“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

DESIGN-BUILD SERVICES FOR PNEUMATIC COLLECTION SYSTEM FOR MUNICIPAL SOLID WASTE (GENERAL CONSTRUCTION AND PROFESSIONAL SERVICES) - Request for Qualifications - PIN# 122825 - Due 6-15-20 at 2:00 P.M.

The New York City Housing Authority ("NYCHA"), is soliciting the services of design-build teams, for the design and construction of a pneumatic waste collection system, at Polo Grounds Towers. The Project shall include service to adjacent Rangel Houses, completed as part of the initial phase or in a future phase.

NYCHA anticipates that it will shortlist up to three (3) teams under the Request for Qualifications ("RFQ"), to participate in the Request for Proposals ("RFP") phase of this procurement and ultimately select one team.

As North America's largest public housing agency, NYCHA owns and operates 172,447 housing apartments in 2,400 buildings across 311 developments throughout New York City's five boroughs. These projects will be used to guide the strategy for other NYCHA properties.

Respondents will be required to meet minimum qualifications and identify other qualifications, pneumatic waste collection project design and construction experience, technical capabilities, firm capacities, financial information, surety capabilities, past self-performance experience, and other information for RFQ Response evaluation.

RFQ Respondents will also be required to identify and provide similar qualifications, experience, capabilities, capacities and other information for RFQ Response evaluation, for their proposed Respondent Team Members, if any.

The successful Respondent for the Design-Build Contract will be selected through a two-step method, as follows:

(1) Step one: NYCHA will generate a list of responding entities that have demonstrated meeting the minimum qualifications to perform the Design-Build Contract for the Polo Grounds system. Such list shall be generated based upon NYCHA's review of responses to the publicly advertised RFQ. NYCHA shall evaluate and rate all responding entities to the RFQ, provided that such respondent(s) satisfy/ies the RFQ's Minimum Qualification requirements. Based upon such ratings, NYCHA shall list the responding entities that will be shortlisted to receive a RFP.

(2) Step two: Selection of the proposal under the RFP for the Project, which is the best value to NYCHA.

Any Design-Build Contract awarded under the RFP, will require the Respondent to enter a Project Labor Agreement ("PLA"). Other contract requirements, will require taking affirmative steps to include U.S. Department of Housing and Urban Development ("HUD"), Section 3 Hiring and Minority, Women and Small Business Enterprises ("M/W/SBE").

DESIGN-BUILD SERVICES FOR ENHANCED CENTRALIZED WASTE AND RECYCLING FACILITIES AT MULTIPLE NYCHA DEVELOPMENTS (GENERAL CONSTRUCTION AND PROFESSIONAL SERVICES) - Request for Qualifications - PIN# 122826 - Due 6-8-20 at 2:00 P.M.

The New York City Housing Authority (“NYCHA”), is soliciting the services of design-build teams for the design and construction of a new central waste and recycling facilities on the site of existing waste yards at seven (7) developments.

NYCHA anticipates that it will shortlist up to three (3) teams under the Request for Qualifications (“RFQ”), to participate in the Request for Proposals (“RFP”) phase of this procurement.

As North America’s largest public housing agency, NYCHA owns and operates 172,447 housing apartments, in 2,400 buildings, across 311 developments throughout New York City’s five boroughs. These projects will be used to guide the strategy for other NYCHA properties.

Respondents will be required to meet minimum qualifications and identify other qualifications, waste facility project design and construction experience, technical capabilities, firm capacities, financial information, surety capabilities, past self-performance experience, and other information for RFQ Response evaluation.

RFQ Respondents will also be required to identify and provide similar qualifications, experience, capabilities, capacities and other information for RFQ Response evaluation for their proposed Respondent Team Members, if any.

The successful Respondent for the Design-Build Contract will be selected through a two-step method, as follows:

(1) Step one: NYCHA will generate a list of responding entities, that have demonstrated meeting the minimum qualifications to perform the Design-Build contract for the seven (7) waste and recycling facilities. Such list shall be generated based upon NYCHA’s review of responses to the publicly advertised RFQ, provided that such respondent(s) satisfy/ies the RFQ’s Minimum Qualification requirements. NYCHA shall evaluate and rate all responding entities to the RFQ. Based upon such ratings, NYCHA shall list the responding entities that will be shortlisted to receive a RFP.

(2) Step two: Selection of the proposal under the RFP for the Project, which is the best value to NYCHA.

Any Design-Build Contract awarded under the RFP, will require the Respondent to enter a Project Labor Agreement (“PLA”). Other contract requirements, will require taking affirmative steps to include U.S. Department of Housing and Urban Development (“HUD”) Section 3 Hiring and Minority, Women and Small Business Enterprises (“M/W/SBE”).

NYC DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of NYC DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, NYC DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. The vendors selected for inclusion in the General Construction PQL, will be invited to participate in the NYC Construction Mentorship. READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
