"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

■ VENDOR LIST

Construction Related Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.

NYC DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of NYC DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, NYC DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. NYC DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL, will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

NYC DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

REVENUE

■ INTENT TO AWARD

Services (other than human services)

HIGH QUALITY RESTAURANT IN BATTERY PARK, MANHATTAN - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# M5-F-R - Due 12-23-19 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks"), intends, to enter into a negotiated concession, for a license agreement, for the renovation, operation and maintenance of a high quality restaurant, in Battery Park, Manhattan, which is located, at 10 Battery Place, New York, NY 10004.

The concession, will have a term, not to exceed five (5) years, commencing on or around January 8, 2020, and expiring on or around January 7, 2025, inclusive of any optional renewals exercisable, at Parks sole discretion. The concession, will be operated, pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered. As compensation to the City, Parks anticipates receiving approximately a minimum of \$400,000.00 in annual concession fees (exact amount to be determined during negotiations).

At this time, it is neither practicable nor advantageous, to award this concession by competitive sealed proposals or competitive sealed bids, due to the existence of a time-sensitive situation, where a concession must be awarded quickly, or significant revenues will be lost. The existing concession agreement expires on January 7, 2020. Without a negotiated short-term concession, the current concession, will expire, and the facility will remain vacant, since Parks does not have the capability, or the resources, to operate, maintain or secure the restaurant. Service to the public will be interrupted and significant revenue, to the City, will be lost in concession fees. An RFP for this concession was originally issued on August 21, 2018, with the intent of making an award prior to the expiration of the then existing concession agreement; however, Parks is unable to make an award, pursuant to that RFP, because Parks has recently become aware, that the New York City Economic Development Corporation's ("NYC EDC") Battery Coastal Resiliency Project ("the Project"), will impact the operation of the concession, as solicited under the RFP. Therefore, Parks, intends to begin the competitive process again, with the new information, as part of the solicitation process, once NYC EDC announces its final plan for the Project. Currently, there are no known timelines for the Project, or definitive plan, that will illustrate the full impact of the Project, at the concession. Once this information is known, Parks will be able to issue a new RFP that addresses the full scope and timeline of Project.

As part of the negotiated concession, the successful concessionaire, will be required, to make required capital improvements and operate the restaurant in accordance with any future potential impact the Project may have, at the concession, until the end of the negotiated term. This negotiated concession is meant to act as a short-term solution, to bridge the gap, until a new competitive RFP solicitation, evaluation, and award process have concluded, and to allow time for the finalization of the scope of the Project, before the start of any longer term concession.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession, may contact Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454, or via email, at Andrew.Coppola@parks.nyc.gov, by December 23, 2019. Parks will evaluate the proposals on the bases of operating experience, financial capability, planned operations, and fee offer.

Where applicable, Parks may condition the award of this concession, upon the successful completion of PASSPort (The Procurement and Sourcing Solutions Portal) Questionnaires and review of that

information by the Department of Investigation. In addition, any person or entity, with at least a 10 percent ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10 percent ownership interest in the submitting vendor).

This concession has been determined not to be a major concession, as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and Local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged, with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process, should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
