PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

NYC DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of NYC DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, NYC DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. NYC DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL, will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

NYC DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

* Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained online at: http://a856-internet.nyc.gov/nycvendoronline/home.asap.; or http://www.nycgovparks.org/opportunities/business.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above. ■ NOTICE

ORDER OF THE COMMISSIONER OF HEALTH AND MENTAL HYGIENE OF THE CITY OF NEW YORK FOR THE PROVISION OF NON-CONGREGATE SHELTERS

WHEREAS, on January 30, 2020 the World Health Organization designated the novel coronavirus disease 2019 (“COVID-19”) outbreak as a Public Health Emergency of International Concern and on March 11, 2020 characterized the outbreak as a pandemic; and

WHEREAS, on January 31, 2020 the United States Secretary of Health and Human Services announced a nationwide public health emergency to respond to COVID-19; and

WHEREAS, on March 7, 2020 New York State Governor Andrew Cuomo issued Executive Order No. 202, declaring a State disaster emergency for the entire State of New York to address the threat that COVID-19 poses to the health and welfare of New York residents and visitors; and

WHEREAS, on March 12, 2020, Mayor Bill de Blasio issued Emergency Executive Order No. 98 declaring a state of emergency in the City to address the threat posed by COVID-19 to the health and welfare of City residents; and such Emergency Executive Order directed all agency heads, including the Department of Health and Mental Hygiene (the “Department”), to take all appropriate and necessary steps to preserve public safety and to render all required and available assistance to protect the security, well-being and health of the residents of the City; and

WHEREAS, I find the continuing widespread transmission of COVID-19 internationally and locally to be a threat to public health in the City of New York; and

WHEREAS, pursuant to Section 556 of the New York City Charter (the “Charter”) and Section 3.01 of the Health Code, the Department is authorized to supervise the control of communicable diseases and conditions hazardous to life and health and take such actions as may be necessary to assure the maintenance of the protection of public health; and

WHEREAS, Section 17-104 of the Administrative Code of the City of New York directs the Department to adopt prompt and effective measures to prevent the communication between parts of the City infected with an infectious disease such as COVID-19; and

WHEREAS, pursuant to Section 3.01 of the Health Code, I am authorized to declare a public health emergency and issue orders and take actions that I deem necessary for the health and safety of the City and its residents when urgent public health action is necessary to protect the public health against an existing threat; and

WHEREAS, non-congregate sheltering is necessary to save lives, to protect property and public health, and to ensure public safety, as well as to lessen or avert the threat of a catastrophe; and

WHEREAS, there is an urgent health need for non-congregate shelters for individuals who may need to be isolated or quarantined for seven days after the onset of symptoms and up to 14 days, in order to protect the health and safety of all City residents; and

WHEREAS, sheltering such individuals in congregate settings will further the spread of this disease, endangering populations that are particularly susceptible to COVID-19 infection, including people over 60 years of age and people with certain underlying health conditions, and a system of non-congregate shelters will save lives, protect public health, and promote public safety;

NOW, THEREFORE,

1. I, Oxiris Barbot, M.D., Commissioner of the New York City Department of Health and Mental Hygiene, hereby declare the existence of a public health emergency within the City of New York, for which certain orders and actions are necessary to protect the health and safety of the City of New York and its residents, and for which exercising the power of the Board of Health to prevent, mitigate, control and abate the current emergency presented by COVID-19 is necessary. I find there to be sufficient proof to

authorize a declaration of great and imminent peril to the public health.

2. I hereby order the Administration for Children’s Services, the Department of Corrections, the Department of Social Service, the Department of Youth and Community Development, and any other agency that may be responsible for providing shelter to any person in the City to locate, secure, operate, and make available non-congregate sheltering to any person needing to be isolated or quarantined in order to prevent the spread of COVID-19. The provision of non-congregate shelters required by this Order shall be limited to that which is reasonable and necessary to adequately protect the public from the threat presented by the COVID-19 pandemic, as determined by the Commissioner of Emergency Management.

Such shelters may be located in hotels, convention centers and other non-traditional shelter facilities as deemed appropriate by the Commissioner of Emergency Management in consultation with myself and the Commissioners of Fire, Police, Social Services, and Buildings.

3. This Order shall be effective immediately and remain in effect until the end of the public health emergency or such earlier time as I may indicate, subject to the authority of the Board of Health to continue or rescind, alter, or modify this Order pursuant to section 3.01(d) of the New York City Health Code.
