- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
● Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
● Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
● Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)

What rules govern the rulemaking process? The Board must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rules

The Campaign Finance Board (the "CFB" or "Board") is a nonpartisan, independent City agency that empowers New Yorkers to make a greater impact in elections. The CFB administers the City's campaign finance system, overseeing and enforcing the regulations related to campaign finance and holding candidates accountable for using public funds responsibly. The CFB publishes detailed public information about money raised and spent in City elections by candidates and independent spenders, and engages and educates voters through community outreach, the Voter Guide, and the Debate Program.

The CFB is proposing amendments to several of its rules regarding public funds payments and repayments, registration and certification, proof of compliance with the Conflicts of Interest Board ("COIB"), deadlines for submitting certain documents and completing a compliance training, disclosure statements, contribution limits, transfers of funds, qualified expenditures, independent expenditures, expenditures in special elections, and the Voter Guide.

The CFB is proposing these amendments to improve the administration of the Campaign Finance Program and to conform to, and facilitate implementation of and compliance with, amendments made to the City Charter by the 2018 and 2019 Charter Revision Commissions; Local Laws No. 1 and 128 for the year 2019, codified in sections 3-702, 3-703, 3-704, 3-705, 3-706, 3-708, 3-709, 3-709.5, 3-710, 3-713, 3-720, 3-801, and 12-110 of the Administrative Code of the City of New York (the "Code") and sections 1052 and 1152 of the City Charter; section 14 of chapter 5 of the laws of 2019, codified in section 8-100(1) of the New York State Election Law; and section 8 of chapter 6 of the laws of 2019, codified in § 8-600 of the New York State Election Law.

The following is a summary of the substantive changes.

Summary of Proposed Rules

Chapter 1

Section 1-02 is amended to update the definition of "optional early public funds repayment" to reflect the fact that there are now multiple public funds payments made before the ballot is set. Additionally, the definitions of "election" and "transfer" are amended to account for the removal of runoff elections (*see also* Chapter 16).

Section 1-04(a)(iii) is amended to clarify that if a scheduled payment date falls on a Saturday, Sunday, or legal holiday, the payment will be made on the next business day.

Chapter 2

Section 2-01 is amended to require that candidates declare an office sought when they submit a Filer Registration. Candidates may change their office sought until the certification deadline or until they receive public funds, whichever comes first. Pursuant to section 2-02(e), a declaration of office sought must also be provided with a Certification. This information is crucial to effective and efficient administration of the Campaign Finance Program, as it is required in order to determine each candidate's contribution limit, expenditure limit, threshold calculation, and total public funds payable.

Section 2-02 is amended to update the certification and rescission deadlines, in order to conform to §§ 3-703(1)(c) and 3-705(4) of the Code, as amended by Local Law No. 128 of 2019 ("Local Law 128").

Section 2-06 is amended to clarify the deadlines by which candidates must complete the CFB's pre-election compliance training. Candidates not seeking an early payment must complete the training by the final day of the disclosure period reported in the 32-day pre-primary disclosure statement, while candidates seeking an early payment must complete the training at least 15 business days before the payment is made.

Chapter 3

Section 3-01(b) is amended to reflect the fact that there are now multiple public funds payments made before the ballot is set.

Section 3-01(d) is amended to provide that a candidate may be ineligible to receive public funds during the pre-election period if the candidate maintains a significant reporting variance for either receipts or expenditures, fails to report employment information or provide complete and accurate backup documentation for a significant percentage of matching claims, or fails to attend a compliance training. Reporting variances, missing employment information, and documentation error rates above a certain percentage are common indicia of inadequate internal controls and thus provide a basis for the denial of public funds. The Board has previously denied public funds based on documentation error rates and missing employment information pursuant to its internal audit standards; this amendment represents a codification of that practice. The addition of reporting variance as a factor follows a 2015 rule change requiring that candidates submit all bank statements and deposit slips concurrently with each disclosure statement. Prior to this rule change, a significant reporting variance during the pre-election period could be a result of the campaign not yet having provided up-to-date bank records. Now, an underreporting variance likely indicates significant amounts of unreported activity, while an overreporting variance likely indicates a failure to comply with the requirement to provide bank records with each disclosure statement; either scenario represents a lack of adequate internal controls and a failure to disclose key information to the Board and/or the public. The threshold amounts for determining what constitutes a "significant" reporting variance, percentage of missing employment information, and documentation error rate will be calculated for each election cycle and will be publicized on or before July 11 in the year prior to the year of the election.

Section 3-02 is amended to remove the statement that a candidate who has been disqualified from the ballot, or who is no longer opposed by a candidate who appears on the ballot, is not eligible to receive public funds, as this statement appears in section 7-01(e) as amended herein.

Section 3-05 is amended to conform to §§ 3-703(1)(m) and 12-110(b)(2) (a) of the Code, as amended by Local Law 128, concerning filing with the Conflicts of Interest Board.

Chapter 4

Section 4-05(b) is amended to modify the disclosure schedule during the year of the election, in order to account for the rescheduling of the primary election from September to June per recent amendments to the State Election Law. The May 15 disclosure statement is removed, as the 32-day pre-primary disclosure statement will be due in mid-May, and a new disclosure statement is added in late August, due to the gap between the primary and general elections.

Section 4-05(c)(ii) is amended to accommodate the updates to contribution refund requirements in sections 5-07(b) and (c).

Section 4-05(c)(iv) is amended to change the threshold dollar amount above which contributions to political committees from a candidate's personal funds are considered contributions to, and expenditures by, that candidate's campaign.

Section 4-05(c)(vi) is amended to delete the requirement that transfers of funds consist entirely of contributions previously raised by the transferor committee.

Chapter 5

Section 5-01(b) is amended to update the year of the most recent contribution limit adjustment from 2018 to 2022.

A new section 5-01(c) is created to clarify that the new contribution limits, as created by the 2018 Charter revision and codified in § 3-703(1)

(f) of the Code, apply to all contributions accepted by Option A candidates in the 2021 elections, regardless of when the contributions were received. Failure to refund the over-the-limit portion of contributions received at any time during the election cycle is a violation that may result in a penalty. *See also* CFB Advisory Opinion No. 2019-1.

Sections 5-07(b) and (c) are amended to provide that contribution refunds must be documented and are considered to be made on the date on which the funds cleared the committee account. The documentation provided must demonstrate that the refund cleared the committee account and was issued to the reported contributor (for example, for a refund made by check, the campaign must provide a copy of the front and back of the endorsed check as well as the corresponding committee bank statement). The sections are further amended to remove the requirement that contribution refunds be made by bank or certified check. Contribution refunds may be made electronically by ACH transfer, or using a committee check; however, the campaign assumes the risk that the contributor may not cash or deposit a committee check in a timely manner, which would delay the refund date and potentially affect the campaign's public funds eligibility and result in violations and penalties.

Section 5-08(c) is amended to provide that transfers between CFB committees are not subject to the requirement to demonstrate that transferred funds are not derived from excess or prohibited contributions. This change is to conform to § 3-703(14) of the Code, as amended by Local Law 189 of 2016.

Chapter 6

Section 6-02(a) is amended to provide that expenditures to defend the validity of petitions may be qualified expenditures. This change is to conform to § 3-704(2)(h) of the Code, as amended by Local Law 128.

Chapter 7

Section 7-01(e) is amended to clarify that a candidate who does not appear on the ballot, or who is not opposed on the ballot, may be required to return any public funds received. This clarification is necessary because Local Law 128 provided for public funds payments beginning in December in the year prior to the election year, thus increasing the likelihood that a candidate who previously received public funds, or that candidate's sole opponent, could subsequently be disqualified from the ballot. Candidates who are not opposed on the ballot are not eligible to receive public funds for that election. *See* Admin. Code § 3-703(5).

Section 7-02(a)(iii) is relocated to new section 7-01(g) and is amended to reflect the fact that there are now multiple public funds payments made before the ballot is set. The section is also amended to remove the reference to unopposed candidates, who are covered in section 7-01(e).

Section 7-02(a) is amended to conform to the payment schedule established by § 3-705(4) of the Code, as amended by Local Law 128. Additionally, the section provides that a certified statement of need, which must be submitted in order to receive an early public funds payment, must be received at least 15 business days before the scheduled date of the payment. This is to allow CFB staff sufficient time to review statements of need and determine eligibility before issuing payments.

Section 7-02(c) is amended to clarify what may constitute "new information" for purposes of § 3-703(12) of the Code, which provides that the Board may not invalidate a matching claim that was submitted in a previously reviewed disclosure statement unless the Board learns of new information that is relevant to the eligibility for matching of the claim and that was not available to the Board at the time of the initial review. New information may include, but is not limited to, information relevant to the candidate's eligibility to receive public funds generally, including the submission of a Certification not previously submitted, and information relevant to determining which contribution limit is applicable to the candidate, such as a declaration or change of the office sought.

Section 7-02(d) is amended to modify the characterization of public funds payments as being for the primary or general election. This change is to accommodate both the increased amount of time between the primary and general elections, due to the primary being rescheduled from September to June, and the additional early public funds payment dates created by § 3-705(4) of the Code, as amended by Local Law 128. Public funds payments will not be characterized as for the primary or general election, but no candidate may receive more than the maximum public funds payable amount for a single election prior to the day after the day of the primary election. For example, a City Council candidate who anticipates running in both the primary and general elections may submit sufficient valid matching claims to be eligible for public funds totaling \$168,888 for the primary and \$168,888 for the general, totaling \$337,776. However, that candidate would only receive \$168,888 prior to the primary election. On the first payment date after the primary election, the candidate could receive an additional \$168,888 (less the 5% withholding assessed pursuant to Board Rule 7-06 and § 3-705(4) of the Code).

Section 7-04 is amended to conform to § 3-705(7) of the Code, as amended by Local Law 128, which requires that, in order for a candidate to receive either an early public funds payment or public funds payments totaling more than 25% of the maximum payable amount, either 1) the candidate must submit a certified statement of need attesting that one or more enumerated conditions applies, 2) the candidate must be opposed in an election for an office for which no incumbent is seeking re-election, or 3) the candidate must be opposed by a candidate who has received public funds for the election in question.

Section 7-06 is amended to provide that the Board may withhold an amount equal to the amount of any contributions made, solicited, or otherwise received in violation of the law, including contributions from a prohibited source and over-the-limit contributions (for which only the excess portion would be withheld), pending refund of the contribution (or excess portion, as applicable) to the contributor or disgorgement to the Public Fund. Previously, the Board's policy was to deem a candidate ineligible to receive a pre-election public funds payment if the candidate had received and failed to refund any prohibited or over-the-limit contributions. By providing a less severe consequence for failing to refund such contributions in a timely manner, this change will reduce the burden on campaigns that do not have additional compliance issues.

Chapter 9

Section 9-02(f) is amended to clarify that a candidate who is no longer opposed by a candidate who appears on the ballot may not spend public funds for any purpose other than the payment of liabilities previously incurred for qualified expenditures. Candidates who are not opposed on the ballot are not eligible to receive public funds for that election. *See* Admin. Code § 3-703(5). Additionally, section 9-02(h) is amended and section 9-02(i) is added to clarify that a candidate may be required to repay public funds due to either failing to satisfy the requirements to actively campaign for office, or ceasing to actively campaign for office. Section 9-02(j) (previously section 9-02(h)) is added to clarify that a candidate may be required to repay public funds if the candidate fails to appear on the ballot or be opposed on the ballot. If a candidate who received public funds fails to actively campaign, that candidate may be required to repay all public funds received. If a candidate who received public funds ceases to actively campaign, that candidate may not incur additional expenditures and may be required to repay all public funds previously received, less the amount of any qualified expenditures made before the candidate ceased campaigning. *See* Admin. Code § 3-710(3). These amendments are necessary because Local Law 128 provided for public funds payments beginning in December in the year prior to the election year, thus increasing the likelihood that a candidate could receive public funds and subsequently drop out of the race or be disqualified from the ballot.

Chapter 13

Section 13-02(a)(viii) is amended to accommodate the updates to contribution refund requirements in sections 5-07(b) and (c).

Chapter 14

Section 14-01 is amended to expand the definition of "electioneering communication" to include communications disseminated within 60 (previously 30) days of a primary election. This change is to account for recent changes to the election calendar, in particular the establishment of early voting, codified in § 8-600 of the Election Law.

Section 14-03(a) is amended to align the independent expenditure disclosure schedule with the campaign disclosure schedule.

Chapter 15

Section 15-03(e) is amended to provide that expenditures incurred outside of the calendar year in which a special election is held are presumed not to be qualified, unless the proclamation and the special election occur in different calendar years.

Section 15-04(e) is amended to reflect the threshold dollar amounts and payment dates for special elections stated in §§ 3-703(2), 3-705(4), 3-709(5) of the Code, as amended by Local Law 128.

Chapter 16

Chapter 16 is repealed. New section 1057-g of the City Charter, implementing ranked choice voting in citywide elections beginning on January 1, 2021, renders runoff elections unnecessary. References to runoff elections are deleted throughout the rules.

Chapter 17

Sections 16-02(b)(i) and (iii) (previously sections 17-02(b)(i) and (iii)) are amended to allow for Voter Guide submissions between the primary and general elections. Previously, final general election Voter Guide statements were required to be submitted prior to the primary election, and no modifications could be made thereafter. As the primary election will now be held in June rather than September, the additional time between the primary and general elections allows for more flexibility in the submission schedule.

Additionally, the entirety of Chapter 17 is renumbered to become the new Chapter 16.

Chapter 18

The entirety of Chapter 18 is renumbered to become the new Chapter 17.

The threshold percentage for each election cycle will be determined and publicized by the Board on or before July 11 in the year before the year of the election;

(F) the candidate or such candidate's representative fails to attend a compliance training by the deadline provided in section 2-06; or

(G) there is reason to believe that the candidate has committed a violation of the Act or these rules not otherwise enumerated in [subparagraph] paragraph (ii) of this [paragraph] subdivision, and which is not a basis for withholding pursuant to section 7-06.

§ 9. Section 3-02 of chapter 3 of title 52 of the rules of the city of New York is amended to read as follows:

§3-02 Disqualification from ballot. A candidate who has been disqualified from the ballot, or who is no longer opposed by a candidate who appears on the ballot, is not eligible to receive public funds.]

(a) Notice of appeal. The candidate must notify the Board immediately, in writing, if the disqualified candidate is seeking to appeal or otherwise remedy a disqualification. The failure of a candidate to demonstrate [such] compliance by the deadline established [by the conflicts of interest board or by the reporting deadline immediately preceding the date on which the candidate seeks to receive a public funds payment, whichever is earlier,] pursuant to §§ 3-703(1)(m) and 12-110 of the Code may result in a delay of any payment by the Board [of public funds the candidate may otherwise be eligible to receive until a future scheduled payment date].

(b) Due dates. A candidate may submit proof of compliance with the Board [and such proof shall be considered]. Proof is timely [submitted] if it is submitted to the Board on or [prior to] before the [last business day of July in the year of] deadline to file a Certification for the covered election, except as provided by paragraph (a).

§ 11. Paragraph (ii) of subdivision (b) of section 4-05 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(D) Weekends and holidays. The Board's published schedule of disclosure statement filing dates [shall] will reflect that if a disclosure statement is due to be submitted on a Saturday, Sunday, or legal holiday, submission must be made on the next business day.

§ 12. Subparagraph (A) of paragraph (ii) of subdivision (c) of section 4-05 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(A) Reporting requirements. To fully report a contribution accepted during the reporting period, the candidate must report, for each contribution:

- (5) the number of the check, cashier's check, or money order, if applicable;

- (10) such other information as the Board may require.

§ 13. Subparagraph (F) of paragraph (iv) of subdivision (c) of section 4-05 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(F) Contributions to political committees. [Political contributions] Contributions to political committees that support or oppose candidates in New York City (except political committees of other candidates), including state party committees, that are made by a candidate with [such] the candidate's personal funds and that, in the aggregate for any single political committee, exceed [the contribution limit applicable to the office of mayor for contributors having business dealings with the city pursuant to section 3-703(1-a) of the Code] \$1,000, are presumed to be expenditures in furtherance of the [campaign's candidate] candidate's campaign and contributions from the candidate to the candidate's campaign[, and], as such,] must be reported to the Board. The candidate may rebut this presumption by providing evidence [indicating] that the contributions were not in furtherance of the [campaign's candidate] candidate's campaign. [Such] These contributions are subject to all applicable expenditure and contribution limits, except that contributions made to committees registered with the State Board of Elections or the Federal Election Commission as independent expenditure committees are not subject to such limits. Candidates must create and maintain records of such contributions. Contributions made with a candidate's personal funds as provided in this subparagraph [shall] are not [be the] a basis for a deduction from [such] the candidate's public funds payment pursuant to section 7-07(a).

§ 14. Paragraph (vi) of subdivision (c) of section 4-05 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(vi) Transfers

Statement of Basis and Purpose of Proposed Rule

The Department of Consumer Affairs ("DCA" or "Department") is proposing to amend the rules governing general vendors to clarify that, in addition to general vendor licensees, qualifying Department of Health and Mental Hygiene ("DOHMH") mobile food vending licensees also may apply for a DCA specialized vending license. A specialized vending license is required to vend in certain restricted areas of New York City. Currently, the Department's rules require an applicant for a specialized vending license to have a valid general vendor's license. However, qualifying holders of a mobile food vendor license issued by DOHMH are also eligible to apply for a specialized vending license. These amendments will ease the burden for mobile food vendors by reducing the permit requirements.

Sections 1043 and 2203(f) of the New York City Charter and Sections 20-104(e) and 20-471 of the New York City Administrative Code authorize the Department to make these proposed amendments.

(3) Individuals holding city-specialized vending licenses issued after February 28, 2003, and before August 23, 2004 who do not apply by September 22, 2004 shall be deemed to have surrendered such license as of 5 p.m. on September 22, 2004 unless such application for the reissuance of such license is received by the Department on or before such date and time.

(4) Such applications for a specialized vending license shall be assigned the priority ranks based on the date of issuance of the applicant's currently valid specialized vending license. If more than one such qualified applicant holds a specialized vending license with the same date of issuance, all such applicants shall be ranked sequentially in reverse order according to the number of their general vendor's licenses, with the highest priority ranking being assigned to the applicant within such group who holds the lowest numbered general vendor's license.

(k) No disabled veteran vendor may hold more than one specialized vending license issued by the Department, whether a midtown-specialized vending license or a city-specialized vending license. A specialized vending license shall not have a term and shall be valid until the date on which such specialized vending license is surrendered to the Department, or until the specialized vending licensee ceases to hold a currently valid general vendor's license or currently valid mobile food vending license, or until otherwise provided by law.

(l) Any eligible disabled veteran may apply to exchange his or her specialized vending license for a different type of specialized vending license issued by the Department by making an application for the type of license he or she seeks in accordance with the application procedures specified in this section.

(m) [City specialized] City-specialized vending licenses shall be yellow and [midtown specialized] midtown-specialized vending licenses shall be blue and shall be clearly differentiated from such licenses issued prior to March 1, 2003. Each such specialized vending license

also shall contain a photograph of the disabled veteran to whom such license is assigned as well as his or her name, home address, specialized vending license number, and such licensee's assigned priority rank.

(n) Upon the death of a holder of a specialized vending license, the surviving spouse or, if there is no surviving spouse or the surviving spouse elects not to use such license, the guardian of a minor child or children of such holder, to whom such license is transferred by operation of law in accordance with § 35-a of the General Business Law, [shall] must notify the Department of the death of such holder and, upon submitting proof of the conditions upon which such transfer is based, shall be issued a license in his or her name with the same priority rank as that assigned to such holder.

(o) A holder who becomes totally or permanently disabled and wishes to transfer his or her specialized vending license to his or her spouse or to an adult child who assumes the duty to support such holder [shall] must notify the Department. Such license shall be issued in his or her name, upon his or her submitting proof of the conditions upon which such transfer is based, with the same priority rank as that assigned to such holder.

Notice of Adoption

Notice of Adoption to amend to chapter 1 of title 6 of the Rules of the City of New York, which relate to DCA's licensing authority and enforcement. Among other things, these amendments prohibit licensees from altering or falsifying DCA-related documents, require licensees to

post license numbers on electronic advertisements and solicitations in addition to printed ones, and clarify the requirements relating to DCA's issuance of notices of hearing, requests for documents, interrogatories, and notices of deposition. In addition, these amendments update the penalty schedule for chapter 1 violations.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Consumer Affairs by sections 1043, 2203(f) and 2203(h)(1) of the New York City Charter and section 20-104(b) of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department amends chapters 1 and 6 of title 6 of the Rules of the City of New York.

This rule was proposed and published on June 18, 2019. A public hearing was held on July 18, 2019.

Statement of Basis and Purpose of Rule

The Department of Consumer Affairs is amending chapter 1 of title 6 of the Rules of the City of New York to improve the Department's ability to carry out its mission designated in the New York City Charter. These rule changes include a mix of deregulation, additional and stricter enforcement, and clarifications. Specifically, these amendments:

- Remove the list of specific license categories that must be fingerprinted. The Administrative Code dictates whether an applicant must be fingerprinted. Applicants are also provided notice of when fingerprints are required by Department license application materials and this list is often out of date and provides little benefit to applicants. (§ 1-01)
- Specify that applicants may be fingerprinted at locations designated by the Department to make the rule consistent with current practices, which allow applicants more options to comply with the fingerprint requirements. (§ 1-01)
- Allow the Department to deny applications and renewals, and suspend or revoke licenses, where the Department discovers that applicants made a false statement on a license application or falsified any documents submitted to the Department. It is already a violation to make such false statements under section 1-01.1. This amendment would provide licensees notice and an opportunity to be heard. (§ 1-01.1)
- Delete the reference to a "two-year term" for license terms in section 1-02, which is unnecessary, update the name of laundry licenses based on recent changes to the Code, delete certain license categories that have been repealed, and add one license category (Towing Vehicles). (§ 1-02)
- Clarify that licensees only need to display the license sign given to them by the Department rather than the license and a separate complaint sign to make the rule consistent with current Department practices. (§ 1-03)
- Prohibit licensees from making any false representations to the Department or altering or falsifying Department documents or using a falsified document. This amendment also allows the Department to deny applications and renewals, and suspend or revoke licenses, if applicants or licensees violated this subdivision. This amendment would provide licensees notice and an opportunity to be heard. (§ 1-04)
- Require that a licensee post its license number on electronic advertisements and solicitations, in addition to printed ones, as well as in email signature blocks. (§ 1-05)
- Clarify that the fee for lost licenses is waived if the Department receives within 30 days of the license or license plate being issued a certification from the licensee that such license or license plate was not received. This amendment is to make the rule consistent with current Department practices. (§ 1-10(c))
- Repeal the rule requiring compliance with the Consumer Protection Law. This rule is unnecessary because licensees must comply with the terms of the Consumer Protection Law absent this rule. (repealed § 1-12)
- Clarify that the Department may rely on any formal complaint, regardless of whether it has been resolved, or any response to such complaint in any subsequent Department action, including, but not limited to, decisions to deny, suspend, or revoke an application or license. This rule already requires applicants to respond to formal complaints made. This amendment assists public understanding that the information in such complaints and responses may be used by the Department. (§ 1-13)
- Amend and create the procedures governing the Department's issuance of interrogatories, requests for documents, and notices of deposition. These amendments clarify the Department's authority to serve requests for documents, interrogatories, and notices of deposition upon licensees and applicants, clarify what is proper service of requests for documents, interrogatories and notices of deposition, and clarify the consequences of failing to respond to such notices and requests. (§ 1-14).
- Create a new section 1-14.1 to cover procedures for notices of hearing, which previously were listed in section 1-14. The new section 1-14.1 also allows for service of notices of hearing by email if one has been provided to the department. (§ 1-14.1).

- Clarify that a licensee must destroy a license rather than surrender it when such license has not been renewed. (§ 1-18)
- Amend the rule relating to the presumption of unlicensed activity to make clear that the presumption applies from the date when a license previously held for use at the premises had expired, was suspended or revoked, or became void by operation of law, where applicable. (§ 1-19)
- Clarify that nothing in chapter 1 alters the Department's authority to act on an application or a license pursuant to any other legal authority of the Department. (§ 1-22)
- Update the curability list and penalty schedule for chapter 1 violations in chapter 6 to:
 - o Provide a cure mechanism for the failure to contain license number in advertisements and other printed and electronic matter;
 - o Provide penalties for altering or falsifying Department documents or providing or using falsified documents in violation of proposed Section 1-04;
 - o Update entries to the penalty schedule based on edits made elsewhere in this proposed rule.

Any telephone listing consisting solely of the name, address, and telephone number of the licensee need not specify the licensee's license number. § 8. Section 1-12 of Chapter 1 of Title 6 of the Rules of the City of New York is repealed as follows:

[§ 1-12 Compliance with the Consumer Protection Law.

A licensee or license applicant must respond in writing to the Department about any complaint sent to the licensee or applicant by the Department. The response must be made within 20 days of the date the complaint is sent to the licensee or applicant and must set forth the licensee's or applicant's position regarding the transaction which is the subject of the complaint, including the facts which the licensee or applicant believes justify its position. The licensee or

applicant must also provide with its response any documents in its possession related to the transaction which is the subject of the complaint. The licensee or applicant must respond to subsequent communications from the Department concerning the complaint within 10 days after receiving a communication. The Department may rely on any complaint, regardless of whether it has been resolved, or any response to such complaint, in any subsequent Department action, including, but not limited to, decisions to deny, suspend, or revoke an application or license.

§ 10. Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 1-14 [Notice of Hearing and Subpoena Duces Tecum] Requests for Documents, Subpoenas, Interrogatories, and Notices of Deposition.

(a) [A licensee must appear in person at the Department to answer a notice of hearing or a subpoena duces tecum served upon that licensee. If the licensee is an individual, he or she must appear; if a partnership, one of its general partners must appear; and if a corporation, one of its officers must appear. A notice of hearing or subpoena duces tecum may be served by ordinary mail addressed to the licensee's place of business. They may also be served by ordinary mail addressed to the residence of an individual licensee; the residence of a general partner of a partnership licensee; or the residence of an officer or principal stockholder of a corporate licensee.] This section applies to requests for documents, subpoenas, interrogatories, or notices of depositions issued to licensees or applicants pursuant to section 2203 of the New York City Charter, title 20 of the New York City Administrative Code, or any other provisions of law or rule within the jurisdiction of the Department.

(b) A licensee must reply to a subpoena, a request for documents or interrogatories within twenty days of the date the request was mailed or otherwise served upon the licensee.

- (1) If the licensee fails to respond to a subpoena, a request for documents or interrogatories, the licensee is liable for a separate violation for each day the licensee fails to respond to the requests.
- (2) If the licensee provides an incomplete response to a subpoena, a request for documents or interrogatories, the Department may send a deficiency letter to the licensee. If the licensee does not provide a complete response within 14 days of the deficiency letter being sent, the licensee is liable for a separate violation for each day the licensee fails to provide a complete response. If the licensee provides an incomplete response to a subpoena, a request for documents or interrogatories, or to a subsequent deficiency letter, there will be a presumption that the licensee has neglected to respond to each such subpoena, request for documents, interrogatory, or deficiency letter unless the licensee states that the licensee has no responsive documents to that particular request or no information responsive to that particular interrogatory.
- (3) Licensees must include a notarized certification that each subpoena, request for documents or interrogatory was answered fully and truthfully, accompanying their response. Responses to a subpoena, request for documents or interrogatories will not be deemed complete until they are accompanied by such certification.

(c) A licensee must appear at a time and place designated by the Department for a deposition. Failure to appear for a noticed deposition will be grounds for revocation of the licensee's license upon notice and opportunity to be heard. If the licensee is an individual, he or she must appear; if a partnership, one of its general partners with relevant knowledge of the partnership must appear; and if a corporation or limited liability company, one of its members or officers with relevant knowledge of the corporation must appear.

(d) The Department may serve subpoenas, interrogatories, requests for documents, and notices of deposition upon an applicant regarding materials related to a license or renewal application. Failure by the applicant to fully respond to a subpoena, interrogatories or a request for documents, or to appear for a deposition, within twenty days of the mailing date of the request or of the date indicated on the notice of deposition will be grounds for denial of the license application.

(e) Subpoenas, interrogatories, requests for documents and notices of deposition pursuant to this section may be served by ordinary mail addressed to the licensee's or applicant's place of business. They may also be served by ordinary mail addressed to the residence of an individual licensee; the residence of a general partner of a partnership licensee; the residence of an officer or principal stockholder of a corporate licensee, or the residence of a member of a limited liability company licensee. They may also be served by email if an email address has been provided by the licensee or applicant.

(f) Upon good cause shown, the Department may extend the time to respond as required under this section.

§ 1-14.1 Notices of Hearing.

A licensee must appear at the Office of Administrative Trials and Hearings to answer a notice of hearing served upon that licensee. If the licensee is an individual, he or she must appear; if a partnership, one of its general partners must appear; if a corporation, one of its officers must appear; and if a limited liability company, one of its members must appear. A notice of hearing pursuant to this section may be served by ordinary mail addressed to the licensee's place of business. It may also be served by ordinary mail addressed to the residence of an individual licensee; the residence of a general partner of a partnership licensee; the residence of an officer or principal stockholder of a corporate licensee, or the residence of a member of a limited liability company licensee. It may also be served by email if an email address has been provided by the licensee or applicant. Notices of hearing includes summonses, petitions, and other notices of violation filed by the Department.

§ 12. Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 1-18 [Surrender] Destruction of Identification Documents Issued by the Department.

Whenever any licensee has not renewed a license upon its expiration, such former licensee [shall] must, [within] not later than 10 business days after the expiration of such license, destroy all license and identification documents that have been issued to such licensee and to any of its employees or agents.

§ 13. Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 1-19. Presumption of Continued Unlicensed Activity.

(a) Unless otherwise specified in the notice, if the Department, on notice, charges a business or individual with engaging in activity without a license required under Chapter 2 of Title 20 of the New York City Administrative Code or under provisions of state law enforced by the Department, there shall be a rebuttable presumption that the unlicensed activity continued every day, without interruption, from the date specified by the Department in the notice as the first date of unlicensed activity through the hearing date.

(b) The first date of unlicensed activity specified by the Department in the notice may be the date of an inspection at which unlicensed activity is identified, the date on which a previously-held license expired, was suspended or revoked, or became void by operation of law, or any other date on which unlicensed activity first occurred, such as the date the business or individual entered into a contract to conduct business for which a license was required or the first date a business or individual advertised or offered services for which a license was required.

(c) Regardless of the date specified by the Department in the notice, if the Department presents at the hearing a copy of a decision or order from a prior proceeding finding that the business or individual engaged in the same unlicensed activity, or a copy of a settlement from a prior proceeding resolving a charge of the same unlicensed activity, there shall be a rebuttable presumption that the unlicensed activity continued every day, without interruption, from the date of the decision, order or settlement through the date of the hearing, unless the decision, order or settlement specifically provides otherwise.

(d) Regardless of the date specified by the Department in the notice, if the Department presents at the hearing a copy of a decision or order from a prior proceeding revoking or suspending the license to engage in the same activity forming the basis of the charge of unlicensed activity, or a copy of a settlement from a prior proceeding that includes such license revocation or suspension, there shall be a rebuttable presumption that the unlicensed activity continued every day, without interruption, from the date following the decision, order or settlement through the date of the hearing.

[(d)](e) A party may present credible evidence at the hearing to rebut the presumption of continued unlicensed activity, such as written proof that the party obtained a license; receipts or other documentation indicating that merchandise was returned to distributors; written termination of leases or agreements; or photographs demonstrating the discontinuance of the unlicensed activity.

§ 14. Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 1-20 Non-Payment of Civil Penalties.

(a) The Commissioner may deny a new or renewal application for any license, permit or registration, and may revoke, suspend, cancel, or terminate any license, permit or registration, if (i) the applicant, licensee, permittee or registrant has failed to timely pay civil penalties imposed by a tribunal of the New York City Office of Administrative Trials and Hearings (OATH), and (ii) an agency has provided the Commissioner with the following information: the name, address, Department license number and license category, where applicable, and information sufficient to determine the delinquency and monetary amount of the outstanding civil penalties owed by the applicant, licensee, permittee or registrant.

(b) In determining whether to exercise the power granted by paragraph (a) of this section, the Commissioner shall consider the amount of time that has passed since the applicant, licensee, permittee or registrant

failed to satisfy a final judgment, order or decision imposing civil penalties from OATH, the amount of the outstanding civil penalties, whether the applicant, licensee, permittee or registrant has committed a series of violations, and any such other matters as justice may require, as follows:

1. New applications for licenses, permits or registrations may be denied where there is an outstanding final judgment, order, or decision of any amount older than thirty (30) days.

2. Licenses, permits or registrations may be suspended, and renewal applications denied, where outstanding final judgments, orders, or decisions are:

- A. Older than sixty (60) days; and
- B. Five hundred dollars (\$500) or more.

3. Licenses, permits or registrations may be revoked or cancelled where outstanding final judgments, orders, or decisions are:

- A. Older than ninety (90) days; and
- B. One thousand dollars (\$1,000) or more; and

C. The applicant, licensee, permittee or registrant violated any provision the enforcement of which is within the jurisdiction of the Department in the previous five (5) years.

(c) If the applicant, licensee, permittee or registrant breaches the terms of a settlement agreement or payment plan reached with the City for satisfaction of a final judgment, order or decision imposing civil penalties, time will be calculated from the date of the breach or first missed payment, unless otherwise set forth in the agreement.

(d) For purposes of this subsection, a judgment, order or decision imposing civil penalties from OATH is considered "final" when:

- 1. An appeal or motion to vacate challenging the judgment, order, or decision has been resolved;
- 2. The entity or legal representative against whom the judgment, order or decision was imposed fails to appeal within the time allotted by OATH; or
- 3. The entity or legal representative against whom the judgment, order or decision was entered on default fails to move to vacate the judgment, order or decision within sixty (60) of the date entered.

(e) The Department reserves the right to take any action on an application or license for any monies owed to the Department regardless of the criteria provided in this section.

§ 15. Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 1-22 Reservation of Rights.

Nothing in this chapter shall impair, diminish, or otherwise affect any other authority granted to the Department by any general, special or local law or any rule promulgated pursuant thereto to deny an application for a license, permit or registration, or suspend, terminate or revoke a license, permit or registration.

§ 16. The following is added to the list in subdivision (b)(5) of section 6-03 of Chapter 6 of Title 6 of the Rules of the City of New York:

(xxxiii) 6 RCNY § 1-05, requiring licensees to include a license number in advertisements and other printed and electronic matters.

§ 17. Chapter 6 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 6-11 License Enforcement Penalty Schedule.

All citations are to Title 20 of the Administrative Code of the City of New York or Title 6 of the Rules of the City of New York.

Unless otherwise specified, the penalties set forth for each section of law or rule shall also apply to all subdivisions, paragraphs, subparagraphs, clauses, items, or any other provision contained therein. Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule.

For the fine amounts marked by a single asterisk, if the respondent timely submits the appropriate proof of having cured a first-time violation, the respondent will not be subject to a civil penalty pursuant to Local Law 153 of 2013.

In certain cases, the Department may ask for license suspension or revocation, as permitted by statute. If a respondent is found in violation of multiple provisions that require a suspension period, the suspension periods shall run concurrently.

Unless otherwise specified by law, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within two years of the prior violation(s).
