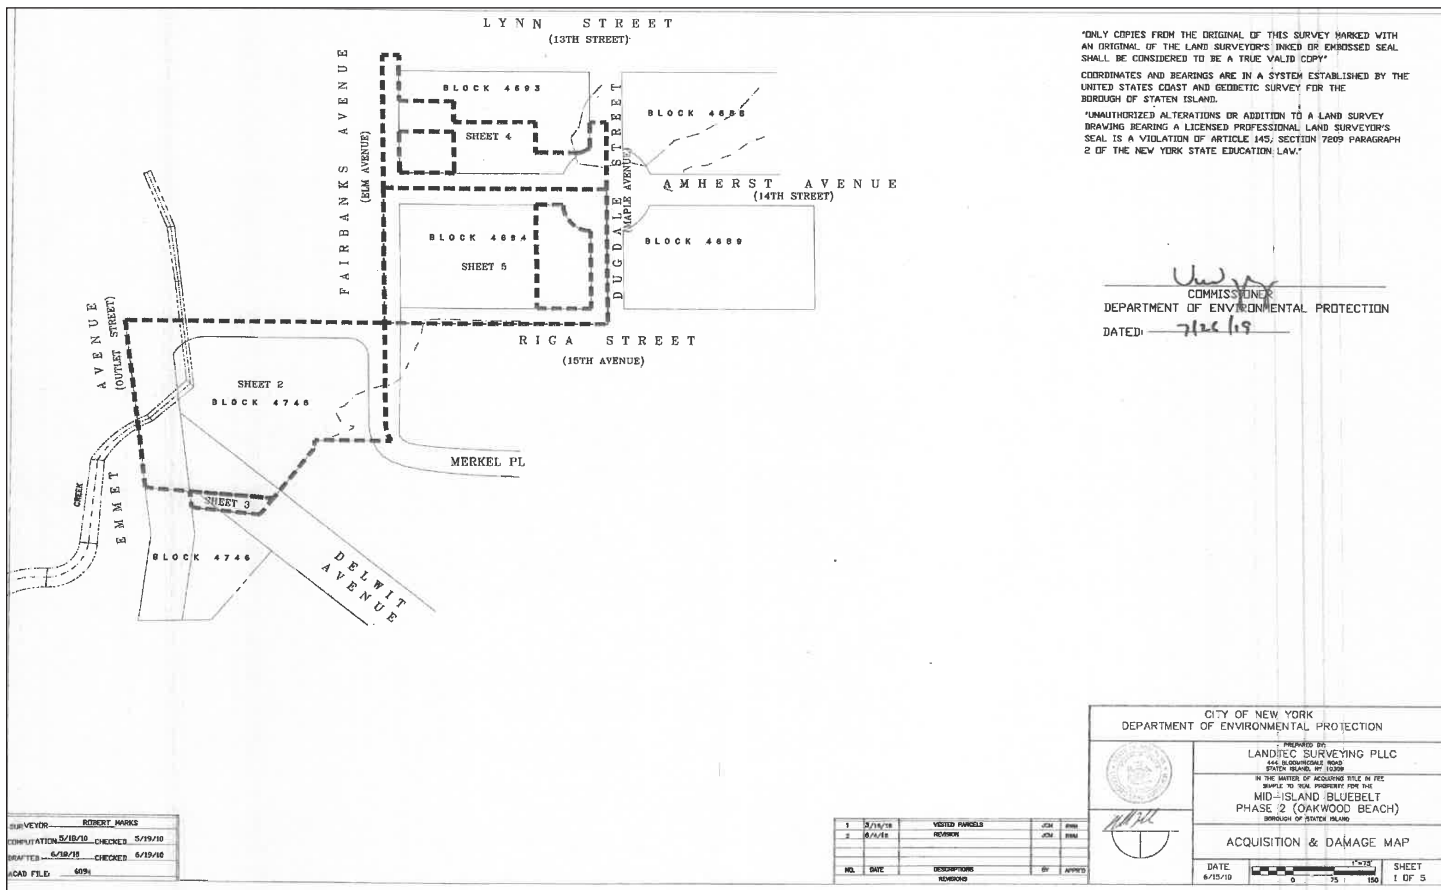

(c) The secondary review will consist of a conference at which a designee of the Executive Director of the IDNYC program will review the individual's documents and eligibility for the card.

(d) The IDNYC program will offer the individual a date, time, and location for the review conference that is within 14 days of receipt of the request. If the date, time, and location offered are not convenient for the individual, the program will work with the individual to find another date, time, and location, but cannot guarantee that the conference will take place within 14 days of the request.

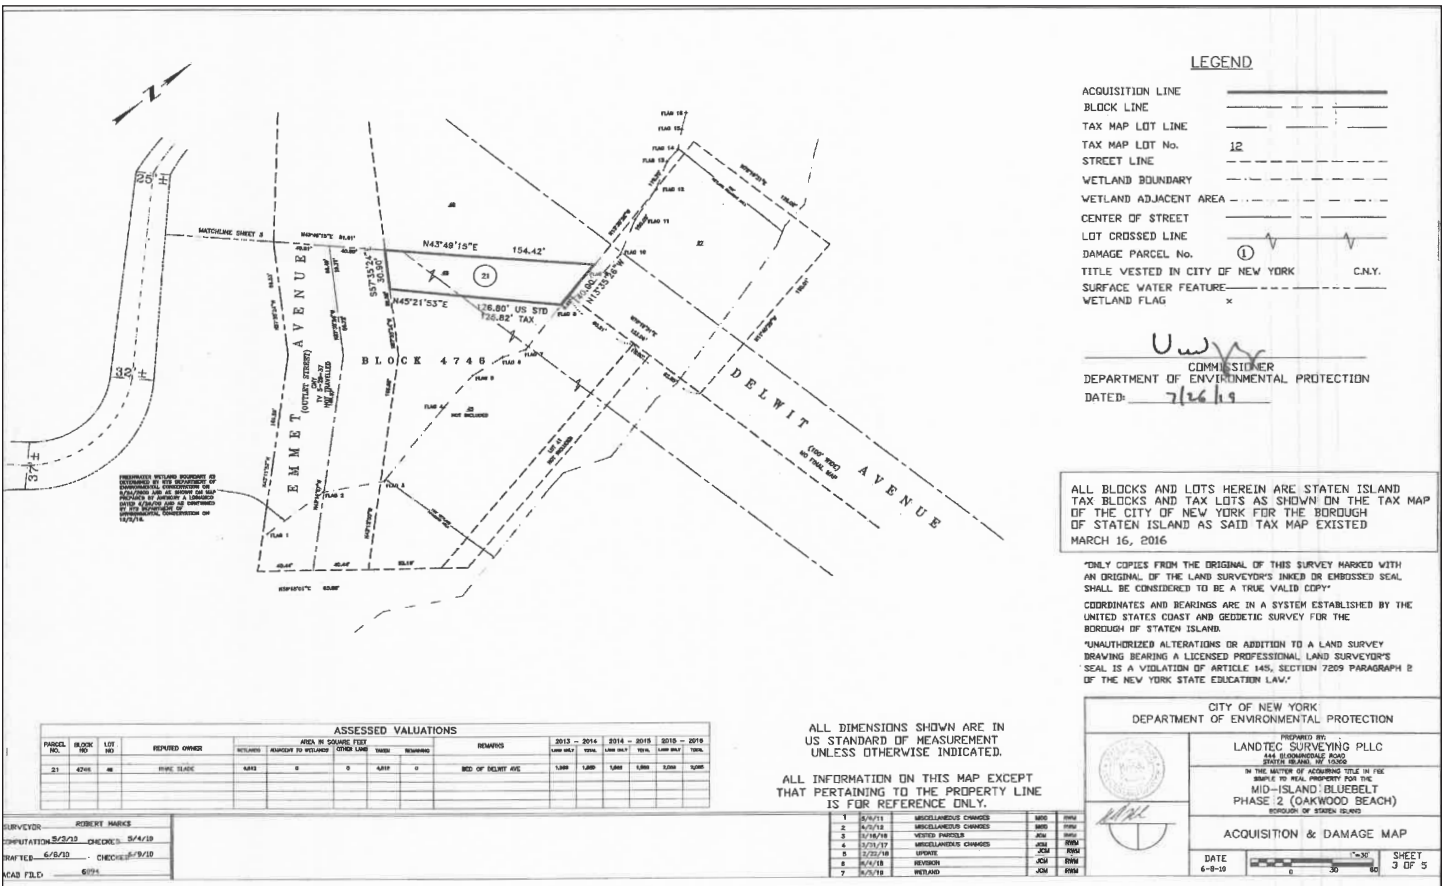

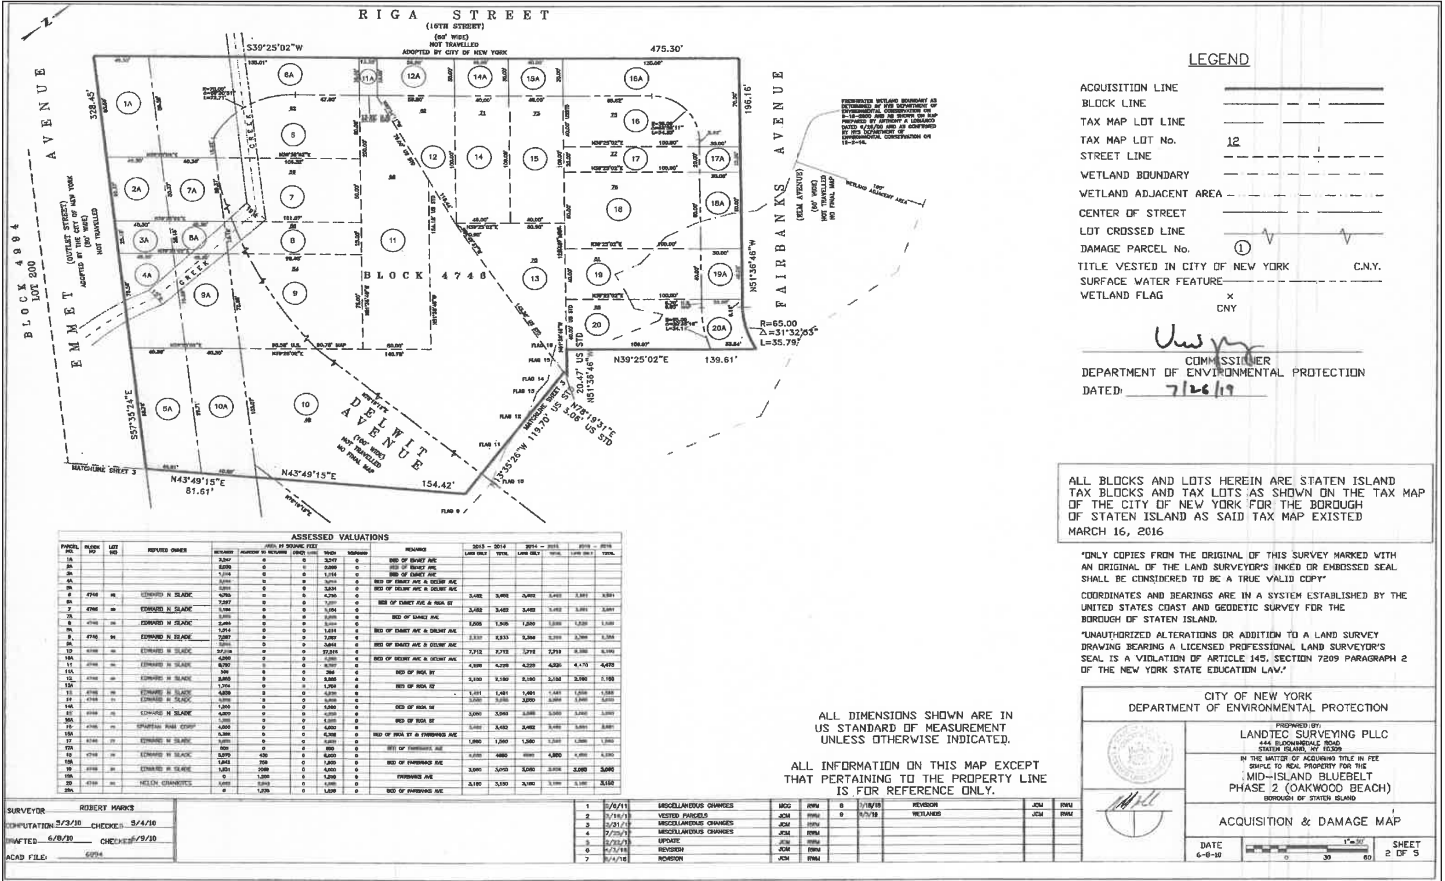

(e) Following the review conference, IDNYC will notify the individual by mail of its determination. If IDNYC does not issue a determination within 14 days of the date of the conference, then the secondary review request will be deemed to have been denied.
