ARTICLE VII

ADMINISTRATION

Chapter 8

Special Regulations Applying to Large-Scale Residential Developments

78-00

GENERAL PURPOSES, DEFINITIONS AND GENERAL PROVISIONS

78-01

General Purposes

The regulations set forth in this Chapter are designed to deal with certain types of problems which arise only in connection with large-scale residential developments and to promote and facilitate better site planning and community planning through modified application of the district regulations in such developments.

For large-scale residential developments involving several zoning lots but planned as a unit, the district regulations may impose unnecessary rigidities and thereby prevent achievement of the best possible site plan within the overall density and bulk controls. For such developments, the regulations of this Chapter are designed to allow greater flexibility for the purpose of securing better site planning for development of vacant land and to provide incentives toward that end while safeguarding the present or future use and development of surrounding areas and, specifically, to achieve more efficient use of increasingly scarce land within the framework of the overall bulk controls, to enable open space in large-scale residential developments to be arranged in such a way as best to serve active and passive recreation needs of the residents, to protect and preserve scenic assets and natural features such as trees streams and topographic features, to foster a more stable community by providing for a population of balanced family sizes, to encourage harmonious designs incorporating a variety of building types and variations in the siting of buildings, and thus to promote and protect public health, safety and general welfare.

78-03

Applicability of This Chapter

#Large-scale residential developments# are governed by all the #use#, #bulk#, off-street parking and loading, and other applicable regulations of this Resolution, except for such special provisions as are specifically set forth in this Chapter and apply only to such #large-scale residential developments#. However, the Quality Housing Program is inapplicable

in #large-scale residential development#.

Any #large-scale residential development# having a total of, at least 500 #dwelling units# shall be subject to the provisions of Section 78-11 (General Provisions), relating to Provision of Public Facilities in Connection with Large-Scale Residential Developments.

#Large-scale residential developments# within the #waterfront area# shall be subject to the provisions of Section 62-132 (Applicability of Article VII, Chapters 4, 8 and 9).

AGENCY RULES

ENVIRONMENTAL PROTECTION

■ NOTICE

NOTICE OF ADOPTION OF RULE

Pursuant to the authority vested in the Commissioner of the Department of Environmental Protection ("DEP" or the "Department") by the New York City Charter and Administrative Code provisions listed below, the Department has adopted a rule to establish penalties for several violations of Title 24, Chapter 1 of the Administrative Code, also known as the New York City Air Pollution Control Code. A proposed version of this rule was published in the City Record on October 7, 2019. A public hearing was held on November 6, 2019. This rule will go into effect on December 30, 2019.

Statement of Basis and Purpose of Rule

DEP has adopted a rule to amend the City's Air Code Penalty Schedule in Chapter 43 of Title 15 of the Rules of the City of New York by establishing in the Air Code Penalty Schedule new penalties for two separate violations of Chapter 1 of Title 24 of the New York City Administrative Code.

Local Law 61 of 2018, which took effect on January 1, 2019, added Section 24-154 to the Administrative Code. Administrative Code section 24-154 requires mold assessment licensees and mold remediation licensees to file notifications of mold remediation projects with an agency designated by the Mayor. Subdivision (d) of Section 24-154 authorizes that designated agency to establish penalties for failing to file such notifications. On March 25, 2019, the Office of the Mayor designated DEP as such agency. For such violations, DEP has amended the Air Code Penalty Schedule by establishing the following penalties: for a first violation, a penalty of \$800; for a second violation, a penalty of \$1600; and for a third violation and for all subsequent violations, penalties of \$2400.

DEP has amended the Air Code Penalty Schedule to establish penalties for building owners or other responsible parties who fail to allow inspectors to collect samples of an air contaminant or substances used in a process that affects or may affect the emission of an air contaminant. Section 24-108 of the Administrative Code requires a building owner or responsible party to allow DEP to take such samples. Section 24-178 of the Administrative Code allows DEP to impose penalties for failures to comply with section 24-108. For such violations, DEP establishes the following penalties: for a first violation, a penalty of \$200; for a second violation, a penalty of \$400; and for a third violation and all subsequent violations, penalties of \$600.
