#### HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

**PLEASE TAKE NOTICE** that a public hearing, will be held at on Tuesday, March 3, 2020, at the Morningside Heights Library/The New York Public Library, at 2900 Broadway, New York, NY 10025, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed amendment to the Deed described below.

Pursuant to Section 507(2)(d) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") has proposed amendments to the terms and conditions of the sale of certain real property previously conveyed by the City of New York ("City"), located in the Borough of Manhattan and known as:

BLOCK	LOT	ADDRESS
1717	22	17-21 West 118th Street
1717	23	15 West 118th Street

on the Tax Map of the City ("Premises") and, now known as the WIN West 118th Street and West End West 118th Street projects, in the Supportive Housing Loan Program.

On December 11, 1987, the City conveyed the property, known as 21 West 118th Street, New York, New York and then designated as Block

1717, Lot 23 (now Lots 22 and 23) to Milbank Housing Development Fund Corporation ("Milbank HDFC"), which operated the site as a DHS-funded shelter until June 2013. In 2015, Milbank HDFC sold the property to WIN 118th Street Housing Development Fund Corporation ("WIN HDFC"), an affiliate of Women in Need, Inc. ("WIN"), which converted the building on Lot 22 to contain 34 residential dwelling units and one superintendent's unit for formerly homeless families, utilizing rehabilitation financing from HPD. At this time, the deed restrictions were amended for Lot 23 via a deed modification to permit a community facility containing offices for WIN and other non-profit and philanthropic institutions. The offices were never built and in July 2018, WIN HDFC sold Lot 23 to West 118 Acquisition LLC, an affiliate of Azimuth Development Group, LLC. West 118 Acquisition LLC, in conjunction with the supportive housing provider West End Residences Housing Development Fund Company, Inc., has proposed, to develop a 51-unit supportive housing building on the parcel (the "Proposed Project"). The new building resulting from the Proposed Project would be filed as a mix of Use Group 3 (nonprofit community facility with sleeping accommodations) and Use Group 4 (community facility).

This submission is to request approval to modify the Deed to remove the restriction that Lot 23 be used solely as a Use Group 4 community facility and instead allow for the new building to be a Use Group 3 (nonprofit community facility with sleeping accommodations) and Use Group 4 (community facility) building.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via email, at disabilityaffairs@mocs. nyc.gov, or via phone at (212) 788-0010. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three (3) business days in advance of the hearing to ensure availability.

#### PROCUREMENT

#### "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA)

#### **Notice of Concept Papers**

Like many parts of New York City, Staten Island has been deeply affected by the opioid epidemic. The NYC Department of Health and Mental Hygiene (DOHMH), is committed to ending this epidemic using a multipronged strategy including supporting providers across the substance use disorder continuum of care. One strategy to delay or eliminate substance use in youth and young adults is by engaging them in the community based early intervention model called Transition to Independence Process (TIP). Through the TIP model, the following wrap around services are provided to youth and young adults, ages 16-24: case management, vocational and mental health counseling, referrals and linkages, opportunities for civic engagement, computer training, GED and college preparation, vocational training, internship, entrepreneurship and job placement. Additionally, the skills and expertise of Life Coaches are used to engage the youth and young adults, ages 16-24, who are at risk of and/or are using substances as they begin to navigate their way into adulthood.

DOHMH proposes to issue a Request for Proposals (RFP) to identify a substance use disorder contractor who can operate a program in Staten Island. The contractor would have had previous experience in employment and career support; navigating the educational system; addressing living situations; working on interpersonal relationships, emotional and behavioral wellbeing, and communication skills; and addressing daily living habits, leisure activities, and young adults (ages 16-24) living in Staten Island, who are at risk of and/or are using substances, in making a successful transition to adulthood.

The Concept Paper will be posted on the DOHMH website, www.nyc. gov/health, February 7, 2020 through March 23, 2020. Written comments in response to the Concept Paper should be submitted to RFP@health.nyc.gov. Please include "Safety Net Program for at Risk Youth Concept Paper" in the subject line.
