"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

NYCHA provides the document titled, "Controlling Mold in Your Apartment" to Residents during every mold initial inspection, which is attached hereto as Attachment I. This document outlines specific steps NYCHA residents can take to address mold. Amending this document is included in the Scope of Services, Section II. TEST AND TRACE - COMMUNITY BASED ORGANIZATIONS - Request for Proposals - PIN# T2-CBO - Due: 7-13-2020 at 12:00 P.M.

"Test and Trace", or T2, is a major part of the City of New York's effort

to manage the COVID-19 pandemic. The T2 program, includes making testing for the virus widely available and encourages New Yorkers to get tested. The "Trace" element refers to conducting Citywide contact tracing. Contact tracing involves identifying and outreaching to individuals who test positive, to encourage them to isolate or quarantine, offering services and lodging to support adherence to isolation or quarantine, and linking individuals to additional health and supportive resource referrals. Contact tracers ask those testing positive, to identify their close contacts, provide information about them, and then reach out to those individuals, to encourage them to also get tested, and as necessary, to quarantine or isolate. The T2 program is led by New York City Health and Hospitals Corporation (H+H), which operates the City's municipal public hospital system. The Test & Trace Corps, comprises the leadership and full body of individuals who are overseeing the City's COVID-19 testing, and contact tracing outreach. All communication should be sent by email only.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
