“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

The Mayor's Office of Neighborhood Safety (ONS), plans to release its forthcoming Request for Proposals (RFP), for the NYC Crisis Management System Initiative in the fall of 2020. The RFP seeks community-based partners to implement evidence-based anti-gun violence interventions that engage youth and young adults exposed to high risk factors and to positively amplify the culture of peace in communities most affected by gun violence. The core components of CMS include: (1) deployment of the Cure Violence public health model of violence intervention, (2) school-based conflict mediation, and (3) therapeutic mental health services.

ONS initiatives put communities at the center of creating and sustaining public safety. Launched in 2014, the Mayor's Action Plan for Neighborhood Safety (MAP) is a comprehensive place-based approach employing participatory mechanisms and coordinating resources to respond to communities' public safety priorities and reduce crime around 15 NYC public housing developments that historically have

experienced the highest rates of crimes. Atlas is a strength-based, voluntary set of therapeutic and social supports delivered by trusted community-based organizations to engage and empower individuals with open court cases and heightened risk factors for involvement in violence. The Office to Prevent Gun Violence (OPGV) synchronizes the city's anti-gun violence initiatives, including the Crisis Management System, and amplifies the leadership of community-based solutions to support safe, empowered, and interconnected communities.

The Concept Paper will be posted on the MOCJ website, <https://criminaljustice.cityofnewyork.us/notices-solicitations/>, August 19, 2020 through October 2, 2020. Written comments in response to the Concept Paper should be submitted to MOCJProcurements@cityhall.nyc.gov.
