**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

#### Statement of Basis and Purpose of the Proposed Rules

The Board adopted Board Rules § 1-13 in 1998 to provide broad guidance regarding City Charter § 2604(b)(2), Chapter 68's "catch-all" provision, which prohibits a public servant from engaging in "any business, transaction or private employment, or hav[ing] any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties." Pursuant to Board Rules § 1-13, City Charter § 2604(b)(2) prohibits the use of City time and City resources for non-City purposes and establishes accomplice liability for Chapter 68 violations by others.

When initially drafted, § 1-13 was the only rule of the Board that interpreted City Charter § 2604(b)(2). Since then, the Board has adopted other rules that construe various aspects of City Charter § 2604(b)(2), including § 1-14 (Official Fundraising) and § 1-15 (Community Board Members). The Board has also adopted two provisions as part of § 1-13 that govern the permissible use of City time and City resources: existing Board Rules § 1-13(c) permits a public servant to use a limited amount of City time and City resources to pursue a personal and private activity, upon the approval of the public servant's agency head and the Board's determination that the activity furthers the purposes and interests of the City; and Board Rules § 1-13(e) establishes parameters by which public servants may perform work on behalf of not-for-profit organizations as part of their City jobs.

Given these intervening additions and to improve the overall organizational structure of the Board Rules, the Board now proposes (1) to reorganize Board Rules § 1-13 into a rule that focuses exclusively on the use of City time and City resources, and (2) to move the provisions regarding accomplice liability into a new Board Rules § 1-17.

The Board also proposes amendments to Board Rules § 1-13 to codify advice given in two Advisory Opinions that reflect the Board's practice regarding the use of City time and City resources:

- Proposed Board Rules § 1-13(d), a new provision, would clarify that a public servant may use his or her City title in connection with the non-City authorship of print or online published work, teaching, and paid speaking engagements under circumstances where it is clear that the public servant is not speaking on behalf of the City. This proposed amendment would codify, in part, advice given in Advisory Opinion No. 1999-4 permitting a public servant who engages in teaching to list his or her title as part of biographical information about the public servant. See A.O. No. 1999-4 at 7.
- Proposed Board Rules § 1-13(f) would be revised to codify the advice given in Advisory Opinion No. 2009-5 permitting an elected official, including a District Attorney, to use his or her City title in endorsing a candidate for public office. See A.O. No. 2009-5 at 3 n. 1. The proposed new text in subdivision (f) would clarify that other public servants (that is, not elected officials) may not use their titles in endorsing candidates for public office but it would not otherwise prohibit them from disclosing that they are public servants when engaging in political speech—such as the biography of a candidate for City Council identifying the candidate as a community board member, among the candidate's other qualifications, or a participant at a political rally identifying themselves as a public school teacher.

The Board also proposes the following clarifications consistent with the Board's previous confidential advice and enforcement dispositions:

- Proposed Board Rules § 1-13(b) would clarify that a public servant's City title as well as City technology assets (such as e-mail, official social media accounts, and internet access) are City resources for purposes of City Charter § 2604(b)(2).
- Proposed Board Rules § 1-13(c) would permit the Board to authorize, after a public servant receives approval from their agency head, the use of City time and City resources to perform non-City work on behalf of not-for-profit entities where the Board determines that at least one of the following circumstances exists: the work advances the professional development of the public servant, it furthers the purposes and interests of the City, or it benefits the public at large. As a result of these revisions, this subdivision (c) would be harmonized with the provisions of Board Rules § 1-13(e), and each of its provisions would apply only to activities performed on behalf of not-for-profit entities.

**Section 1.** Section 1-13 of Title 53 of the Rules of the City of New York is amended to read as follows:

#### **§ 1-13 [Conduct Prohibited by City Charter § 2604(b)(2)] Use of City Time and City Resources.**

- (a) Except as provided in subdivision (c) of this section, it shall be a violation of City Charter § 2604(b)(2) for any public servant to pursue personal and private activities during times when the public servant is required to perform services for the City.
- (b) Except as provided in [subdivision (c) of] this section, it shall be a violation of City Charter § 2604(b)(2) for any public servant to use City letterhead, title, personnel, equipment, resources, [or] supplies, or technology assets for any non-City purpose. For purposes of this subdivision "technology assets" includes but is not limited to e-mail accounts, internet access, and official social media accounts.
- (c) (1) A public servant may [pursue a personal and private activity during normal business hours] perform volunteer services on behalf of a not-for-profit entity during times when such public servant is required to perform work for the City and may use City personnel, equipment, resources, [personnel, and] supplies, and technology assets, but not City letterhead, [if] their title or City email account(s), provided that
  - (i) [the type of activity has been previously approved for employees of the public servant's agency by the Conflicts of Interest Board, upon application by the agency head and upon a determination by the Board that the activity furthers the purposes and interests of the City] the public servant's agency head approves in writing the proposed volunteer services; and
  - (ii) [the public servant shall have received approval to pursue such activity from the head of his or her agency] the Board determines that the proposed volunteer services advance the public servant's professional development, further the purposes and interests of the City, or benefit the public at large.
- (2) [In any instance where a particular activity may potentially directly affect another City agency, the employee must obtain approval from his or her agency head to participate in such particular activity. The agency head shall provide written notice to the head of the potentially affected agency at least 10 days prior to approving such activity.] The agency head approval required by paragraph (1) of this subdivision must be by the head of the agency served by the public servant, or by a deputy mayor if the public servant is an agency head. A public servant who is an elected official, including a District Attorney, is the agency head for the public servants employed by the elected official's agency or office. Public servants who are elected officials, including District Attorneys, may approve their own activities as agency heads pursuant to paragraph (1).
- (d) [It shall be a violation of City Charter § 2604(b)(2) for any public servant to intentionally or knowingly:] A public servant engaging in a personal and private activity may use, or permit the use of, their City title in connection with print or online published work, teaching, or paid speaking engagements, under either of the following circumstances:
  - (1) [solicit, request, command, importune, aid, induce or cause another public servant to engage in conduct that violates any provision of City Charter § 2604] their City title is one of several biographical details used to identify such public servant; or
