“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.

What laws govern the rulemaking process? DEP must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

DEP is proposing a rule to amend the City’s Air Code Penalty Schedule in Chapter 43 of Title 15 of the Rules of the City of New York to establish a new penalty for certain violations of Subdivision (b) of Section 24-154 of the New York City Administrative Code.

Local Law 61 of 2018, which took effect on January 1, 2019, added Section 24-154 to the Administrative Code. Subdivision (a) of such Section defines the term “covered building” to mean “a building that (i) contains ten or more dwelling units or (ii) is located on a zoning lot that contains 25,000 or more square feet of non-residential floor area[.]” and defines the term “covered person” to mean, “with respect to a building, a person who is an owner of such building, a managing agent of such building or an employee of such owner or agent.” This Subdivision (a) also defined “project” to mean the “mold remediation, mold assessment or mold abatement, of areas greater than ten square feet, but does not include full demolition of vacant buildings[.]” Paragraph (1) of Subdivision (b) of such Section provides that, for a covered building, covered persons are prohibited from performing mold assessment, abatement or remediation for a project. Paragraph (2) of Subsection (b) provides that mold assessment, abatement or remediation for a project must be performed by persons licensed to perform such work pursuant to Article 32 of the New York State Labor Law. Subdivision (d) of such Section of the Administrative Code authorizes the City to establish penalties for failing to comply with the provisions of that Section.

On March 25, 2019, pursuant to the authority provided in subdivision (f) of such Section, the Mayor authorized DEP and the City’s Department of Housing Preservation and Development to enforce the relevant provisions of Local Law 61 of 2018.

This amendment to the Air Code would subject owners of covered buildings to monetary penalties where mold assessment, abatement or remediation for a project involving a covered building is self-performed by a covered person or performed by a person not properly licensed pursuant to Article 32 of the New York State Labor Law.

DEP proposes to establish the following penalties for such violations of Subdivision (b) of Section 24-154: for a first violation, a penalty of \$800; for a second violation, a penalty of \$1600; and for a third violation and for all subsequent violations, a penalty of \$2400. These monetary penalties will incentivize building owners to cause only property licensed persons to perform mold assessment, abatement or remediation work and deter building owners from performing such work in a manner that could threaten public health.

This rule amendment exclusively establishes an amount of fees. Consequently, pursuant to item (iii) of Paragraph (4) of Subdivision (d) of Section 1043 of the New York City Charter, this rule amendment is exempt from the analysis procedure set forth in subdivision (d) therein.

New material is underlined.

Section one. Section 43-02 of Title 15 of the Rules of the City of New York is amended by adding a new entry to the Air Code Penalty Schedule immediately following the entry for Section 24-153 of the administrative code to read as follows:

Section of Law	Violation Description	Compliance	1 st Offense Stip (\$)	1 st Offense (\$)	Default Penalty (\$)	2 nd Offense (\$)	2 nd Stip (\$)	3 rd and Subsq. Offense (\$)	3 rd and Subsq. Stip (\$)
24-154(b)	<u>Mold assessment, abatement or remediation for a project performed by a covered person or an unlicensed person.</u>	<u>Cause such work to be performed by an authorized person.</u>	800	800	<u>1000 (1st offense)/ 5000 (2nd offense)/ 10000 (3rd offense)</u>	1600	1600	2400	2400

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
